player parent and coach at the junior league and junior high school level *Youth Soccer Drills, 3E* Garland, Jim, 2014-04-16 Youth Soccer Drills Third Edition presents 100 drills and games for developing skills in dribbling passing collecting heading and shooting All are easy to follow with clear descriptions and kid friendly field diagrams making them easy for coaches to teach and players to understand Sample practice plans variations and coaching tips are included The Soccer Games and Drills Compendium Fabian Seeger, 2017-03-06 Meyer Meyer Premium the next level of instructional sports literature with high quality full color books The Soccer Games and Drills Compendium is a comprehensive compilation of 350 realistic drills and games that facilitate high quality design and quick implementation of modern soccer training The many drills are divided into technical tactical and fitness based focus areas Individual focus areas cover basic training content such as passing dribbling shots on goal feints juggling and 1 on 1 situations followed by focus areas with differentiated and advanced content such as transitioning and reacting chaos and action game start variations active defense tournaments and topics on tactical training In addition this book includes exercises for soccer specific speed training athletic and endurance training indoor training goalkeeper training and team building In this compendium you will find a wide variety of soccer specific training exercises and the graphics and practice oriented design make it an optimal resource for taking effective training content and implementing it on the field The many variations included with the drills and games make this compilation ideal for training players at all performance levels and age groups *A Pocket Guide to Soccer Drills and Games* Bob Moss, 1987 *Rondo Soccer Drills* Chest Dugger, 2021-06-12 Have you wondered how Pep Guardiola s teams have dominated European leagues for the last two decades Not only is the answer simple it s something that you can use to take your game and your team s game leagues above your opposition The key to Pep s success at Barcelona and Manchester City is the Rondo Rondos have transformed modern football Not only have Rondos helped Pep dominate European football they ve helped turn the Spanish national team into the best in the world The system behind Rondos was the beating heart of the brilliant Barcelona teams which dominated Europe for a decade from 2005 They made soccer even more exciting to watch improving players technical ability and creating a proper total football in the European sense game Their approach was reminiscent of the fantastic Ajax team of the 1970s and the great Dutch teams of that era They led to the excitement of the high press and the thrilling soccer which follows when the press is defeated They proved the benefit of technique over physical prowess So what is this miracle of the training pitch which has so transformed the game of soccer The beauty of the rondo is its simplicity It is a drill where the objective is to retain possession As rondo drills become more complex this aim might develop It might be about keeping possession in transition or maintaining possession to create a goal scoring opportunity However at its heart is the objective of one side keeping hold of the ball A second key element of a rondo is that the sides are uneven One team has extra players It can take a form as exaggerated as 10 v 1 or as close as 5 v 4 However the point is that some pressure is applied but not so much as to make the drill difficult to perfect Thus confidence grows and in turn touch and vision A rondo is usually a drill

that takes place in a limited space typically a circle square or rectangular grid Thus first and second touches are perfected because there is not much time to take many touches Finally and crucially rondos are drills that are fast and fun They involve lots of touches for the players in possession and a real sense of achievement on the rare occasions that the smaller side actually wins back the ball So simple Yet so effective This coaching book celebrates the rondo and offers drills tactics and coaching techniques to help soccer players at any level from the unbounded enthusiasm of Under 6s to the worldly view of veteran teams From the pub side who turn out on a Sunday morning cooked breakfast weighing heavily on their hangover infused stomachs to the champion youth team of the region We can all improve as coaches and players The rondo is the system that enables progress to happen more quickly and efficiently than any other soccer coaching strategy Even if you haven't heard of Rondos before you'll gain a lot from this book Order Now
