*So You Have Glaucoma* Everett R. Veirs, 1958      *Glaucoma in the New Millennium* Jonathan D. Nussdorf, 2003 The 50th annual symposium of the New Orleans Academy of Ophthalmology was held from April 6th 8th 2001 This was the Academy's ninth meeting devoted to glaucoma and consisted of formal lectures round table discussions and workshop presentations The New Orleans Academy of Ophthalmology maintains a strong tradition of providing the ophthalmologist with a venue for learning from exceptional mentors and innovative leaders Inspection of the list of Academy meetings pertaining to glaucoma will highlight the fact that we have been privileged to have outstanding contributors and notable repeat performers Appendix 1 The first symposium of this Academy was held in 1952 and with its focus on glaucoma the contributors were Sir Stewart Duke Elder Paul A Chandler MD and Peter C Kronfeld MD The first three lectures from that 1952 meeting were presented by Sir Stewart Duke Elder and are published for the first time from a copy of the original transcript in this collection of papers I think you will find his discussion of simple and congestive glaucoma enlightening and instructive The Program Committee chairpersons Claude F Burgoyne MD and Katherine Loftfield MD were instrumental in putting together a strong assembly of contributors and a well balanced meeting Special acknowledgment for their hard work in organizing this symposium goes to committee members Rameish Ayyala MD Annemarie Etienne MD Kenneth Haik MD Jill B Koury MD and Daniel A Long MD and to executive secretaries Emily Busby and Amber Howell For his dedicated and thoughtful leadership much appreciation is given to the president of the New Orleans Academy of Ophthalmology 2000 2002 George S Ellis Jr MD and to the board of directors The Academy acknowledges its sponsors for providing unrestricted financial support which helped to defer the expense of this medical education meeting and subsequent publication Special thanks go to Peter Bakker at Kugler Publications for his guidance and wisdom as well as his unending support for the task of publishing this glaucoma specialty symposium The contributors to this symposium on glaucoma are outstanding They provided chapters covering a wide range of issues that confront the general ophthalmologist as well as the glaucoma specialist Due to an unfortunate circumstance Chris A Johnson PhD was unable to attend the meeting however he was gracious enough to provide his written contribution which is included in this compilation of papers You will find that the lectures round table discussions and workshop sessions are filled with pearls of wisdom that will help guide you toward a modern common sense approach in addressing the special needs of your glaucoma patients Jonathan D Nussdorf MD Ochsner Clinic Foundation New Orleans Louisiana USA      **The Shape of Glaucoma** Hans G.
