*St. Therese of Lisieux Spouse and Victim* Cliff Ermatinger,2011-11-09 On Christmas Eve 1886 a young girl Threse Martin received special grace Although it was the littleness of the Christ Child that reached out to this girl and taught her to give up the defects of childhood the grace was by no means small Her long bout with scruples and empty fears was not completely over yet in her own words since that night I have never been defeated in any combat but rather walked from victory to victory Such was her experience of God s mercy that she decided then and there to give her life to the mission of converting sinners This book by Cliff Ermatinger presents us with deep theological insights into the meaning of the seemingly simple life and journey of St Threse of Lisieux This little book treats of a love story that began on January 4 1873 the day of Therese s baptism On that day God began to court the soul of this little girl who would remain just that a little girl She would also learn to correspond with her baptismal grace thus maturing into a strong willed woman and ultimately into the faithful bride of her divine Spouse Her formal relationship with Christ and her new insertion into his life began fittingly on Christmas Also fittingly her relationship with him on earth ended on Calvary Tracing St Threse of Lisieux s life we discover that she begins with the life of grace going from

child of God to child in the Son She then advances to a theological existence from theological existence to union and from union to its culmination in espousals with Christ the ordinary terminus of the spiritual life to which everyone is called Having arrived at such union with the divine Spouse Thérèse was next inducted into the victimhood of Christ The author then examines the relation between the type of victimhood St Thérèse experienced and the type of sin she was expiating atheism **Walking the Little Way of Therese of Lisieux** Brother Joseph Schmidt, 2012-09-01 From her early years Thérèse of Lisieux desired to be a saint so the primary focus of her life was to walk the path of love what she called the science of love But she often asked herself if her love was pure and authentic With sensitivity and insight author Joseph Schmidt shows us how Thérèse discovered certain qualities of the heart that told her that she was indeed walking the path of authentic love These qualities inner freedom creativity compassion willingness self surrender or abandonment and gratefulness opened her heart to a new depth of God's life in and through her Eventually they played a very practical role in Thérèse's ordinary day to day life relationships and they can in our own as well As he did in his earlier book on Thérèse Everything Is Grace Joseph Schmidt breaks new ground in his latest book and offers tremendous food for thought and reflection on the spirituality of this great saint *St Thérèse of Lisieux* Christopher O'Mahony, 1975 **The Prayers of Saint Therese of Lisieux: The Act of Oblation** St. Therese of Lisieux, 2013-09-19 Translated by Aletheia Kane OCD Complete collection of Thérèse's independent prayers translated from the critical edition with 9 pages of photos For me wrote Thérèse of Lisieux toward the end of her life prayer is an aspiration of the heart it is a simple glance directed to heaven it is a cry of gratitude and love in the midst of trial as well as joy finally it is something great supernatural which expands my soul and unites me to Jesus Besides the countless spontaneous prayers found throughout her autobiography letters poetry and plays St Thérèse left behind 21 additional independent prayers from every period of her life here collected for the first time In this book we find prayers to the Infant Jesus and the Holy Face prayers to Mary and the saints prayers composed in joy and sorrow prayers written for her novices and missionary brothers All of them reflect the Saint's passionate love of God which she wished to share with friends near and far The highlight of this volume is the first critical text of Thérèse's famous Offering to Merciful Love fully annotated Ample background materials explain the setting and significance of each prayer Scholars will find here essential new information for the study of the Saint's doctrine general readers will find this book an indispensable resource for learning to pray as Thérèse did It is prayer it is sacrifice which give me all my strength these are the invincible weapons Jesus has given me They can touch souls much better than words [A Thousand Years of Faith in Russia](#) Pimen (Patriarch of Moscow and All Russia), Alceste Santini, 1988
