

# SO FAR FROM GOD

THE U.S. WAR WITH  
MEXICO 1846-1848

JOHN S.D. EISENHOWER

"The story of this 'dirty little war' is splendidly narrated by General John Eisenhower..."

— *Washington Post*

# So Far From God The Us War With Mexico 1846 1848

**DP Hallahan**

## **So Far From God The Us War With Mexico 1846 1848:**

So Far from God John S. D. Eisenhower, 2000 The Mexican American War of the 1840s precipitated by border disputes and the U S annexation of Texas ended with the military occupation of Mexico City by General Winfield Scott In the subsequent treaty the United States gained territory that would become California Nevada New Mexico Arizona Utah and parts of Wyoming and Colorado In this highly readable account John S D Eisenhower provides a comprehensive survey of this frequently overlooked war So Far from God John S. D. Eisenhower, 1999-09 *So Far from God* John S. D.

Eisenhower, 1993 **Mexicans in the Making of America** Neil Foley, 2014-10-06 America has always been a composite of racially blended peoples never a purely white Anglo Protestant nation The Mexican American historian Neil Foley offers a sweeping view of the evolution of Mexican America from a colonial outpost on Mexico s northern frontier to a twenty first century people integral to the nation they have helped build *The Encyclopedia of the Mexican-American War* Spencer C. Tucker, 2012-10-09 This user friendly encyclopedia comprises a wide array of accessible yet detailed entries that address the military social political cultural and economic aspects of the Mexican American War The Encyclopedia of the Mexican American War A Political Social and Military History provides an in depth examination of not only the military conflict itself but also the impact of the war on both nations and how this conflict was the first waged by Americans on foreign soil and served to establish critical U S military political and foreign policy precedents The entries analyze the Mexican American War from both the American and Mexican perspectives in equal measure In addition to discussing the various campaigns battles weapons systems and other aspects of military history the three volume work also contextualizes the conflict within its social cultural political and economic milieu and places the Mexican American War into its proper historical and historiographical contexts by covering the eras both before and after the war This information is particularly critical for students of American history because the conflict fomented sectional conflict in the United States which resulted in the U S Civil War Violence, Coercion, and State-Making in Twentieth-Century Mexico Wil G. Pansters, 2012-05-30 Mexico is currently undergoing a crisis of violence and insecurity that poses serious threats to democratic transition and rule of law This is the first book to put these developments in the context of post revolutionary state making in Mexico and to show that violence in Mexico is not the result of state failure but of state making While most accounts of politics and the state in recent decades have emphasized processes of transition institutional conflict resolution and neo liberal reform this volume lays out the increasingly important role of violence and coercion by a range of state and non state armed actors Moreover by going beyond the immediate concerns of contemporary Mexico this volume pushes us to rethink longterm processes of state making and recast influential interpretations of the so called golden years of PRI rule Violence Coercion and State Making in Twentieth Century Mexico demonstrates that received wisdom has long prevented the concerted and systematic study of violence and coercion in state making not only during the last decades but throughout the post revolutionary period The Mexican state was built much

more on violence and coercion than has been acknowledged until now      **Mexico at War** David F. Marley, 2014-08-11 A comprehensive overview of Mexico's military history from 1810 to the present day including rare facts and information not found online Mexico's past is riddled with stories of struggle military battles internal rebellions revolutions and drug wars This in depth reference provides a complete military history of that country since its War of Independence in 1810 through the present day From the evolution of combat in the region to the motivations and tensions behind recurrent conflicts to the dubious beginnings of drug gangs and warlords this is the only book of its kind to explore Mexican warfare in such great depth This detailed study consists of an alphabetical compilation of roughly 300 entries dealing with different facets of hostile encounters throughout the country's history In addition to covering key places and people regional expert and author David F Marley offers unique insights into more obscure topics such as the 1913 aerial bombardments at the port of Guaymas visits from American luminaries colorful Mexican military slang and the songs that identify various political factions The work includes a host of important historical documents a glossary and an extensive bibliography to encourage further research on the subject      **Dissenting Voices in America's Rise to Power** David Mayers, 2007-02-15 This book offers a major rereading of US foreign policy from Thomas Jefferson's purchase of Louisiana expanse to the Korean War This period of one hundred and fifty years saw the expansion of the United States from fragile republic to transcontinental giant David Mayers explores the dissenting voices which accompanied this dramatic ascent focusing on dissenters within the political and military establishment and on the recurrent patterns of dissent that have transcended particular policies and crises The most stubborn of these sprang from anxiety over the material and political costs of empire while other strands of dissent have been rooted in ideas of exigent justice realpolitik and moral duties existing beyond borders Such dissent is evident again in the contemporary world when the US occupies the position of preeminent global power Professor Mayers's study reminds us that America's path to power was not as straightforward as it might now seem      **An Immigrant Soldier in the Mexican War** Frederick Zeh, 1995 Frederick Zeh a young German immigrant had hardly arrived in the United States when he was caught up in the war fever that swept his new homeland He joined the Mountain Howitzer and Rocket Company of the U S Army His impressions of the siege of Veracruz the long march to Mexico City the bloody battles that occurred along the route and the occupation of the capital provide a vivid and unusual account of the Mexican War from an enlisted man's point of view Although Zeh held the lowly rank of laborer in the army he was well educated and an astute observer and his story is both lively and well written Besides the horror of battles he tells about relations between officers and enlisted men military punishment and the day to day life of the soldiers Numerous anecdotes and personal stories enliven his narrative He is unusually candid about abuses that occurred in the American army and toward Mexican civilians His is also the first book length account written by a German American participant a significant contribution given that nearly half the regular army was made up of immigrant recruits      Confederate General R.S. Ewell Paul D. Casdorff, 2004 Casdorff describes Ewell's

life and career with insights into his loyalty to the Confederate cause and the Virginia ties that kept him in Lee's favor for much of the war. Complete with descriptions of key battles, Ewell's biography is essential reading for Civil War historians.

**Jacket A Companion to Mexican History and Culture** William H. Beezley, 2011-03-16 A Companion to Mexican History and Culture features 40 essays contributed by international scholars that incorporate ethnic, gender, environmental, and cultural studies to reveal a richer portrait of the Mexican experience from the earliest peoples to the present. Features the latest scholarship on Mexican history and culture by an array of international scholars. Essays are separated into sections on the four major chronological eras. Discusses recent historical interpretations with critical historiographical sources and is enriched by cultural analysis, ethnic and gender studies, and visual evidence. The first volume to incorporate a discussion of popular music in political analysis. This book is the recipient of the 2013 Michael C. Meyer Special Recognition Award from the Rocky Mountain Conference on Latin American Studies.

**A Short History of U.S. Interventions in Latin America and the Caribbean** Alan McPherson, 2016-03-21 A Short History of U.S. Interventions in Latin America and the Caribbean presents a concise account of the full sweep of U.S. military invasions and interventions in Central America, South America, and the Caribbean from 1800 up to the present day. Engages in debates about the economic, military, political, and cultural motives that shaped U.S. interventions in Cuba, Nicaragua, Puerto Rico, Haiti, the Dominican Republic, Panama, Guatemala, Mexico, and elsewhere. Deals with incidents that range from the taking of Florida to the Mexican War, the War of 1898, the Veracruz incident of 1914, the Bay of Pigs, and the 1989 invasion of Panama. Features also the responses of Latin American countries to U.S. involvement. Features unique coverage of 19th-century interventions as well as 20th-century incidents and includes a series of helpful maps and illustrations.

**U.S. Leadership in Wartime** Spencer C. Tucker, 2009-09-10 A historical study of the relationship between civilian and military leaders in the United States during wartime from the American Revolution to the Iraq War. Now from one of the world's leading publishers of military history comes a breakthrough reference on one of the most important and complex aspects of U.S. national defense: U.S. Leadership in Wartime. Clashes, Controversy, and Compromise offers a comprehensive analysis of the characteristics that constitute effective leadership in war and discusses the often contentious relationships between U.S. civilian and military leadership throughout American history. U.S. Leadership in Wartime focuses on ten conflicts including the Revolutionary War, the Civil War, World Wars I and II, the Vietnam War, the Iraq War, and the war in Afghanistan. Coverage for each conflict focuses on the dynamics of civilian-military relations and their impact on the course, outcome, and perception of each war under discussion. Coverage in each chapter includes an overview essay, sidebars, and detailed treatments of key engagements and battles, as well as detailed biographical essays of important figures, not just politicians and generals but also labor leaders, business leaders, journalists, and women.

*Understanding U.S. Military Conflicts through Primary Sources* James R. Arnold, Roberta Wiener, 2015-11-12 An easily accessible resource that showcases the links between using documented primary sources and gaining a more nuanced

understanding of military history Primary source analysis is a valuable tool that teaches students how historians utilize documents and interpret evidence from the past This four volume reference traces key decisions in U S military history from the Revolutionary War through the 21st century conflicts in Afghanistan and Iraq by examining documents relating to military strategy and national policy judgments by U S military and political leaders A comprehensive introductory essay provides readers with the context necessary to understand the relationship between diplomatic documents military correspondence and other documentation related to events that shaped warfare diplomacy and military strategy Once the stage is set the work covers 14 conflicts that are significant to U S history Treatment of each of the conflicts begins with a historical overview followed by a chronology and approximately 30 primary source documents presented in chronological order Each document is accompanied by a description and annotations and by an analysis that highlights its importance to the event or topic under discussion Designed for secondary school and college students the work will be exceptionally valuable to teachers who will appreciate the ready made lessons that fit directly into core curriculum standards **Zachary Taylor** John S. D. Eisenhower, 2008-05-27 A profile of the twelfth president traces his rise in the military and successes in the Mexican War to his election as the first president without a prior political office in an account that also offers insight into Taylor s views on slavery and his sudden death **U. S. -Mexican War, Updated Edition** Bronwyn Mills, 2009 Praise for the previous edition Well selected black and white maps and reproductions of old photographs add to the readers understandings Journal of Reading Controversial and unpopular the U S Mexican War divided t Americans at War James R. Arnold, 2018-05-18 This unprecedented compilation of eyewitness accounts records the thoughts and emotions of American soldiers spanning nearly 250 years of national history from the American Revolution to the Afghanistan War Understanding primary sources is essential to understanding warfare This outstanding collection provides a diverse set of eyewitness accounts of Americans in combat throughout U S history Offering riveting true stories it includes accounts from participants in the American Revolution the War of 1812 the Indian Wars the Mexican American War the Civil War the Spanish American War and Philippine Insurrection World War I World War II the Korean War the Vietnam War The Persian Gulf War the Afghanistan War and the Iraq War Most eyewitness accounts of war currently available to the public are those of writers who enjoy higher military rank Americans at War addresses this imbalance between officers accounts and enlisted men s accounts by invoking oral history archives Contextual essays and timelines allow the reader to place the accounts in time and place while the entries themselves allow the reader to experience the thoughts and emotions of Americans who engaged in combat The World of Antebellum America Alexandra Kindell, 2018-09-20 This set provides insight into the lives of ordinary Americans free and enslaved in farms and cities in the North and the South who lived during the years of 1815 to 1860 Throughout the Antebellum Era resonated the theme of change migration urban growth the economy and the growing divide between North and South all led to great changes to which Americans had to respond By gathering the

important aspects of antebellum Americans lives into an encyclopedia The World of Antebellum America provides readers with the opportunity to understand how people across America lived and worked what politics meant to them and how they shaped or were shaped by economics Entries on simple topics such as bread and biscuits explore workers need for calories the role of agriculture and gendered divisions of labor while entries on more complex topics such as aging and death disclose Americans feelings about life itself Collectively the entries pull the reader into the lives of ordinary Americans while section introductions tie together the entries and provide an overarching narrative that primes readers to understand key concepts about antebellum America before delving into Americans lives in detail      **Encyclopedia of U.S. - Latin American**

**Relations** Thomas Leonard, Jurgen Buchenau, Kyle Longley, Graeme Mount, 2012-01-31 No previous work has covered the web of important players places and events that have shaped the history of the United States relations with its neighbors to the south From the Monroe Doctrine through today s tensions with Latin America s new leftist governments this history is rich in case studies of diplomatic economic and military cooperation and contentiousness Encyclopedia of U S Latin American Relations is a comprehensive three volume A to Z reference featuring more than 800 entries detailing the political economic and military interconnections between the United States and the countries of Latin America including Mexico and the nations in Central America the Caribbean and South America Entries cover Each country and its relationship with the United States Key politicians diplomats and revolutionaries in each country Wars conflicts and other events Policies and treaties Organizations central to the political and diplomatic history of the western hemisphere Key topics covered include Coups and terrorist organizations U S military interventions in the Caribbean Mexican American War The Cold War communism and dictators The war on drugs in Latin America Panama Canal Embargo on Cuba Pan Americanism and Inter American conferences The role of commodities like coffee bananas copper and oil Big Stick and Good Neighbor policies Impact of religion in U S Latin American relations Neoliberal economic development model U S Presidents from John Quincy Adams to Barack Obama Latin American leaders from Simon Bolivar to Hugo Chavez With expansive coverage of more than 200 years of important and fascinating events this new work will serve as an important addition to the collections of academic public and school libraries serving students and researchers interested in U S history and diplomacy Latin American studies international relations and current events      A Gallant Little Army Timothy D. Johnson, 2007 The first book length study of one of America s greatest military campaigns and triumphs led by Winfield Scott one of America s greatest generals Shines a spotlight on the campaign that became a significant proving ground for West Point educated officers and a formative combat school for many of the Civil War s most prominent generals
