Gordon,2013-11-19 Do you desire to know the truth There are a lot of misconceptions about the Bible Lies are often passed down from generation to generation manipulating the word of God The only way to really and truly gain a full understanding of the Bible is by intensely studying it with great aspiration Some may be fine with not knowing the complete truth or pretending to be a sold out Christian and not honestly knowing what Gods word says about many issues faced on a daily basis Individuals may be fine displaying that tag that reads Jesus is my co pilot on the front of their car In all reality Jesus is the pilot he operates the vehicle that drives us though life Most of us are driving underage and need some parental guidance God is our father and wants to keep us on the right path by nurturing us with his unique and supernatural word The Bible Jesus gives us the freedom to run to him or away from him Hidden Truths challenges you to consider the truth and what it entails Leighton directly approaches the truth in a daring way that reveals Jesus love for you and causes you to re evaluate your relationship with Jesus Leighton urges you to redevelop principles that you have been practicing the wrong way The only right way to do things is by following Gods holy word Edgar Cayce's Tales of Ancient Egypt John Van Auken,2011-09 John Van Auken combines the collection of Egyptian past lives found in the Cayce readings with Egyptian legends that appear in papyruses on temple walls and in pyramid texts for a complete picture that reveals the full story of priestesses healers female pharaohs and gods among humans This book includes more than 80 illustrations with Cayce s insights into the pyramids ancient flight the Hall of Records the Great Initiate and the seven stages of soul growth Toward a Deeper Meditation Edgar Cayce,John Van Auken,2007-04 Fundamental concepts Sanctuary Sabbath the intermission Paradise and heaven The trinity and oneness Mind is the builder Mind matter and spirit Classical points of view Yoga sutra The tao the way Tibetan Buddhism Egypt s seven gates The Judeo Christian temple Gnosticism Native American visions Helpful perspectives Our souls celestial journeys We are more than we imagine Our electromagnetic nature Ouspensky s dimension Spirit speaks to the seven centers Heavenly consciousness Getting guidance Importance of metaphor In the presence Helpful practices Journaling Talking with God Telepathy A diet for higher consciousness Staying on track Keep on keeping on Turn to the light Life Purpose Remain content Good meditation methods Cayce s complete method Cayce s special passage through dimensions of consciousness method **Hidden Truth** Danica Winters,2019-12-01 Wary of each other s secrets Neither knows the other is undercover Rancher Trevor Martin has as many dangerous secrets as his housekeeper Sabrina Parker She s undercover FBI investigating whether Trevor is a gunrunning terrorist She doesn t know he s CIA But living under the same roof and in close proximity becomes a liability Trust is uncertain but attraction is undeniable When they become embroiled in a series of grisly murders will their secrets cost them their lives in the end *Angelomorphic Christology* Gieschen,2018-07-17 This study demonstrates that angel and angel related traditions especially those growing from the so called Angel of the Lord in the Hebrew Bible had a significant impact on the origins and early development of Christology to the point that an Angelomorphic Christology is discernable in several first century texts Significant effort is given to tracing

the antecedents of this Christology in the angels and divine hypostases of the Hebrew Bible and Second Temple Jewish literature The primary content of this volume is the presentation of pre 150 CE textual evidence of Angelomorphic Christology This religio historical study does not spawn a new Christology among the many scholarly Christologies already extant Instead it shows the interrelationship of various Christological trajectories and their adaptation from Jewish angelomorphic traditions
