Snapshots from a Love Affair Norman Abelson, 2000-08 **Snapshots** Michal Govrin, 2007 One of Israel's most celebrated writers presents an ambitious and heartbreaking novel that examines through one woman's life the Jewish story and the state of Israel in the most intimate way possible *Snapshots* Brian Waddington, 2010-12-29 *Snapshots* is a contemporary crime novel about Nick Hartford who is seeking revenge against the company he blames for the accident in which his parents died. Set mainly around the Yorkshire Dales in Hawes and Settle, his journey uncovers a trail of ruthless business intrigue, insider market dealing and contract murders. The wives of several top businessmen die in what appear to be in each separate case unfortunate accidents. The bereaved husbands then go on to marry beautiful women from former Soviet bloc countries in celebrated society weddings. The only common denominator between them is that each of the wives independently knows the ruthless and ambitious Russian businessman Viktor Luzhkov. Nick Hartford and his girlfriend George Sanderson investigate the accidents of each of the businessmen's former wives and uncover sinister motives and lots more murders. The novel moves on at a pace with lots of unexpected twists and turns interspersed by lots of Yorkshire humour.

Predicting Age specific Events with Snapshots Saket Shah, 2025-09-24 Time has always been the most elusive element in astrology. Predictions often tell what will happen but rarely when. I have often seen seekers ask 'Yes but at what age will this occur?' It is this missing link, this timestamp of destiny that inspired this book. In the ancient Jyotisha tradition, planets were not only seen as forces of character and karma but also as keepers of time. Each planet carries with it certain ripening ages when its lessons, blessings or trials manifest. Mars bursts open in the twenties with passion and conflict. Saturn ripens later, teaching responsibility in the thirties. Rahu waits until the forties to show his hand of destiny. These ages are not random; they are the cosmic checkpoints where the soul meets its karmic curriculum. This book is an attempt to decode those checkpoints into snapshot predictions, simple and sharp, so that with one look at a chart you can see not just the life theme but the age at which it will unfold. You will notice that each planet, depending on its house and sign, stamps different events at fixed ages. A Moon in the 7th may bring love at 24, while Saturn in the 7th may delay commitment until 36. A Jupiter in the 9th may open the door to a mentor at 18, while Ketu in the 9th may bring doubt at 24 but wisdom at 48. These are not vague possibilities; they are time-marked imprints. Why is this important? Because when you know the timestamp, you can prepare, align and act. You don't wait helplessly for life to surprise you; you meet the event with readiness, awareness and grace. I have written this book for both astrologers and seekers, for those who study the stars and for those who live under them. Each page gives you a time-stamped key. Taken together, they become a life map where destiny is not a mystery but a rhythm unfolding step by step. May this work help you see not just your chart but your timeline. And may you discover that the real secret of astrology is not only in knowing the future but in recognizing the divine timing that guides us all. Note: I have given in this book 75 case studies for understanding.
