So Many Tomorrows:

There Are Only So Many Tomorrows Jay Gubula, 2013-02-01 Two men in 1980s Pietermaritzburg are drawn to the same woman Abby quickly becoming each other's nemesis in a political climate where resistance of any kind often invited executions factional clashes clandestine activity treachery and entrapment Abby unwittingly becomes the object of a dangerous obsession as the archenemies not content with displacing the other in her affections play to ensure the other's annihilation none foreseeing the theatre their deadly encounter would be staged culminating in a clash that potentially destabilizes the entire region and for one of them leaves a lasting legacy of shattered hopes broken dreams a life destroyed

Whispers of Love Thomas Watson, 2009-08 Seeking to find and know you as the same Whisperer I knew at the beginning of my years We hear those whispers We who have lost Beginning with the hopeful Easter Story and ending with an emotional Sensing You author and poet Thomas Watson releases those silent whispers that rest on our souls memories of times wounded and lost as well as times of joy and love Myriad whispers of God's love are portrayed in each verse as Watson creatively expresses the story of Creation our love for one another and God's present grace With transparency and a focus on clarity you will read of all aspects of the human condition and the traces of joy and sorrow they leave on our soul Open your heart and allow your mind to wander far enough from the sights and sounds of our chaotic world to feel and hear the Whispers of Love

I'd Like To Be The Morning Sun Anthony Taylor, 2012-08-13 Anthony Taylor's poems and songs offer a range of topics and emotions as varied as life itself from the warm hearted humour of The Hugging Song and the playful but touching romanticism of I'd Like To Be The Morning Sun to the despairing voices of Russian Roulette and Commuter's Lament from the tenderness of Dream Of Me Tonight to the indictments of war in First Moustache and Gorillas Hearing Gunfire from celebrations of natural beauty in Winter Sun Over Aberystwyth and Samothrace to the grief of The Daffodils Outside My Mother's Window and Skeleton House from the joyful assurance of Sailboats In The Sky to the ominous note sounded in Dead Hedgehog from the contentment of Canals to the sad solitariness of Alone Eighty and Missing In between the verse takes in such diverse subjects as music summers and sand commuting snow rugby busking faith cruelty to animals and world conflict and peace Through all there shines a love of and concern for life and living things

There's a Person in Here James Patrick, 2015-01-12 Begun in 1989 following the untimely death of his parents and culminating in 2012 following the loss of his eldest son the author continuously documented and captured his emotions or lack of them around the events of his everyday life This collection shares those records and more including boyhood memories and his thoughts on relationships parenthood colon cancer life loss recovery reconciliation and reparation It is a perfect companion for those dealing with any of the same issues While the raw honesty is challenging at times THERES A PERSON IN HERE is a quick insightful read that stays with you and is well worth the emotional investment if you are willing to relate one man's very personal struggle toward enlightenment to your own

The American Flint ,1928 **Anthology** Lacie A.C. Smith,2024-05-31 This is an inner child screaming for help the only way she knew how Anthology of an Adopted Name is a collection of deeply personal rhyming poems written during and reflecting back on a childhood full of long term domestic physical emotional mental and verbal abuse Lacie grew up knowing that she had been given up for adoption but without the safety and support of the family that had adopted her to fall back on Their abuse grew worse when they had a child of their own blood Lacie was left to figure life out on her own with constant negativity on her shoulders The put downs the let downs and the empty broken promises battered her With no other outlets to help alleviate her inner turmoil Lacie turned to writing poetry In that art form she found solace and escape Years later as an adult Lacie returned to those poems Collected here the poems in this collection are an exploration of how we interact with grow past and heal from trauma

Foundations of Futures Studies Wendell Bell,2017-07-28 Futures studies is a new field of inquiry involving systematic and explicit thinking about alternative futures Wendell Bell s two volume work *Foundations of Futures Studies* is widely acknowledged as the fundamental work on the subject In Volume 2 Bell goes beyond possible and probable futures to the study of preferable futures He shows that concern with ethics morality and human values follows directly from the futurist purposes of discovering or inventing examining and proposing desirable

futures He examines moral judgments as an inescapable aspect of all decision making and conscious action even in the everyday lives of ordinary people Now available in paperback with a new preface from the author Volume 2 of Foundations of Futures Studies moves beyond cultural relativism to critical evaluation Bell compares depictions of the good society by utopian writers describes objective methods of moral judgment assesses religion and law as sources of what is morally right documents the existence of universal human values and shows that if human beings are to thrive in the global society of the future some human values must be changed

Whose Crisis, Whose Future? Susan George, 2013-09-04 Crisis Whose crisis Today we are in the midst of a multifaceted crisis which touches the lives of everyone on the planet Whether it's growing poverty and inequality or shrinking access to food and water the collapse of global financial markets or the dire effects of climate change every aspect of this crisis can be traced to a transnational neoliberal elite that has steadily eroded our rights and stripped us of power And yet our world has never been so wealthy and we have right now all the knowledge tools and skills we need to build a greener fairer richer world Such a breakthrough is not some far fetched utopia but an immediate concrete possibility Our future is in our hands

Political Violence in America Lori Cox Han, Tomislav Han, 2022-03-29 This multivolume encyclopedia surveys America's long and troubled history of political violence from the colonial era to the present with a particular emphasis on factors driving political violence and intimidation in the United States in the 21st century Americans like to think of their nation as one grounded in high minded democratic ideals and peaceful transitions of power In reality though American politics has been heavily laced with expressions of violence and intimidation since the nation's very inception which saw a campaign of violent rebellion against British rule Since then

America has endured the deaths of four presidents from assassination a four year civil war racist attacks on civil rights activists and ordinary citizens deadly clashes between protesting citizens and law enforcement sustained campaigns of violence against marginalized populations seeking greater political or economic equality politically motivated mass shootings and on January 6 2021 the shocking spectacle of a politically motivated mob attack on the U S Capitol How and why did these events transpire What were the root causes What factors are driving political violence and intimidation in America today And are there changes that we could make to our country s political discourse that would reduce such outbreaks of bloodshed

This authoritative multivolume encyclopedia provides answers to all these questions and more **People of the City** Marshall Ryan Maresca,2020-10-27 The third and final novel in the Maradaine Elite series blends fast paced high fantasy and political intrigue bringing together the threads of the interconnected Maradaine novels Corruption and conspiracy have infected the city of Maradaine from the top levels of power to the very depths beneath the city Dayne Heldrin and Jerinne Fendall elite warriors of the Tarian Order have no idea how close they truly are to the center of the city s dark secrets But when they learn that children are going missing they know they must investigate further no matter the cost They are soon joined by others each with their own reasons for seeking the children Veranix Calbert the vigilante known as the Thorn thinks his enemies are responsible for the missing children Inspectors Minox Welling and Satrine Rainey fear the disappearing children are tied to corruption in the city Constabulary Asti and Verci Rynax hope to protect the kids from their streets one of whom barely escaped the kidnappers And a mysterious young cloistress seeks to lead each of them deeper down into the depths of enigmas beneath the city to the dark unholy cult known as the Brotherhood and the horrors that are growing within it The only hope Maradaine might have against the impending darkness is if these champions can work together to protect all the people of the city

God Now C. Fred Alford,2019-11-07 In these short accessible essays Alford writes about the personal Why I Pray as well as the political Simone Weil and Donald Trump He makes some difficult theologians such as Karl Barth and S ren Kierkegaard accessible while not hesitating to criticize them Alford argues the genius of Christianity is in God making himself vulnerable so as to know what it is to be human otherwise God stands at a terrible distance from humanity From this perspective Christianity is about the teachings of Christ and God s willingness to suffer The resurrection so central to most Christians becomes less important Myriad religious thinkers are considered including Albert Camus Thomas Merton Reinhold Niebuhr Rudolf Bultmann and Paul Tillich among others including Simone Weil Also addressed is the relationship between religion and psychology as well as the status of natural law Notable is the author s attitude which combines respect for great thinkers and a willingness to call them out as wrong confused or misguided Unafraid of atheism Alford thinks many of the so called new atheists judge religion as though it were a science a confusion of categories Once a philosopher of science he knows the scope and limits of scientific explanation better than most **The Best Presidential Writing** Craig Fehrman,2020-10-20 A sweeping and groundbreaking treasury of the most

essential presidential writings featuring a mix of the beloved and the little known from stirring speeches and shrewd remarks to behind the scenes drafts and unpublished autobiographies From the early years of our nation's history when George Washington wrote his humble yet powerful Farewell Address to our current age when Barack Obama delivered his moving speech on the fiftieth anniversary of the Selma to Montgomery marches America's presidents have upheld a tradition of exceptional writing Now for the first time the greatest presidential writings in history are united in one monumental treasury the very best campaign orations early autobiographies presidential speeches postpresidential reflections and much more In these pages we see not only the words that shaped our nation like Abraham Lincoln's Emancipation Proclamation and Franklin D Roosevelt's Infamy speech but also the words of young politicians claiming their place in our history including excerpts from Woodrow Wilson's Congressional Government and Obama's career making convention speech and the words of mature leaders reflecting on their legacies including John Adams's autobiography and Harry S Truman's Memoirs We even see hidden sides of the presidents that the public rarely glimpses noted outdoorsman Teddy Roosevelt's great passion for literature or sunny Ronald Reagan's piercing childhood memories of escorting home his alcoholic father Encompassing notable favorites like Lincoln's Gettysburg Address and John F Kennedy's Inaugural Address as well as lesser known texts like Thomas Jefferson's Notes on the State of Virginia and James Polk's candid White House diary The Best Presidential Writing showcases America's presidents as thinkers citizens and leaders More than simply a curation of must read presidential writings this unique collection presents the story of America itself told by its highest leaders Even the most famous speeches find new meanings or fresh connections when read in this sweeping context making The Best Presidential Writing a trove full of insight and an essential historical document

Your Legacy of Love Gemini Adams, 2009-06 Grief expert Gemini Adams wrote this Mom's Choice Gold Award Winning book *Your Legacy of Love* Realize the Gift in Goodbye to help others understand that writing a Will simply isn't enough After losing her Mom to cancer Gemini quickly discovered that an inheritance of money and material possessions doesn't give surviving family the ongoing support or continued connection they desire Wondering if her need for a more loving legacy was shared she started an online survey asking What would you prefer if one of your parents died to inherit their wealth or a letter saying how much they loved you Over 90% expressed a wish for the loving letter In this heartfelt and inspirational book Gemini explains that our real wealth lies not in our Financial Assets but our Emotional Assets the stories lessons values wisdom image voice laughter and love that makes us who we are And how this purposeful activity is not as some might expect a morbid task but one that can bring incredible insight peace of mind and healing especially for those dealing with aging parents a terminal illness or loss By capturing and sharing our Emotional Assets in a Legacy of Love we can leave our children partners and grandchildren a precious parting gift a timeless memento that will surely be treasured forever Readers will also discover how to Write loving letters to gift as future surprises Encourage grief recovery for surviving family Provide them with ongoing emotional support Minimize effects of grief and
