Turfe,2016-11-09 When we think about something we need we usually cannot overcome that thought until the perceived need is satisfied For example if we need food or water our minds constantly think about how hungry or thirsty we are until we have something to eat or quench our thirst Similarly one who understands how much he or she is in need of God will constantly think about God When we have faith and the desire to receive Gods grace and mercy we will turn to the remembrance of Him In Remember Me and I Will Remember You Dhikr The Soul of Islam author Tallal Alie Turfe a champion for religious tolerance underscores the importance of remembrance and how we can better use it to improve our health and lifestyle He sheds light on the concept of remembrance and its importance as a reminder of our gratitude to the Creator The Arabic term for remembrance is dhikr which inspires us to do good but it also heals energizes and transforms our lives When engaging in dhikr we feel more forgiving and enthusiastic Dhikr is the adhesive that binds the mind and heart together It serves as a key link in the dynamic between praising God and receiving blessings from Him Remember Me and I Will Remember You Dhikr The Soul of Islam will help you understand and use dhikr to achieve a better relationship with God and the world around us
