Morality Ethics Christians face fundamental questions regarding deep issues and everyday problems Are there situations in life where obedience to God s law is not the most practical solution Is lying always wrong Situation ethics attempts to answer questions like these by affirming that doing the loving thing is a higher priority than obedience to God s law The author endeavors to show how disregard for divine law though seemingly attractive reasonable and practical is untenable The book reveals how a situationalist follows a misguided ego rather than an objective standard Whether we manipulate others to suit our own purposes lie to avoid embarrassment or commit a minor indiscretion it s just a quick fix something that only lasts for a season Discover how the eye of faith adheres to God s directives unblinded by sin s attractive glow it contemplates a lifetime it considers eternity **Christian Ethics** J.
