Leisure, Voluntary Action and Social Change in Britain, 1880-1939 Robert Snape, 2018-04-05 In the final decades of the nineteenth century modernizing interpretations of leisure became of interest to social policy makers and cultural critics producing a discourse of leisure and voluntarism that flourished until the Second World War The free time of British citizens was increasingly seen as a sphere of social citizenship and community building Through major social thinkers including William Morris Thomas Hill Green Bernard Bosanquet and John Hobson leisure and voluntarism were theorized in terms of the good society In post First World War social reconstruction these writers remained influential as leisure became a field of social service directed towards a new society and working through voluntary association in civic societies settlements new estate community centres village halls and church based communities This volume documents the parallel cultural shift from charitable philanthropy to social service and from rational recreation to leisure teasing out intellectual influences which included social idealism liberalism and socialism Leisure Robert Snape claims has been a central and under recognized organizing force in British communities Leisure Voluntary Action and Social Change in Britain 1880 1939 marks a much needed addition to the historiography of leisure and an antidote to the widely misunderstood implications of leisure to social policy today

Rapid Rural Transformation Through Voluntary Action Syed Noman Ahmad, 1997 The crucial importance of rapid rural transformation has been gaining ground since independence of our country In the face of many approaches that are conceived and tried the desired degree of success has eluded us The NGO sector is being increasingly involved in the development tasks presupposing their capability as a viable alternative approach and an apolitical agency of change The present effort has tried to focus this aspect based on empirical research and reaches the conclusion that a well organized and experienced NGO sector can be viable

Continuity and Change in Voluntary Action Rose Lindsey, John Mohan, 2018-05-30 There are great expectations of voluntary action in contemporary Britain but limited in depth insight into the level distribution and understanding of what constitutes voluntary activity Drawing on extensive survey data and written accounts of citizen engagement this book charts change and continuity in voluntary activity since 1981 How voluntary action has been defined and measured is considered alongside individuals accounts of their participation and engagement in volunteering over their lifecourses Addressing fundamental questions such as whether the public are cynical about or receptive to calls for greater voluntary action the book considers whether respective government expectations of volunteering can really be fulfilled Is

Preparing Leaders of Nonprofit Organizations William A Brown, Matthew Hale, 2022-07-14 There are more than 18 million nonprofits in the United States and at least 3 times that many internationally. Workers in these nonprofits and civil society organizations increasingly look to academic programs to provide leadership and management training. This edited volume is designed to provide new and experienced faculty and program administrators with a broader conception of how the nonprofit leaders of the future are and could be educated. The chapters are written by experienced nonprofit program leaders who provide guidance on all aspects of building and more importantly maintaining a successful nonprofit program. Many of the chapters are written by former leaders of the nonprofit Academic Centers Council NACC a recognized international leader in nonprofit management curricular development while others are written by successful founders and administrators of nonprofit programs both in the US and internationally. All chapters are however grounded in the experience of the authors supplemented with research on best practices and focusing on future trends in the field. *Preparing Leaders of nonprofit Organizations* examines key issues and challenges in the field from multiple perspectives some of which are curricular and intellectual while others are related to program administration and oversight. The text explores core concepts distills distinctive features of new or emerging academic programs and identifies ways program leadership might ensure those features are reflected in their programs regardless of where these are housed within a university. The book is an essential resource for faculty and administrators who work with or are seeking to develop a nonprofit education program. It is also a useful guide for graduate students seeking a career in the nonprofit academy.

Urban Infrastructure and Governance G Ramesh, Vishnu Prasad Nagadevara, Gopal Naik, Anil Suraj, 2020-11-29 The book contains a selection of papers on urban governance in its multiple perspectives. It has evolved from the presentations made at the Third International Conference on Public Policy and Management held in 2008. The topics are grouped into several themes: Urban Plan and Governance, Urban Governance through Partnership and Participation, and Financing Urban Infrastructure. With several examples from developing nations, the book dwells into the practical and managerial aspects of urban planning, partnerships, participation, financial mobilization, and effective governance. One of the highlights of the book is that it looks at financial mobilization as a strategy for governance and how the financial system in itself can be an instrument of governance.

Two Paths, One Purpose : Voluntary Action in Ireland, North and South Nicholas Acheson, 2004 **100 Years of NCVO and Voluntary Action** Justin Davis Smith, 2019-05-14 This book explores the rich history of voluntary action in the United Kingdom over the past 100 years through the lens of the National Council for Voluntary Organisations (NCVO) which celebrates its centenary in 2019. From its establishment at the end of the First World War through the creation of the Welfare State in the middle of the

twentieth century to New Labour and the Big Society at the beginning of this century NCVO has been at the forefront of major developments within society and the voluntary movement The book examines its many successes including its role in establishing high profile charities such as Age Concern the Youth Hostels Association and National Association of Citizens Advice Bureaux It charts the development of closer relations with the state resulting in growing awareness of the value of voluntary action increased funding and beneficial changes to public policy tax and charity law But it also explores the criticisms NCVO has faced in particular that by pursuing a partnership agenda and championing professionalisation it has contributed to an erosion of the movement s independence and distinctiveness
