

# So Much I Want to Tell You

From Internet sensation Anna Akana comes a candid and poignant collection of essays about love, loss, and chasing adulthood.

In 2007, Anna Akana lost her teen sister, Kristina, to suicide. In the months that followed, she realized that the one thing helping her process her grief and begin to heal was comedy. So she began making YouTube videos as a form of creative expression and as a way to connect with others. Ten years later, Anna has more than a million subscribers who watch her smart, honest vlogs on her YouTube channel. Her most popular videos, including "How to Put On Your Face" and "Why Girls Should Ask Guys Out," are comical and provocative, but they all share a deeper message: Your worth is determined by you and you alone. You must learn to love yourself.

In *So Much I Want to Tell You*, Anna opens up about her own struggles with poor self-esteem and reveals both the highs and lows of coming-of-age. She offers fresh, funny, hard-won advice for young women on everything from self-care to money to sex, and she is refreshingly straightforward about the realities of dating, female friendship, and the hustle required to make your dreams come true. This is Anna's story, but, as she says, it belongs just as much to Kristina and to every other girl who must learn that growing up can be hard to do. Witty and real, Anna breaks things down in a way only a big sister can.

## Advance praise for *So Much I Want to Tell You*

"This book is filled with the kind of honesty, vulnerability, and determination that makes Anna such a captivating person. One warning: You'll want to hug her a lot while reading this."—Natalie Tran, actress and comedian

"As a woman working in entertainment, Anna Akana is accustomed to feeling vulnerable. Which means that she's used to being brave. This book is a tribute to the duality of bravery and fear as told through Anna's experiences to date."—Hannah Hart, *New York Times* bestselling author of *Buffering: Unshared Tales of a Life Fully Loaded*

### **So Much To Tell You Introduction**

In today's digital age, the availability of So Much To Tell You books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of So Much To Tell You books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of So Much To Tell You books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing So Much To Tell You versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, So Much To Tell You books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing So Much To Tell You books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for So Much To Tell You books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works

and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, So Much To Tell You books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of So Much To Tell You books and manuals for download and embark on your journey of knowledge?
