Case for Christian Theism Arlie J. Hoover, 1981-01-01 Christian Apologetics Douglas Groothuis, 2022-02-08 The Christian faith offers people hope But how can we know that Christianity is true How can Christians confidently present their beliefs in the face of doubts and competing views In this second edition of a landmark apologetics text Douglas Groothuis makes a clear and rigorous case for Christian theism addressing the most common questions and objections raised regarding Christianity **An Introduction to Christian Apologetics** Edward J. Carnell, 2007-10-01 The Edward Carnell Library An Introduction to Christian Apologetics 1948 Television Servant or Master 1950 The Theology of Reinhold Niebuhr 1951 A Philosophy of the Christian Religion 1952 A Christian Commitment 1957 The Case for Orthodox Theology 1959 The Kingdom of Love and the Pride of Life 1960 The Burden of Soren Kierkegaard 1965 The Case for Biblical Christianity 1969 These reprint editions also include Edward Carnell s Presidential Inaugural Address The Glory of a Theological Seminary presented at Fuller Seminary in 1955 This appears at the end of these books From Christian Commitment Introducing the Edward Carnell Library Nine Titles Listed Inside Rather than mounting a rational proof for God s existence the author advocates here a spiritual approach to God This calls for an exercise not only of one s rational faculties but also of the spiritual The four parts of this book originally published in 1957 treat the development and application of knowledge by moral acceptance the process of becoming acquainted with the person of God and concluding inferences and problems Edward John Carnell was in my estimation the brightest and the best of the neo evangelical leaders He was a courageous thinker who was not afraid to think new thoughts in the service of biblical orthodoxy The Carnell Library is a gift to today s evangelical movement Richard J Mouw President Fuller Seminary Carnell s fertile mind and ready pen blazed fresh theological trails as he sought to defend and proclaim the Christian faith as a world and life view David Allan Hubbard Former President of Fuller Theological Seminary In this welcome collection of Carnell books we are offered an inside view of a radical shift in American religious thinking the emergence of twentieth century evangelicalism out of Protestant fundamentalism Rudolph Nelson author of The Making and Unmaking of an Evangelical Mind The Case of Edward Carnell Edward John Carnell 1919 1967 was an ordained Baptist minister who served for three years as Associate Professor of Philosophy of Religion at Gordon Divinity School He taught apologetics at Fuller Theological Seminary from 1948 to 1967 and served there as the second president from 1954 to 1959 Defending Your Faith R. C. Sproul, 2025-06-03 Apologetic Primer Explains How Reason Supports Christianity s Claims From the classroom to mainstream media Christians regularly find their fundamental beliefs discounted by opponents who consider faith to be incompatible with reason Faith is viewed as subjective emotional and a crutch for those who find the real world too hard The late R C Sproul however claims faith reveals just how rational Christianity truly is This book surveys the history and fundamentals of apologetics to demonstrate how reason and scientific inquiry actually support Christianity s claims thus equipping believers to defend the existence of God and the Bible s authority The defense of the faith is not a

luxury or an intellectual vanity It is a task appointed by God to give reason to your eternal hope as you bear witness before the world A Logical and Biblical Defense Sets forth the basic truth claims of Christianity to show the rationality of the Christian faith Comprehensive Deals with arguments from philosophy science reason logic and history Ideal for New and Seasoned Believers Alike Helps Christians know what they believe and why they believe it Great Resource for Individual Small Group or Classroom Study

Defending and Defining the Faith D.H. Williams, 2020-05-07 In Early Christian Apologetics D H Williams offers a comprehensive presentation of Christian apologetic literature from the second to the fifth century considering each writer within the intellectual context of the day Williams argues that most apologies were not directed at a pagan readership In most cases he says ancient apologetics had a double object to instruct the Christian and to persuade weak Christians or non Christians who were sympathetic to Christian claims Traditionally scholars of apologetics have focused on the context of persecution in the pre Constantinian period By following the links in the intellectual trajectory up through the early fifth century Williams prompts deeper reflection on the process of Christian self definition in late antiquity Taken cumulatively he finds apologetic literature was in fact integral to the formation of the Christian identity in the Roman world

An Introduction to the Study of Christian Apologetics Arthur Romeyn Gray, Wilson Lloyd Bevan, 1912 *Christian Apologetics* Alister E. McGrath, 2023-11-06 Provides an accessible overview of the theory and practice of Christian apologetics written by one of the leading experts in the field Christian Apologetics is a compact yet comprehensive introduction to the theological discipline devoted to the intellectual defense of the truth of the Christian religion Assuming no previous knowledge of Christian apologetics this student friendly textbook clearly explains the major theoretical and practical aspects of the tradition while exploring its core themes historical development and current debates Using a non denominational approach world renowned Christian scholar Alister E McGrath engages the ideas of a wide range of representative apologists and explores the ways they have been applied throughout history and can still be used today Concise easy to digest chapters gradually build students knowledge and confidence moving from basic definitions and concepts to more advanced theory and practical application Throughout the text the author engages a variety of cultural concerns about religious belief illustrates the real life connection of apologetic studies and ministries in the Church and offers clear explanations and vigorous defenses of the faith that students can adopt in their own writing and speaking Introduces the art and science of explaining and commending the Christian faith Presents approaches to apologetics that emphasize the positive appeal of Christianity to the imagination and emotions Covers the major approaches to apologetics identifies their strengths and weaknesses and discusses their key representatives Helps readers in ministry and outreach defend Christianity against misunderstandings and misrepresentations Addresses the real world application of apologetics including role models good practice and established wisdom Features case studies of Christian apologists such as G K Chesterton Dorothy L Sayers and Tim Keller Includes study questions activities further reading lists full references and links

to video and audio resources developed by the author Designed to meet the needs of teachers looking for a clear and reliable introduction to the field Christian Apologetics An Introduction is an excellent textbook for undergraduate and graduate apologetics courses in colleges and seminaries as well as church courses and study groups across Christian denominations McGrath judiciously mines the best apologetics from both the past and present while helpfully analyzing the task of apologetics and giving sage advice on how Christians may more effectively engage in the apologetic task I heartily recommend this book Robert B Stewart Professor of Philosophy and Theology New Orleans Baptist Theology Seminary Alister McGrath one of Christianity's leading scholars has written an apologetics textbook in the legacy of C S Lewis which integrates multiple disciplines and new developments The result is a masterful introduction that is destined to serve the church for many years to come Joshua Chatraw The Billy Graham Chair for Evangelism and Cultural Engagement Beeson Divinity School From the first time I heard Alister McGrath lecture as an undergraduate student I was gripped His unique ability to grapple with the most challenging and complex issues and communicate with clarity and wisdom is unsurpassed in our day In Christian Apologetics An Introduction he provides a comprehensive picture of Apologetic approaches with his classic combination of winsomeness and brilliance I believe it will prove to be another classic from McGrath Dr Amy Orr Ewing Honorary Lecturer School of Divinity University of Aberdeen There has long been a desperate need for a thorough and wide ranging introduction to Christian Apologetics not least as this branch of Christian thought and theology has become increasingly active and important in recent years Alister McGrath's Christian Apologetics An Introduction fills this gap brilliantly All in all this is a much needed and incredibly important book one that McGrath given his wide experience of writing and teaching in apologetics is almost uniquely qualified to write Dr Andy Bannister Adjunct Professor of Apologetics Wycliffe College University of Toronto
