 devotional use Meet the Puritans is that rare kind of reference book that invites you to actually read it If you re serious about  
 reading the Puritans or simply looking for a clear starting point this is the place to begin **The Works of Thomas  
 Goodwin** Thomas Goodwin,1861 **A Quest for Godliness** James Innell Packer,1994 Surveys the teachings and beliefs of  
 the Puritans and calls today s Christians to follow their example of spiritual maturity **The Works of President Edwards.  
 Edited by E. Williams and E. Parsons. With memoirs of his life by S. Hopkins** Jonathan Edwards,1844 The Rise of  
 the Covenant of Redemption in the Theology of Samuel Rutherford Sam Bostock,2025-05-29 The Church of Scotland divine  
 Samuel Rutherford 1600 61 was among the first theologians to say that Christ s saving work took place to fulfill an  
 agreement between God and Christ that had been made in eternity By placing Rutherford s major statements of this new  
 doctrine in their various social political polemical and pastoral contexts this book provides a fresh explanation for the  
 dramatic rise of the eternal covenant of redemption to become the cornerstone of Reformed federal theology and offers a  
 case study in the development of doctrine **The Wesleyan-Methodist Magazine** ,1848 Salvation by Faith Hyonam  
 Kim,2019-10-07 The doctrines of covenant faith and the order of salvation are crucial components of early modern Reformed  
 soteriology In seventeenth century England these three major doctrines of Reformed theology which had been taken over  
 undeveloped from the Reformers took a mature shape but aroused controversies among diverse Protestant groups Modern  
 historical scholarship on Reformed orthodoxy has produced little significant research that deals with these doctrines  
 synthetically This examination explores the broader role of faith in relation to these two significant doctrines for salvation in  
 the early modern Reformed theology with specific reference to the thought of Thomas Goodwin To this end Hyo Nam Kim  
 examines Goodwin s life to review his religious experience and to understand his socio theological context Goodwin s  
 soteriology was sharpened by his battles on two fronts The first is the threat of Arminian Neonomian and Socinian  
 soteriologies that tended to place meritorious value on faith and on human acts The second is the Antinomian errors that  
 undervalued faith and human responsibility Goodwin regarded faith as a key concept for his soteriology Faith plays a central  
 role in the covenant theology not only because a lack of faith was the immediate cause of breaking the covenant of works but  
 because saving faith was ordained in the covenant of redemption and actually functions in the covenant of grace as the  
 instrument and a condition for the recovery of the relationship of mankind with God Examination of Goodwin s ordo salutis  
 provides specific insight into the place and function of faith in the covenant of grace since each element of an ordo salutis  
 refers to the blessings prepared for the elect to be finally saved Together with the role of faith in Goodwin s covenant  
 theology therefore the reconstruction of Goodwin s ordo salutis and the close examination of the role of faith in each blessing

confirm that although faith may be said to be both an instrument and a condition for salvation faith is the perfect instrument both for making salvation totally God's gracious work and for showing that the elect are not passive objects in the covenant
