Perry Mason and Philosophy Heather L. Rivera, Robert Arp, 2020-09-08 In 1933 the crime writer Erle Stanley Gardner himself a practicing lawyer unleashed the character Perry Mason in the novel *The Case of the Velvet Claws* Perry Mason entered into public consciousness as a new conception of the role of the defense lawyer so that millions of Americans came to expect every criminal trial to have its Perry Mason moment In the 1950s the Perry Mason TV show had a phenomenal success and Mason came to be identified with Raymond Burr Now Perry Mason has again been restored to life in the HBO series starring Matthew Rhys and John Lithgow Meanwhile the eighty two original Erle Stanley Gardner novels continue to sell thousands of copies each week Perry Mason gave America a new conception of the trial lawyer as someone who was always loyal to his client and always prepared to use dirty tricks such as misdirection and withholding of evidence to protect the innocent and secure the ends of justice The Mason of the novels is less scrupulous than the Raymond Burr Mason and would sometimes be in danger of going to jail if the trial didn't turn out right which it always did largely because of Mason's cleverness The Perry Mason icon raises many philosophical issues explored by seventeen different philosophers in this book including Can we defend Paul Drake's claim *The Case of the Blonde Bonanza* that Mason is a paragon of righteous virtue despite his predilection for skating on thin legal ice Can complex murder cases be solved by facts alone or do we also need empathy The most convincing way to give a TV episode a surprise ending is by the guilty person suddenly confessing But in reality is a confession necessarily so convincing Does Perry Mason represent the Messiah How does the Raymond Burr Perry Mason compare with the more recent TV character Saul Goodman *Breaking Bad* and *Better Call Saul* Is it morally okay to mislead the police if this helps your client and your client is innocent How does Perry Mason help us understand the distinction between natural law and positive law Do the Perry Mason stories comply with Aristotle's recipe for a good work of fiction Does life imitate art when Perry Mason is cited in real life courtroom arguments How much trickery can be justified by loyalty to one's client Can evidence in murder trials be evaluated by probability theory Perry Mason is officially a lawyer and unofficially a detective But isn't he really a historian and a psychoanalyst Della Street is a competent legal secretary but is she something more Mason often says that Eye witness testimony is the worst kind of evidence and occasionally that

Circumstantial evidence is the best evidence we have Can these claims be defended **The Case of the Gilded Lily** Erle Stanley Gardner, 2020-04-07 A crime thriller starring the sleuthing lawyer portrayed in the HBO limited series from the Edgar Award winning kingpin among the mystery writers The New York Times Stewart Bedford is willing to cooperate with a blackmailer to protect his beloved wife But when he wakes up in a daze to find the man shot dead with Bedford s gun and his blond escort missing he ll need some help from defense lawyer Perry Mason This mystery is part of Edgar Award winning author Erle Stanley Gardner s classic long running Perry Mason series which has sold three hundred million copies and serves as the inspiration for the HBO show starring Matthew Rhys and Tatiana Maslany DON T MISS THE NEW HBO ORIGINAL SERIES PERRY MASON BASED ON CHARACTERS FROM ERLE STANLEY GARDNER S NOVELS STARRING EMMY AWARD WINNER MATTHEW RHYS **Delphi Complete Novels of Erle Stanley Gardner (Illustrated)** Erle Stanley Gardner, 2024-11-24 The undisputed best selling American writer of his time Erle Stanley Gardner wrote over a 130 detective and mystery novels the most famous of which feature the criminal defense lawyer Perry Mason Gardner created several other popular characters including Doug Selby a virtuous crusading district attorney the middle aged greedy private detective Bertha Cool and the knowledgeable legalist Donald Lam Gardner s works are noted for their complex plots and realistic depictions of legal proceedings based on the author s personal experiences working as a lawyer For the first time in publishing history this eBook presents Gardner s complete novels with numerous illustrations rare texts concise introductions and the usual Delphi bonus material Version 1 Please note the posthumous Cool and Lam novel The Knife Slipped was first published in 2016 and so cannot appear in this edition due to copyright restrictions Beautifully illustrated with images relating to Gardner s life and works Concise introductions to each series All 132 novels with individual contents tables The complete Perry Mason novels and short stories Images of how the books were first published giving your eReader a taste of the original texts Excellent formatting of the texts Includes Gardner s non fiction masterpiece The Court of Last Resort which won an Edgar Award A selection of short stories Alva Johnston s biography on Gardner first time in digital print Ordering of texts into chronological order and genres CONTENTS Perry Mason Novels The Case of the Velvet Claws 1933 The Case of the Sulky Girl 1933 The Case of the Lucky Legs 1934 The Case of the Howling Dog 1934 The Case of the Curious Bride 1934 The Case of the Counterfeit Eye 1935 The Case of the Caretaker s Cat 1935 The Case of the Sleepwalker s Niece 1936 The Case of the Stuttering Bishop 1936 The Case of the Dangerous Dowager 1937 The Case of the Lame Canary 1937 The Case of the Substitute Face 1938 The Case of the Shoplifter s Shoe 1938 The Case of the Perjured Parrot 1939 The Case of the Rolling Bones 1939 The Case of the Baited Hook 1940 The Case of the Silent Partner 1940 The Case of the Haunted Husband 1941 The Case of the Empty Tin 1941 The Case of the Drowning Duck 1942 The Case of the Careless Kitten 1942 The Case of the Buried Clock 1943 The Case of the Drowsy Mosquito 1943 The Case of the Crooked Candle 1944 The Case of the Black Eyed Blonde 1944 The Case of the Golddigger s Purse 1945 The Case of the Half Wakened Wife 1945 The Case of
