Minteh,James Bacigalupo, Kevin Borgeson, Robin Maria Valeri, 2025-05-30 The New Phase of Global Terrorism explores the nuances of the shift in the organization strategy and operation of terrorist groups into smaller and more robust terror groups in both the United States and international levels To develop efficient counterterrorism measures both domestically and globally an understanding of the changing nature of terrorist group structure and strategy is essential In this edited collection authoritative scholars use relevant theories of sociology and psychology as well as evidence from leading counterterrorism agencies such as the FBI to support analysis examples and explanations of the landscape of terrorism around the world Part I discusses the evolution theories and psychology of terrorism In this part the authors outline the rationale of the book capturing how terrorism has changed over the years In Part II the book explores the new phase of domestic terrorism drawing on left wing extremism right wing extremism and jihadist attackers in the United States with a focus on their use of lone actor attacks and decentralized networks Part III focuses on the new phase of international terrorism and discusses operational organization and strategies of international terror groups and their capabilities in the form of combat operations and small group operatives in Sub Saharan Africa the Middle East and South East Asia Part IV covers terrorists use of technology for propaganda recruitment training and operations with examples from the use of technology in recruiting and training by Al Qaeda and Islamic State in Iraq and Syria ISIS Part V brings this information together and analyzes the criminal justice response including building partnerships with counterterrorism agencies intelligence sharing and the use of courts to bring terrorist actors to justice Ideal as a text in terrorism counterterrorism and homeland security courses this book is highly readable for criminal justice psychology and sociology students and professors as well as policymakers and practitioners concerned with countering terrorism at home and abroad

The Changing Faces of Citizenship Joyce Marie Mushaben, 2008 In contrast to most migration studies that focus on specific foreigner groups in Germany this study simultaneously compares and contrasts the legal political social and economic opportunity structures facing diverse categories of the ethnic minorities who have settled in the country since the 1950s It reveals the contradictory and usually self defeating nature of German policies intended to keep migrants out allegedly in order to preserve a German Leitkultur with which very few of its own citizens still identify The main barriers to effective integration and socioeconomic

revitalization in general sooner lie in the country's obsolete labor market regulations and bureaucratic procedures Drawing on local case studies personal interviews and national surveys the author describes the human faces behind official citizenship and integration practices in Germany and in doing so demonstrates that average citizens are much more multi cultural than they realize

Hezbollah James Worrall, Simon Mabon, Gordon Clubb, 2015-11-10 This detailed analysis follows the rise and evolution of Hezbollah from an Islamic resistance movement to its role as a governing force in Lebanon exploring the group's impact on the security and power dynamics in the Middle East This is the first book of its kind to offer a comprehensive study of Hezbollah providing an overview of the organization's key personalities events and structures over the past three decades Inspired by the latest terrorism research and contemporary developments in the Middle East the book reflects upon Hezbollah's religious foundations and its present role as a player in Middle East relations Chapters place Hezbollah within the Middle East security environment analyzing the rise of the Party of God within the context of Iranian inspired Shi'a activism examining the ideological underpinnings of the movement and addressing its dominant political position post Arab Spring This authoritative volume introduces the party's full range of activities including resistance propaganda organized crime and educational facilities The content highlights Hezbollah's role as a social welfare provider specifically the types of aid given the source of financing for the endeavor and the challenge this role presents to the Lebanese state

Strategies for Protecting National Critical Infrastructure Assets John Sullivant, 2007-10-05 Strategies for Protecting National Critical Infrastructure Assets eases the research burden develops investigative protocols and pulls together data into a comprehensive and practical guide to help the serious reader understand advanced concepts and techniques of risk assessment with an emphasis on meeting the security needs of the critical national infrastructure The text is divided into five major sections which are further broken down by individual chapters each addressing one element of risk assessment as well as focusing attention on applying the risk assessment methodology to a particular industry This book establishes a new and acceptable approach for conducting risk assessments in a high risk world Helps the reader to understand advanced concepts and techniques of risk assessment Provides a quick reliable and practical briefcase reference to use in the office as well as on the road Introduces the elements of the risk assessment process by defining its purpose and objectives describing the behavioural and physical sciences the techniques employed in the process and the measurement and evaluation tools and standards used to perform an objective risk assessment

Hizbullah's Identity Construction Joseph Alagha, 2025-10-01 As the dominant political force in Lebanon and one of the most powerful post Islamist organizations in the world Hizbullah is a source of great controversy and uncertainty in the West Despite the significant attention paid to this group by the media the details of Hizbullah's evolution have frequently confounded politicians and even scholars In this important study Joseph Alagha a scholar with unprecedented access to the organization exhaustively and objectively analyzes Hizbullah's historical evolution and offers a revolutionary new perspective on the political phenomenon of the organization

Hizbullah's Identity Construction is a timely examination of one of the world's most turbulent regions a major contribution to the study of contemporary Islamic political movements in the Middle East and a refreshing departure from the bland hagiographies and ad hominem attacks that are all too common in studies of Hizbullah's murky history Superbly documented and argued and rooted in broad knowledge of contemporary Islamist political thought this study brings much needed clarity to a hot button subject
