Skeletons From The Closet:

Skeletons in the Closet Anne Blaisdell, 1982 The Making of the Modern Body Catherine Gallagher, Thomas Laqueur, 1987-02-06 Scholars have only recently discovered that the human body itself has a history Not only has it been perceived interpreted and represented differently in different epochs but it has also been lived differently brought into being within widely dissimilar material cultures subjected to various technologies and means of control and incorporated into different rhythms of production and consumption pleasure and pain The eight articles in this volume support supplement and explore the significance of these insights They belong to a new historical endeavor that derives partly from the crossing of historical with anthropological investigations partly from social historians deepening interest in culture partly from the thematization of the body in modern philosophy especially phenomenology and partly from the emphasis on gender sexuality and women s history that large numbers of feminist scholars have brought to all disciplines *Billy Bones: Tales from the Secrets Closet* Christopher Lincoln, 2010-07-01 Deep within High Manners Manor Billy and his skeleton parents live in the Secrets Closet where they re in charge of filing all the secrets and lies of the unscrupulous Biglum family Then Billy meets Millicent Sir Biglum s niece who has been recently orphaned Together Billy and Millicent encounter ghosts and other uncanny creatures as they explore each other s worlds and uncover the biggest secret of all Billy was once a Biglum Chris Lincoln has created a richly imaginative highly original world In this spooky adventure in the tradition of filmmaker Tim Burton friendships bloom betrayals linger schemes entangle and heroism appears in the most unexpected places
