*Love and Ideology in the Afternoon* Russell E. Mumford, 1995-08-22 Why do I like soap operas Laura Stempel Mumford asks and her answer emerges in a feminist analysis of soap opera that participates in current debates about popular culture television and ideology She argues that the conventional daytime soap has an implicit and at times explicit political agenda that cooperates in the teaching of male dominance and the related oppressions of racism classism and heterosexism so that they seem inevitable All My Children General Hospital Another World One Life to Live Days of Our Lives The Young and the Restless a close reading of their texts will also answer some larger questions about television and its place in the broad landscape of popular culture

partake in the wisdom of the past which continues to illuminate the complexities and joys of the maternal bond *From the Inside Out* Royden Loewen, 1999-10-12 Historian Royden Loewen has brought together selections from diaries kept by 21 Mennonites in Canada between 1863 and 1929 some translated from German for the first time By skillfully comparing and contrasting a wide cross section of lives Loewen shows how these diaries often turn the hidden contours of household and community inside out The writers featured were ordinary rural people young women and grandmothers rural preachers and landless householders They include a teenaged boy who immigrated from Russia to Manitoba in 1875 as well as a successful merchant a traveling evangelist and a devout conservative church elder An elderly grandfather recounted the daily circuit of his children's homes while 19 year old Marie Schoeder wrote of her literary aspirations her secret hope that some day she would write things that have a real worth things that are worth printing and things that other folks would love to read and pay for *From the Inside Out* also contrasts diaries from two distinct Mennonite communities in Canada The Swiss American Mennonites in Waterloo County Ontario faced rapid urbanization while the Dutch Russian Mennonites in southern Manitoba maintained their more rural environment The diaries mirror their writers preoccupations with work and weather but they also reveal a community's social structure and round of activities such as weddings funerals and worship services In the process of diary keeping the writers sought to make sense of a dynamic and often unpredictable world Reading what they chose to record is to learn much about their culture Their writings provide glimpses of their lives their collective mindset and their history as a people **Living with Television** Ira Oscar Glick, Sidney Jay Levy, Researched study exploring in detail what part television plays in our lives

*Your Day, Your Way* Timothy Caulfield, 2020-12-01 Part pop science part self help *Your Day Your Way* is a friendly funny fact based guide to changing how you make decisions in order to live a better maybe even your best life We make and worry about a thousand big and little decisions during our waking hours And for most of us these decisions are made after a lot of hemming and hawing based on concerns or beliefs about our world that well simply aren't true These misperceptions impact day to day decisions and stress us out unnecessarily and we all have enough stress as it is Tim Caulfield seeks to provide the antidote to this analysis paralysis teaching readers through sound science and silly stories that reevaluating their decision making processes can lead to lives that are both more fulfilling and more exciting *Your Day Your Way* unfolds like a typical day from the first buzz of the alarm clock all the way to bedtime As the clock moves forward Caulfield tackles topics associated with that particular time of day and addresses them through science informed responses about health offering readers a way to cut through the noise and have healthier and happier lives in the age of anxiety Caulfield highlights what science says we should be worried about and how we can de stress and live a healthy lifestyle Rather than burying you in the facts or listing out a bunch of specific things you should or should not be doing Caulfield uses wit humor and a wide variety of examples to encourage readers to reevaluate how they make all of those decisions so that they can live in a way that truly works for them *Atkinson's Evening Post, and Philadelphia Saturday*
