journalists John Reed Edgar Snow and Herbert L Matthews whose electric testimony from the frontlines of each revolution would make a decisive contribution to how these revolutions were understood in the wider world Here in Simon Hall s masterful retelling these six remarkable journeys are brought vividly to life Featuring a stellar cast extraordinary drama and an epic sweep Three Revolutions raises fundamental questions about the nature of political power the limits of idealism and the role of the journalist questions that remain of utmost urgency today **Six Red Months in Russia. An Observer's Account of Russia Before and During the Proletarian Dictatorship ... Illustrated** Louise BRYANT (Writer on Russia.),1919 *American Girls in Red Russia* Julia L. Mickenberg,2017-04-25 If you were an independent adventurous liberated American woman in the 1920s or 1930s where might you have sought escape from the constraints and compromises of bourgeois living Paris and the Left Bank quickly come to mind But would you have ever thought of Russia and the wilds of Siberia This choice was not as unusual as it seems now As Julia L Mickenberg uncovers in *American Girls in Red Russia* there is a forgotten counterpoint to the story of the Lost Generation beginning in the late nineteenth century Russian revolutionary ideology attracted many women including suffragists reformers educators journalists and artists as well as curious travelers Some were famous like Isadora Duncan or Lillian Hellman some were committed radicals though more were just intrigued by the Soviet experiment But all came to Russia in search of social arrangements that would be more equitable just and satisfying And most in the end were disillusioned some by the mundane realities others by horrifying truths Mickenberg reveals the complex motives that drew American women to Russia as they sought models for a revolutionary new era in which women would be not merely independent of men but also equal builders of a new society Soviet women after all earned the right to vote in 1917 and they also had abortion rights property rights the right to divorce maternity benefits and state supported childcare Even women from Soviet national minorities many recently unveiled became public figures as African American and Jewish women noted Yet as Mickenberg s collective biography shows Russia turned out to be as much a grim commune as a utopia of freedom replete with economic social and sexual inequities *American Girls in Red Russia* recounts the experiences of women who saved starving children from the Russian famine worked on rural communes in Siberia wrote for Moscow or New York newspapers or performed on Soviet stages Mickenberg finally tells these forgotten stories full of hope and grave disappointments Red War on the Family Erica J Ryan,2015 In the 1920s cultural and political reactions to the Red Scare in America contributed to a marked shift in the way Americans thought about sexuality womanhood manhood and family life The Russian Revolution prompted anxious Americans sensing a threat to social order to position heterosexuality monogamy and the family as a bulwark against radicalism In her probing and engaging book *Red War on the Family* Erica Ryan traces the roots of sexual modernism and the history of antiradicalism and antifeminism She illuminates how Americans responded to foreign and domestic threats and expressed nationalism by strengthening traditional gender and family roles especially by imposing them on immigrant groups workers women and

young people Ryan argues that the environment of political conformity in the 1920s was maintained in part through the quest for cultural and social conformity exemplified by white middle class family life Red War on the Family charts the ways Americanism both reinforced and was reinforced by these sexual and gender norms in the decades after World War I

Soviet Russia ,1920 **The Publishers Weekly** ,1918 **Spies and Commissars** Robert Service,2012-05-08 The early years of Bolshevik rule were marked by dynamic interaction between Russia and the West These years of civil war in Russia were years when the West strove to understand the new communist regime while also seeking to undermine it Meanwhile the Bolsheviks tried to spread their revolution across Europe at the same time they were seeking trade agreements that might revive their collapsing economy This book tells the story of these complex interactions in detail revealing that revolutionary Russia was shaped not only by Lenin and Trotsky but by an extraordinary miscellany of people spies and commissars certainly but also diplomats reporters and dissidents as well as intellectuals opportunistic businessmen and casual travelers This is the story of these characters everyone from the ineffectual but perfectly positioned Somerset Maugham to vain writers and revolutionary sympathizers whose love affairs were as dangerous as their politics Through this sharply observed exposé of conflicting loyalties we get a very vivid sense of how diverse the shades of Western and Eastern political opinion were during these years *Bulletin of the Public Library of the City of Boston ...* Boston Public Library,1919

Six Red Months In Russia Introduction

In today's digital age, the availability of Six Red Months In Russia books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Six Red Months In Russia books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Six Red Months In Russia books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Six Red Months In Russia versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Six Red Months In Russia books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Six Red Months In Russia books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Six Red Months In Russia books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain

books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Six Red Months In Russia books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Six Red Months In Russia books and manuals for download and embark on your journey of knowledge?
