The Children Of Shiny Mountain:

The Children of Shiny Mountain David Dvorkin,1977 From his own highly technical planet Mash traveled to a distant planet where he discovered a mysterious race of people Intrigued by their primitive customs Mash came to love this strange new world and soon learned of its remarkable secret an ancient mountain filled with man made wonders a fabulous cache that held the key to the planet s future The Children of Shiny Mountain David Dvorkin,1977 From his own highly technical planet Mash traveled to a distant planet where he discovered a mysterious race of people Intrigued by their primitive customs Mash came to love this strange new world and soon learned of its remarkable secret an ancient mountain filled with man made wonders a fabulous cache that held the key to the planet s future **The Cavaradossi Killings** David Dvorkin,2020-12-10 Fleeing the mob he worked for in Chicago Tom Hamilton returns to his Colorado hometown When a singer is murdered during a local opera performance Tom tries his hand at finding the killer But this draws him back into the passions and hatreds of earlier years and puts his own life in danger Insatiable David Dvorkin,2020-12-01 Seduced and killed by a beautiful woman Richard Venneman wakes as a vampire Loathing what he has become horrified by his own irresistible need for human blood he seeks salvation via self destruction He tries to incinerate himself in the experimental fusion reactor where he worked when he was alive But instead the machine s energy beam transforms him into something even worse than a vampire Prisoner of the Blood Unquenchable David Dvorkin,2000-09-01 *Cage of Bone* David Dvorkin,2024-04-16 His world began in agony Squealing brakes An impact He floated for a moment and crashed onto a hard surface Bones splintered and he screamed Cramps folded him over He pushed the pain the fear the dying away from him put them behind a thick hard wall and became himself Alone The wall protected him No man remembers his birth The pain and confusion remained buried behind that wall for forty years And then Max Iverson went to a movie and was torn open again Suddenly a murderer s memories force their way into Max Iverson s mind Max is horrified and bewildered Surely this isn t real But he knows that it is real He can t say how he knows but he does The violent memories he s forced to experience have something about them that makes him sure of it The killer is reveling in the murder he committed playing it over and over in his mind Max is forced to experience it over and over as well Max is sickened by what he sees in his mind by what fills someone else s mind Max is a private person by nature isolated from his fellow humans Now he is forced to know what the worst of them are thinking and his nights are filled with nightmares He knows he can t let it pass He has to do whatever he can to bring to justice the killer whose thoughts he knows Max is able to help the authorities find the killer and he hopes that s the last of it But it isn t More and more often he experiences the terrible thoughts of evil people He feels sucked into their crimes violated and made filthy by their thoughts He is unaware of the extent to which their evil is infecting him He continues to help the authorities capture and convict those people He is unaware of the danger this exposes him to There is a cabal of criminals behind much of the major crime in the city He didn t know of their existence but they become aware of his

and now they are determined to eliminate him Max must change from frightened quarry to pitiless hunter He is aided by the skills he absorbs from the minds of the killers he kills His hunt leads him to the cabal and also to life changing discoveries about his own history Unquenchable David Dvorkin,2020-11-27 Richard Venneman former vampire weeps in frustration His prey has eluded him That prey is a vampire Venneman was the first vampire in history to transform himself into an even more terrible being who preyed on vampires And then he was first to become a human again Now he hungers not for blood but to find a vampire who will make him a vampire for the second time His obsessions have forced others through strange transformations Karen Belmont trapped between human form and werewolf shape hungers both for blood and flesh Elizabeth Vall content for three centuries to be a beautiful seductive vampire has become the prey upon vampires that Venneman once was but monstrous in size and appetites Now Elizabeth wants an eternal soulmate and has chosen Venneman while Karen is hunting him so that she can take revenge by tearing him apart Their meeting will trigger a catastrophe for them and potentially for all mankind *Prisoner of the Blood Insatiable* David Dvorkin,2000-09-01 When We Landed on the Moon: A Memoir David Dvorkin,2019-07-15 In September 1967 I started working at NASA in Houston at what was then called the Manned Spacecraft Center I worked on Apollo missions In November 1971 I left NASA and moved to Denver to work on the Viking Mars lander project at Martin Marietta Corporation By the time I left NASA Apollo was winding down Manned spaceflight beyond Earth orbit was dying There would be no lunar bases or missions to Mars In a mere four years the future had died Fifty years later I still can't shake the sadness Of course the We in the title of this book is not literal Only the handful of men who have actually been on the moon can talk about when we landed on the moon and mean it literally I'm using we in a general sense to refer to all of the 400 000 people who worked on the Apollo Project to all of America and to the entire human race As the plaque on the side of the Apollo 11 Lunar Module descent stage which still stands on the moon's Sea of Tranquility proclaims Here men from the planet Earth first set foot upon the Moon July 1969 A D We came in peace for all mankind This is the story of my part in Apollo Budspy David Dvorkin,2001-05-01 The world of Budspy is a world of if It is a world where German troops narrowly averted disaster at Stalingrad a world where the Fuhrer died on the Russian front to be replaced by saner men Men who signed a treaty of peace with Roosevelt and Churchill that left Germany in control of Continental Europe and free to prosecute the war against the greater threat of Bolshevism Now decades later America tries to convince itself that it is still the world's greatest power even while its government and society increasingly influenced by the Reich devolve into something that would have horrified the Founding Fathers
