Snow Quiet:

How Come? in the Neighborhood Kathy Wollard, 2007-01-01 Provides answers to kids questions about stuff that happens at home in the backyard at school and on vacation Rebecca Smith Orleane, Ph.D., Cullen Baird Smith, 2010 The authors transcribe their communications via radio waves with the Laarkmaa a group of Pleiadians who bring messages of hope love and peace to humanity **The Lost Art of Silence** Sarah Anderson, 2023-12-05 A unique celebration of silence in art literature nature and spirituality and an exploration of its ability to bring inner peace widen our perspectives and inspire the human spirit in spite of the noise of contemporary life Silence is habitually overlooked after all throughout our lives it has to compete with the cacophony of the outside world and our near constant interior dialogue that judges analyzes compares and questions But if we can get past this barrage there lies a quiet place that s well worth discovering The Lost Art of Silence encourages us to embrace this pursuit and allow the warm light of silence to glow Invoking the wisdom of many of the greatest writers thinkers contemplatives historians musicians and artists Sarah Anderson reveals the sublime nature of quiet that s all too often undervalued Throughout she shares her own penetrating insights into the potential for silence to transform us This celebration of silence invites us to widen our perspective and shows its power to inspire the human spirit in spite of the distracting noise of contemporary life On the Temperature of Insects, and Its Connexion with the Functions of Respiration and Circulation in this Class of Invertebrated Animals Newport, 1837 *Philosophical Transactions of the Royal Society of London* , 1837 **Bradstreet's** , 1914 Silence and Silences Wallis Wilde-Menozzi, 2025-09-23 A meditation on the infinite search for meanings in silence from Wallis Wilde Menozzi the author of *The Other Side of the Tiber* and *Mother Tongue* We need quiet to feel nothing to hear silence that brings back proportion and the beauty of not knowing except for the outlines of what we live every day Something inner settles The right to silence unmediated by social judgment Sitting at a table in an empty kitchen peeling an apple I wait for its next transformation For a few seconds the red mottled dangling skin unwinds what happened to it on earth Wallis Wilde Menozzi set out to touch silence for brief experiences of what is real In images dreams and actions the challenge leads to her heart as a writer The pages of *Silence and Silences* form a vast tapestry of meanings shaped by many forces outside personal circumstance Moving closer the reader notices intricacies that shift when touched As the writer steps aside there is cosmic joy biological truth historical injustice The reader finds women s voices and women s silences sees Agnes Martin s thin fine lines and D H Lawrence s artful letters and becomes a part of Wilde Menozzi s examination of the ever changing self COVID 19 thrusts itself into the unbounded narrative and isolation brings with it a new kind of stillness As Wilde Menozzi writes Reading a book is a way of withdrawing into silence It is a way of seeing and listening of pulling back from what is happening at that very moment The author has created a record of how we tell ourselves stories how we think and how we know Above all she has made silence a presence as rich as time on the page and given readers space to discover what that means to a life *The Highlander's Secret Bride* Steven

Buchanan,2025-09-22 In the shadowed glens of medieval Scotland loyalty and love collide Laird Alastair MacGregor has already given his heart and his vows in a secret handfasting to Isla a healer of common birth But when the crown demands a public betrothal to Lady Catriona of Clan Campbell duty and politics threaten to tear their hidden marriage apart Bound by love yet divided by secrecy Alastair and Isla must navigate a world of whispered alliances royal summons and clan betrayals Each stolen glance and hidden token carries the weight of their future and the survival of their people As courtly schemes tighten around them the young laird must choose protect his clan with a strategic match or risk everything by claiming the woman he truly loves With richly drawn Highland landscapes dangerous secrets and a forbidden passion that defies kings The Highlander s Secret Bride is a sweeping tale of romance sacrifice and the timeless struggle between duty and desire Perfect for fans of Highland historical romance strong heroines and forbidden love stories this novel will captivate readers who love the tension of hidden vows and the fire of a love worth fighting for *Beyond Autism* Helena

Hjalmarsson,2019-06-11 A Passionate Memoir about Life with a Teenage Daughter with Severe Autism Following the Progress of Acclaimed Book Finding Lina Like her passionate first book Finding Lina about her daughter with severe autism Helena Hjalmarsson brings an intensity of purpose and love to her second memoir about Lina Beyond Autism Lina s world is one of excruciating challenges Helena s world is the same but with her own insights indomitable spirit and amazing clarity she sheds light and hope for other parents siblings and caretakers of children with autism as well as the children with autism themselves She unflinchingly examines the paradoxical nature of autism the never ending mystery of who our children are and how they got here in the middle of this unfathomable hurricane of leaky guts inflammation yeast autoimmune disorders seizures sensory breakdown loss of words physical freedom sleep friends normal life as we are used to refer to it Beyond Autism is one of an increasing number of you are not alone literary statements from parents of children with autism forwarded to the people whose lives similarly often blocks the view of the larger community Beyond Autism is intended to be a meeting place of sorts A smile of recognition A reason for a little dark joke amongst parents What Helena recognizes is that whenever Lina is not in mayhem she is in heaven In those times she seems so free of the burdens of a past and a future so deeply present and accepting of the moment Whenever she is not suffering it seems to me that she is at that enlightened awakened place that most people struggle for a whole life time to catch a glimpse of It s that glimpse that Helene explores and shares for all those who want too to catch and gain insight into the lives of those with autism and those who love them

When We Were Pioneers Robert N. Ruesch,2023-02-09 Life can offer opportunities at the most unusual times even with a simple request to drive a car and your life is changed forever Which then leads to a career with the YMCA of the Rockies The question arises how do you create a family vacation and conference center out of land that was once homesteaded You need to construct not only the roads but install all the infrastructure build the buildings and market the property to successfully pay for everything A daunting challenge but when God calls you answer This is the story of a college student asked to drive a YMCA of the Rockies board member to a homestead that was for sale and witness the decision to create Snow Mountain Ranch YMCA and eventually working there for over a decade during the formative years Snow Mountain turned fifty in 2019 This is the story about the early years the challenges the excitement and the opportunity of a lifetime

Undertones of War Edmund Blunden,2015 Edmund Blunden 1896 1974 was one of the youngest of the war poets enlisting straight from school to find himself in some of the Western Front s most notorious hot spots His prose memoir written in a rich allusive vein full of anecdote and human interest is unique for its quiet authority and for the potency of its dream like narrative Once we accept the archaic conventions and catch the tone which can be by turns horrifying or hilarious Undertones of War gradually reveals itself as a masterpiece It is clear why it has remained in print since it first appeared in 1928 This new edition not only offers the original unrevised version of the prose narrative written at white heat when Blunden was teaching in Japan and had no access to his notes but provides a great deal of supplementary material never before gathered together Blunden s Preliminary expresses the lifelong compulsion he felt to go over the ground again and for half a century he prepared new prefaces added annotations All those prefaces and a wide selection of his commentaries are included here marginalia from friends first editions remarks in letters extracts from later essays and a substantial part of his war diary John Greening has provided a scholarly introduction discussing the bibliographical and historical background and brings his poet s eye to a much expanded and more representative selection of Blunden s war poetry For the first time we can see the poet Blunden as the major figure he was Blunden had always hoped for a properly illustrated edition of the work and kept a folder full of possible pictures The editor with the Blunden family s help has selected some of the best of them to include in this new edition Jacket

Expressing Silence Natsuko Tsujimura,2022-03-03 In Expressing Silence Where Language and Culture

Meet in Japanese Natsuko Tsujimura discusses how silence is conceptualized and linguistically represented in Japanese Languages differ widely in the specific linguistic and rhetorical modes through which vivid depictions of silence are achieved In Japanese sounds in nature evoke silence and onomatopoeia plays an important role in simulating silent scenes These linguistic mechanisms mediate the perception of the symbiotic relationship between sound and silence a perception deeply embedded in the Japanese cultural experience Expressing Silence brings the tools of both linguistic and cultural analysis in examining the remarkably rich array of representations of silence in Japanese language and culture finding that depictions of silence through language cannot be understood without exploring what sound or silence mean to the speakers

The Book Tree Elizabeth McCallum,Jane Scott,2008 Literary habits naturally give way to literary affections Once upon a time a carpenter entered a forest and happened upon a wolf wearing a feathered cap Quick whose side are you on If you don't know we suggest reading a hearty round of fairytales Stories provide a roadmap for life This is because stories are life But oftentimes it's easiest to understand where we are when we can look through other eyes from the perspective of someone else living somewhere else somewhen else For those beginning to read for the first time or those beginning to read again The Book Tree will drop golden apples in your lap until you can climb high enough to pick for yourself
