Conspiracy of One Jim Moore,1990 A chronicle of one man s investigation into the assassination of President Kennedy and his conclusion *Six Seconds in Dallas* Josiah Thompson,1976 Irrefutable evidence that Oswald could not have killed JFK alone **3 Killers at Dallas** Chief Phil Doherty,2014-10-21 The first murder the JFK assassination has probably been the most investigated crime in American history Yet five decades later there remain questions regarding the number of gunmen the true motive and the masterminds if any of the killing of Kennedy The case was wrapped up in hours by the F B I with the arrest of Lee Oswald by the Dallas Police Department and the case was ruled by the Warren Commission to be the sole act of one man Oswald My law enforcement and military experience convinces me that a complex case such as this killing would not lead to completion and declaration of a sole assassin and non conspiracy in such a short period of time and has offered some facts to rebut that theory We look again at Oswald Let s face it Oswald was a willing tool of the U S Government from the time of his military service until the day he died He was not a lone nut but one of the tools in the CIA s box of tricks and mysteries regardless of the agency s declared declaration of their actions as being right and necessary Oswald may have supplied one of the murder weapons that killed JFK some say he did not but the fact remains that he did not fire the fatal shots at Kennedy He would have to have been Houdini that day being in two places at the same time Oswald was indeed the best possible Patsy his handlers could find **Who Really Killed JFK?** Therlee Gipson,2015-11-20 Introduction John Fitzgerald Kennedy the thirty fifth President of the United States was assassinated at 12 30 pm Central Standard Time on Friday November 22 1963 in Dealey Plaza Dallas Texas Kennedy was fatally shot while traveling with his wife Jacqueline Texas Governor John Connally and the latter s wife Nellie in a Presidential Motorcade The ten month investigation of the Warren Commission of 1963 1964 concluded that the President was assassinated by Lee Harvey Oswald acting alone and that Jack Ruby acted alone when he killed Oswald before he could stand Trial These conclusions were initially supported by the American public however polls conducted from 1966 to 2004 found that as many as 80 percent of Americans have suspected that there was a plot or cover up Contrary to the Warren Commission the United States House Select Committee on Assassinations HSCA in 1979 concluded that President John F Kennedy was probably assassinated as a result of a conspiracy The HSCA found both the original FBI investigation and the Warren Commission Report to be seriously flawed While agreeing with the Commission that Oswald fired all the shots which caused the wounds to Kennedy and Governor Connally it stated that there were at least four shots fired and that there was a high probability that two gunmen fired at the President No gunmen or groups involved in the conspiracy were identified by the committee but the CIA Soviet Union Organized Crime and several other groups were said to be not involved based on available evidence The assassination is still the subject of widespread debate and has spawned numerous conspiracy theories and alternative scenarios I do not know who planned the assassination nor who fired the shots But I am convinced there was a conspiracy This book is about

The JFK Assassination Debates Michael L. Kurtz, 2006-11-08 Who killed JFK Ever since that fateful day in Dallas theories about President Kennedy s murder have proliferated running the gamut from the official lone gunman verdict to both serious and utterly screwball conspiracy theories Michael Kurtz a distinguished historian who has plumbed every crevice of this controversial case for more than thirty years now sums up and critiques four decades of debate while also offering provocative new perspectives Kurtz presents an objective accounting of what we actually know and don t know about the assassination underlining both the logic and the limitations of the major theories about the case He then offers unique interpretations of the physical and forensic evidence and of existing areas of controversy leading him to new conclusions that readers will find hard to dismiss Kurtz shows how the official investigation s egregious mishandling of the crime scene evidence related to virtually every aspect of the case is largely responsible for the lone gunman conspiracy schism that confronts us today Those responsible for that investigation including the Dallas police the FBI and the Warren Commission failed so miserably in their efforts that they would have been laughed off the air if they had been portrayed on any of TV s popular CSI series One of the few experts writing on the subject who actually met Oswald Kurtz also provides new information about the accused assassin s activities around the time of the assassination and about his double life analyzing Oswald s ties to the intelligence community to organized crime and to both anti and pro Castro Cuban activists Mustering extraordinary documentation including exclusive interviews with key figures and extensive materials declassified by the Assassination Records Review Board he both confirms and alters much previous speculation about Oswald and other aspects

has done its part to ensure President John F Kennedy and his legacy will not be forgotten Most all of the people involved in Kennedy s death were dead within 10 years of his assassination I do not know who planned the assassination nor who fired the shots But I am convinced there was a conspiracy This book is the biography of John F Kennedy life and considers the detailed timeline of events before during and after his assassination Chapters includes Life and Time of JFK Social Life and Family Timeline of Kennedy Assassination LBJ Political Career JFK Legacy Points of Interest Chilling Facts and more Therlee Gipson Investigating the Kennedy Assassination Robert Lockwood Mills,Michael Deeb,2023-11-21 For the first time in one place the reader will see all the likely conspirators revealed The Warren Commission and the FBI agreed that President John F Kennedy was killed by a lone gunman Lee Harvey Oswald Fifteen years later the House Committee on Assassinations re examined the evidence They announced that he was not killed by a single gunman but probably murdered as the result of a conspiracy This House Committee hesitated to speculate on who might have been involved in that conspiracy or why John F Kennedy was killed in Dallas on November 22 1963 In 1979 Michael Burke and former congressman Harold Ryan were asked to continue that investigation This historical novel will take the reader back to that time Burke and Ryan will peel back the passage of time and the layers of secrecy and denial to reveal the reasons so many elites were determined to stop the Kennedy agenda "They've Killed the President!" Last Second in Dallas Josiah Thompson,2021-02-15 In this long awaited follow up to his critically acclaimed 1967 classic *Six Seconds in Dallas* Josiah Thompson reveals major new forensic discoveries since the year 2000 that overturn previously accepted facts about the Kennedy assassination Together they provide what no previous book on the assassination has done incontrovertible proof that JFK was killed in a crossfire Last Second in Dallas is not a conspiracy book No theory of who did it is offered or discussed Among the discoveries The test showing that all recovered bullet fragments came from Oswald s rifle was mistaken Several fragments could have come from bullets of any manufacturer and any caliber The sudden two inch forward movement of the president s head in the Zapruder film just before his head explodes is revealed to be an optical illusion caused by the movement of Zapruder s camera This leaves without further challenge clear evidence that this shot came from a specific location to the right front of the limousine Detailed analysis of film frames matched by the newly validated acoustic evidence show a second shot struck the president s head from behind less than a second later Result two killing shots to the head from opposite directions in the final second of the shooting hence the book s title At once a historical detective story and a deeply personal narrative by a major figure in the field Last Second in Dallas captures the drama and sweep of events detailing government missteps and political bias as well as the junk science hubris and controversy that have dogged the investigation from the beginning Into this account Thompson weaves his own eventful journey that of a Yale educated scholar who in 1976 resigned his tenured professorship in philosophy to become a private investigator in San Francisco developing a national reputation Profusely illustrated Last Second in Dallas features dozens of
