**Binge TV** Emil Steiner, 2023-03-20 For the first 70 years of television broadcasters dictated the terms of the viewing experience deciding not only when but how much of a program an audience could watch Binge watching destroyed that model by placing control of the experience in the hands of the viewer In this book media scholar Emil Steiner chronicles the technological and cultural struggle between broadcasters and viewers which reached a climax in the early 2010s with the emergence of streaming video platforms Through extensive interviews and archival research this groundbreaking project traces the history of binge watching from its idiot box roots to the new normal of Peak TV Along the way Steiner exposes the news campaigns waged by disruptive technology companies that exploited a long simmering revolutionary narrative of viewer empowerment to take over the broadcast industry Binge watching an individual's act of gaining control and losing control through the remote control exposed a debate that had been raging since the first TV set was turned on one that asks Who controls the story  
*Checking Out* Katherine Doggrell, 2020-01-23 Is it time for traditional hotels to check out As one of the world's most established industries the hotel sector has remained relatively unchanged and unchallenged for decades Yet traditional hotels have recently come under increasing pressure on two major fronts from disruptors in the sharing economy such as Airbnb and by a rising wave of modern consumers who have become re-educated by social media and hotel comparison websites Can this traditionally slow moving sector reinvent itself or will it become increasingly marginalized Is it time for traditional hotels to check out Increasing numbers of hoteliers believe that traditional hotels are on the brink of a resurgence in popularity Global hotel chains are catching up to modern trends adding technologized curation and personalisation to their offerings In *Checking Out* Katherine Doggrell interviews key figures in the hotel industry and draws upon various case studies to explore the ways in which this traditionalist industry can remain relevant in the 21st century The hotel experience has been redefined as guests now value fast Wi-Fi and mobile check-ins over room service and mini fridges *Checking Out* is an engaging investigation into the unprecedented challenges that face

the hotel sector in the digital era and the strategies that are being employed by its leaders and innovators

**Popcorn Cleans Up** Muhammad Fayed, 2005-10 Fear and greed play into life in both negative and positive ways They are also the reason for this book I have written about the fear and greed I faced in trying to bring my discovery to light What follows is an account of events that resulted in the decision to write this book When I made my surprising discovery that popcorn can remove trace contaminants from water and air I was overwhelmed I was discreet when speaking with my trusted colleagues who were senior professors and administrators at my home university We all thought it would be a good idea to arrange a meeting with the president of the school In the fall of 1996 we saw this discovery as an opportunity for the university to develop a research program to explore new frontiers on popcorn's ability to clean water and air Meanwhile the college could raise funds to support research work based on my discovery For many reasons not least of which popcorn is perhaps the most famous American snack my colleagues and I thought the discovery would generate interest from environmental and industrial communities as well as from the public The invention turned out to be a novel discovery After years of research work and help from individuals and small companies I had enough data to apply for United States and Canadian patents During these years I contacted a few popcorn processing companies in the USA and Canada to interest them in this discovery The outcome was one of enthusiastic reinforcement These companies conducted tests that validated this genuine discovery At a meeting with senior officers from one of these companies I was asked how is it that we who are in the popcorn business did not make this discovery and you did My answer was simply I was inspired As time went by I was granted two US patents based on my breakthrough in addition to a few patent pending applications Over the last number of years I have come to feel that the David and Goliath story was becoming my own This struggle is one shared by many independent individual inventors with limited financial resources when their inventions are disclosed to big corporations Once revealed the great danger becomes infringement which requires large financial resources and a great amount of time to fight The big corporations know it and can afford the resources required to endure litigation My family and I discussed the merits of continuing negotiations with interested companies or making my discovery public My joy of publishing this book are thrice First by placing this knowledge in the public domain I hope to preempt any malicious corporate efforts to develop this work Second I hope to generate interest by those who would work with me to develop and exploit this breakthrough for the good of our environment Finally I wish for my readers to remember the potential health and environmental benefits of popcorn even when it is enjoyed in its popular

form as America's favorite snack It is my personal hope that this book will encourage environmental and health conscious researchers to look deeper into new frontiers and wonders of the great American snack Popcorn *FUNdraising* Frank Sennett, 2008 Focuses on fundraising the easy way I definitely recommend that every school facing financial difficulties or just wanting to add to their school resources purchase this book Joen Painter Education Consultant A wonderful resource The author covers all aspects of effective fundraising provides practical advice and identifies precautions that should be taken to make fundraising successful This book makes fundraising beneficial for schools and adds a level of enjoyment to the planning implementation and positive results Gerard A Dery Director Zone 1 National Association of Elementary School Principals Even for school administrators who have been involved in many fundraisers over the years there is always a need for fresh ideas and new approaches Having a resource such as this book for a PTO to review could lead to new synergy around a reinvigorated fundraiser Bonnie Tryon Principal Golding Elementary School Cobleskill NY Creative new approaches and clever twists on classic fundraising events The author presents an abundance of creative and cost effective fundraising strategies designed to engage the community and bring in significant dollars Offering real life examples of administrators teachers parents students and local supporters who have pulled off popular and lucrative fundraisers in schools across the country this book Provides savvy organizing tips Offers guidance on ethical issues Gives advice for avoiding fundraising mishaps Contains lists of potential outside partners and sponsors Includes resources about online fundraising and grantwriting If you want to host events that raise spirits along with money and if you want to look back at your school's revenue raising efforts with pride rather than relief that they're over then this may be the book you've been waiting for

**Quill & Quire**, 2004 *Michael Jackson the Solo Years* Craig Halstead, Chris Cadman, 2003 The main focus of this book is on Michael's career from the late 1970s onwards It features a complete chronological listing of every album one off single and collaboration Michael recorded during this period Throughout the book albums are printed in CAPITALS to distinguish them from singles and other songs Each entry features American and UK catalog numbers and release dates artist credits as per the actual release album track listings and chart positions achieved in the States Hot 100 and R B charts the UK and numerous other countries Other significant aspects of Michael's life are included as well and the book concludes with a comprehensive chartography USA and UK top singles and albums awards movies and videography discographies USA and UK and a fascinating listing of rarities from around the world *SPIN*, 1990-12 From the concert stage to the dressing room from the recording studio to the digital realm SPIN surveys the modern musical landscape and the culture around it with authoritative reporting provocative interviews and a discerning critical ear With dynamic photography bold graphic design and informed irreverence the pages of SPIN pulsate with the energy of today's most innovative sounds Whether covering what's new or what's next SPIN is your monthly VIP pass to all that rocks *The Caravan Revisited* Annie Lancaster, 2015-12-21 Two years have passed since Annie closed the last page of her journal *The Caravan of Love* In The

Caravan Revisited her journal continues But what became of that family living on the edge of madness Did they turn their back on The Emerald Isle and go back to Newcastle after all There s only one way to find out Put the kettle on stoke the fire and take some time out to peep inside the pages of Annie s Journal where you ll find the answers to your questions Wherever they did end up be assured it s a laugh a minute in Annie and Tom s house Not There s a brand new business venture on the horizon followed closely by a worldwide recession a multitude of mounting bills and debts a few more nervous breakdowns two Antarctic winters and we mustn t forget the terrorists But don t feel too downhearted Annie doesn t She s a fighter a survivor with a dream of becoming a great writer one day Will she ever save up enough change in that bottle to enrol on a writing course There are some new additions to the family and loved ones aren t the only people to come and stay There are also some visitors from the other side Read The Caravan Revisited and find yourself transported into the often deranged mind of Annie who shares the good the bad and the hilarious aspects of her daily life Oh and I forget to mention there s even a new caravan
