The Challenge of Administering Health Services Lowell Eliezer Bellin, Lewis E. Weeks, 1981 **Public Health Personnel in the United States, 1980** ,1982 Current Catalog National Library of Medicine (U.S.),1982 First multi year cumulation covers six years 1965 70 **National Library of Medicine Current Catalog** National Library of Medicine (U.S.),1982 **Upward Mobility Programs in the Service Sector for Disadvantaged and Dislocated Workers** ,1992 *Research Report* ,1991 Managing Health Services M. G. Harris, Mary G. Harris, 2006 Managing Health Services Concepts and Practice 2nd edition provides a valuable practice resource for health service management students and managers While new concepts and strategies of multidisciplinary health service management and leadership have been added the focus remains on providing comprehensive coverage of management topics and issues faced by health services managers *The Journal of Health Administration Education* ,2002 *Careers for Dreamers & Doers* Lilly Cohen, Dennis R. Young, 1989 A comprehensive career guide to management careers in the nonprofit section Helps you to assess your interests and define your skills and give you the tools you need to develop a rewarding career in education health care social services the arts or philanthropy Includes job search strategies what employers look for how to write a resume and how to prepare for an interview **Managing Modern Healthcare** Mike Bresnen, Damian Hodgson, Simon Bailey, Paula Hyde, John Hassard, 2017-02-10 Until now research has given us only a limited understanding of how managers actually make sense of and apply management knowledge how networks of interaction amongst managers help or hinder processes of knowledge diffusion and the sharing of best practice and how these processes are all influenced both by the organisations in which managers act and by the professional communities of practice they belong to Managing Modern Healthcare fills these important gaps in our understanding by drawing upon an in depth study of management networks and practice in three healthcare organisations in the UK It draws from the primary research a number of important and grounded lessons about how management networks develop and influence the spread of management knowledge and practice how management training and development relates to the needs of managers facing challenging conditions and how those conditions are themselves shaping the nature of management in healthcare This book reveals how managers in practice are responding to the many contemporary challenges facing healthcare and the NHS in particular and how they are able or not to effectively exploit sources of knowledge learning and best practice through the networks of practice they engage in to improve healthcare delivery and healthcare organisational performance Managing Modern Healthcare makes a number of important theoretical contributions as well as practical recommendations The theoretical and empirical contributions the book makes relate to wider work on networks and networking management knowledge situated learning communities of practice professionalization professional identity and healthcare management more generally The practical contribution comes in the form of recommendations for healthcare management practitioners and policy makers that are intended to impact upon and
