

The image shows a traditional Yoruba shrine, likely a 'bábá' or 'mú' (spirit house). It is a small, rectangular structure with a steeply pitched, thatched roof made of dried palm fronds. The walls are constructed from woven palm leaves or similar natural materials. In the center of the front wall is a small, arched opening. Inside this opening is a carved wooden figure, possibly a deity or ancestor spirit, depicted in a seated or standing pose. The shrine is situated outdoors, with green foliage and trees visible in the background. The ground in front of the shrine appears to be a dirt path or clearing. The overall scene is bathed in warm, golden light, suggesting late afternoon or early morning.

THE HEALING POWER OF SACRIFICE
