Cruel World Lynn H. Nicholas, 2011-05-25 To be a child in mid twentieth century Europe was to be not a person but an object available for use in the service of the totalitarian state Very soon after Adolf Hitler came to power policies of eugenic selection and euthanasia began to weed ill or disabled children out of the New Order by poison gas and starvation Defect free good blood children were subjected to an education based on racism propaganda and the glorification of the Führer and were deliberately deprived of free time that would allow independent thought or action Once the war began Nordic looking children were kidnapped from families in the conquered lands and subjected to Germanization Meanwhile hundreds of thousands of bad blood children Jews Gypsies Poles Ukrainians Russians were separated from their families and condemned to forced migration slave labor sadistic experiments starvation and mass execution At the end of the war uprooted children of every origin wandered the bombed out cities and countryside some having been taken from home at such a young age that they did not know where they had come from or even their own names Millions surged into and out of DP camps exploited by political and religious groups while the Allies and the fledgling United Nations tried mightily to put families back together and to find new homes for the orphans All the riveting narrative skill and impeccable scholarship that distinguished Lynn Nicholas's first book The Rape of Europa winner of the National Book Critics Circle Award for nonfiction are present in her study of these terrible crimes against humanity To research this story she has delved into the governmental and military archives of many nations and has interviewed countless individuals She shows the relationship of the deadly Nazi policies to

the brutal tactics used in the USSR in the 1930s and to their rehearsal in the Spanish Civil War and vividly describes the abject failure of Hitler's campaign to plant Germanizing colonies in the conquered nations. She gives us the stories of survivors of ghastly war spawned famines in Greece and Russia in the 1940s, Holland in the Hunger Winter of 1945 and Berlin in the Airlift year of 1949 and of British, French and Dutch children who were evacuated to the countryside, boys and girls sent alone from Europe to England on the Kindertransports, the teenaged soldiers of the Reich, the small veterans of the quarries, the factories and the camps as well as those who survived in lonely hiding. In *Cruel World*, Lynn Nicholas shows us clearly and with passionate empathy for the innocent victims the crimes against children that inevitably result when ideology overwhelms humanity. This powerful book as it recounts the waking nightmare that enmeshed the lives of Europe's boys and girls bears witness to our own responsibility to the children of the twenty-first century. **The Holocaust** David M.

Crowe, 2018-05-04 This book details the history of the Jews, their two millennia-old struggle with a larger Christian world and the historical anti-Semitism that created the environment that helped pave the way for the Holocaust. It helps students develop the interpretative skills in the fields of history and law. *White Bird: A Wonder Story (A Graphic Novel)* R. J.

Palacio, 2022-03-01 Now a major motion picture starring Helen Mirren and Gillian Anderson, R. J. Palacio's unforgettable graphic novel debut is a story about the power of kindness and unrelenting courage in a time of war. SYDNEY TAYLOR AWARD WINNER, A NEW YORK PUBLIC LIBRARY BEST BOOK OF THE YEAR, NEW YORK TIMES BESTSELLER. In R. J. Palacio's bestselling collection of stories, Auggie, how the boy she and her classmates once shunned became her savior and best friend, Sara's harrowing experience movingly demonstrates the power of kindness to change hearts, build bridges and even save lives. As Grandma tells Julian, "It always takes courage to be kind, but in those days, such kindness could cost you everything." With poignant symbolism and gorgeous artwork that brings Sara's story out of the past and cements it firmly in this moment in history, *White Bird* is sure to captivate anyone who was moved by the book, *Wonder*, or the blockbuster movie adaptation and its message. Praise for *White Bird*: At once expressive and chaste, an elusive but ideal combination. *New York Times*: A story that shows the impact of the Second World War and the rise of fascism on what had been a pastoral fairy tale childhood, with *White Bird* pulling no punches in connecting that historical moment to what's happening in the world today. *The Hollywood Reporter*: Extraordinarily powerful, *White Bird* does not shrink from depicting the terror and violence of the Nazi occupation for younger readers and respects the ability of those readers to handle strong material. *Forbes*: A must-read graphic novel that is both heart-rending and beautifully hopeful. *Kirkus Reviews* starred review. R. J. Palacio brings to life the nature of heroism and the real risks we face today. Meg Medina, Newbery award-winning author of *Mercy Suarez Changes Gears*. Rare, superb, timely and timeless. Mark Siegel, author of the *5 Worlds* graphic novel series.
