history of the architect's life a look at the sketch in this context the connection to a specific building where appropriate techniques of the sketch style and media meaning what the sketch shows about the architect's thinking and intentions followed by a select bibliography for each section *The Architectural Drawings of Alvar Aalto, 1917-1939: Paimio Tuberculosis Sanatorium, City of Turku 700th Anniversary Exhibition, standard furniture, and other buildings and projects, 1929-1930* Alvar Aalto, 1994 First published in 1994 Routledge is an imprint of Taylor Francis an informa company **The Ten Most Influential Buildings in History** Simon Unwin, 2016-07-07 Even the most inventive and revolutionary architects of today owe debts to the past often to the distant past when architecture really was being invented for the first time Architects depend on their own imaginations for personal insights and originality but their ideas may be stimulated consciously or subliminally by particularly powerful buildings from history **The Ten Most Influential Buildings in History** Architecture's Archetypes identifies ten architectural archetypes that have been sources of inspiration for architects through the centuries Each archetype is analysed through distinctive examples following the methodology established by the author in his previous books The variety of lines of enquiry each archetype has provoked in latter day architects are then explored by analysing their work to reveal ideas inspired by those earlier buildings Archetypes have a timeless relevance In adopting this approach **The Ten Most Influential Buildings in History** is as pertinent to contemporary practice as it is to understanding buildings from antiquity and offers insights into the bridges of influence that can operate between the two
