Whiting, 1967 *Scholarly Resources for Children and Childhood Studies* Vibiana Bowman, 2007-02-08 Editor Vibiana Bowman has drawn together contributions from some of the leading scholars in the interdisciplinary field of children and childhood studies CCS in this guided approach to literature searching in CCS The contributors to this book are both faculty currently teaching in the area of CCS and academic librarians The charge given to each contributor was to write a chapter that explained the process of scholarly research in his or her own particular area of expertise to a student unfamiliar with that discipline Towards this end the book provides background information about interdisciplinary study in general and children and childhood studies in particular as well as an outline of basic research practices Each contributor serves as a mentor and suggests a search strategy discusses significant concepts and vocabulary and lists the major resources that scholars in that area would be expected to use Not intended as an exhaustive list of in print research resources rather the emphasis throughout this guide is on useful resources and effective research methodologies As the field of CCS continues to evolve in the upcoming years *Scholarly Resources for Children and Childhood Studies* will serve as an excellent stepping stone for those just entering the area Parenting for Primates Harriet J Smith, 2009-06-30 In this natural history of primate parenting Smith compares parenting by nonhuman and human primates In a narrative rich with vivid anecdotes derived from interviews with primatologists from her own experience breeding cottontop tamarin monkeys for over thirty years and from her clinical psychology practice Smith describes the ways that primates care for their offspring from infancy through young adulthood **Six Cultures** Kimball Romney, 1966 **Hunter-gatherer Childhoods** Barry S. Hewlett, Michael E. Lamb, In the vast anthropological literature devoted to hunter gatherer societies surprisingly little attention has been paid to the place of hunter gatherer children Children often represent 40 percent of hunter gatherer populations thus nearly half the population is omitted from most hunter gatherer ethnographies and research This volume is designed to bridge the gap in our understanding of the daily lives knowledge and development of hunter gatherer children The twenty six contributors to *Hunter Gatherer Childhoods* use three general but complementary theoretical approaches

evolutionary developmental cultural in their presentations of new and insightful ethnographic data For instance the authors employ these theoretical orientations to provide the first systematic studies of hunter gatherer children s hunting play infant care by children weaning and expressions of grief The chapters focus on understanding the daily life experiences of children and their views and feelings about their lives and cultural change Chapters address some of the following questions why does childhood exist who cares for hunter gatherer children what are the characteristic features of hunter gatherer children s development and what are the impacts of culture change on hunter gatherer child care The book is divided into five parts The first section provides historical theoretical and conceptual framework for the volume the second section examines data to test competing hypotheses regarding why childhood is particularly long in humans the third section expands on the second section by looking at who cares for hunter gatherer children the fourth section explores several developmental issues such as weaning play and loss of loved ones and the final section examines the impact of sedentism and schools on hunter gatherer children This pioneering volume will help to stimulate further research and scholarship on hunter gatherer childhoods thereby advancing our understanding of the way of life that characterized most of human history and of the processes that may have shaped both human development and human evolution Barry S Hewlett is professor of anthropology at Washington State University Vancouver Michael E Lamb is professor of psychology in the social sciences Cambridge University *The Anthropology of Self and Behavior* Gerald Michael Erchak,1992 Gerald Erchak s engaging book stakes out a position in the field of psychological anthropology He addresses himself primarily to students in the field and also to specialists who want a clearly presented approach He argues that culture shapes the human self and behavior and that the self and behavior are in turn adapted to culture After defining basic concepts and debates in the field Erchak takes up the topics of socialization gender sexuality collective behavior national character deviance behavioral disorder cognition and emotion This new textbook contains more material about sexuality and gender than any other such text For Erhcak psychocultural adaptation is basic to human life Culture plays a central role in our behavior and survival Each chapter reviews the literature not as a scholar would but rather to provide an overview of central issues in the field Each chapter also provides case material some of which is drawn from Erchak s own work on West African socialization Micronesian social change family violence initiation rites and alcoholism His examples are drawn from the U S as well as non Western cultures This book will be of particular interest to teachers looking for new texts for undergraduate courses in anthropology psychology and sociology *Origins of Aggression* Willard W. Hartup,Jan de Wit,2019-07-22 No detailed description available for Origins of Aggression Japan and Korea Frank Joseph Shulman,2013-10-23 First Published in 1971 This annotated bibliography of doctoral dissertations on Japan and Korea grew out of a decision to expand and bring up to date an earlier list entitled Unpublished Doctoral Dissertations Relating to Japan Accepted in the Universities of Australia Canada Great Britain and the United States 1946 1963 compiled by Peter Cornwall and issued by the Center for Japanese Studies in 1965 A Field Guide to Cross-Cultural

Research on Childhood Learning Sheina Lew-Levy, Stephen Asatsa, 2025-05-09 This volume addresses the critical gaps in developmental research on childhood learning by advocating for a more inclusive and cross cultural approach Recent studies highlight a concerning over reliance on data from post industrialized western countries raising questions about the broader applicability of findings This book seeks to provide a comprehensive solution bridging the gap between theory and practice It offers a unique guide for researchers by combining interdisciplinary perspectives from anthropology psychology education and beyond With over 60 contributors from 21 countries the book weaves together diverse cultural insights challenging the narrow scope of traditional research Each chapter features multiple perspectives creating a coherent and thoughtful discussion of essential topics such as cultural learning childhood and the historical and social forces shaping development A Field Guide to Cross Cultural Research on Childhood Learning goes beyond theoretical discussions by offering practical advice on fieldwork ethics and engaging policymakers By centering marginalized voices and emphasizing community agency it strives to democratize developmental research The format is innovative merging the breadth of encyclopedic entries with the depth of cohesive chapters Moreover personal reflections and photographs embedded in the book will give readers a window into the experiences of those involved in cross cultural research on children This accessible academically rigorous volume is a must read for scholars seeking to advance inclusive and sustainable research on childhood learning and anybody interested in child development in a worldwide perspective

The Top Books of the Year Six Cultures Studies Of Child Rearing The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have charmed audiences this year. Six Cultures Studies Of Child Rearing : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Six Cultures Studies Of Child Rearing : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
