The Christ of the Gospels John W. Shepard, 1957 **The Christ of the Gospels** John Watson Shepard, 1939 The Christ of the Gospels J. W. Shepard, 1968 **The Christ of the Gospels. An Exegetical Study ... Fourth Edition, Revised** John Watson SHEPARD, 1947 **The Christ of the Gospels: An Exegetical Study** J. W. Sheppard, 1936 **The Christ of the Gospels** John William Shepard, 1956 *The Passion of the Servant* Don N. Howell Jr., 2009-01-26

The New Testament opens with four Gospel accounts that introduce the reader to Jesus Christ From the very beginning the redemptive drama moves toward the cross The final week of Jesus s life Passion Week takes up nearly 40 percent of the entire narrative The canonical Gospels provide four different perspectives on the life of Jesus He is portrayed in this fourfold account as King and covenant keeper Matthew as obedient Son servant Mark as the perfect Man among men Luke and as the eternal Son of God John the only person ever born whose central purpose in living is to die The Gospels are Passion narratives with extended introductions This is the governing principle of the present work as Jesus moves toward the culmination of his saving mission From early adumbrations to deepening shadows to direct predictions and finally to the detailed narratives of Passion Week the Gospels follow the Lord s inexorable journey to the cross This synthetic study which follows the life of Jesus in a chronological sequence while attempting to preserve the unique contribution of each of the four Gospel accounts draws upon the long established tradition of harmonies of the Gospels dating back to Tatian s Diatessaron AD 170 The ordering of the data follows with minor rearrangements The NIV Harmony of the Gospels edited by Robert L Thomas and Stanley N Gundry In *The Passion of the Servant* eighteen chapters with thirteen maps trace the geographical context of Jesus s ministry Biblical quotations are taken from the English Standard Version ESV except where otherwise noted The chronology adopted in this work one that assumes a spring AD 30 date for the crucifixion is appended along with a brief bibliography of works that have been particularly helpful to the author The front cover is a portrait of the risen Lord instructing the two disciples near Emmaus that the events surrounding his death and resurrection fulfilled the sacred prophecies of the Old Testament Luke 24 25 27

New Approaches to Jesus and the Gospels Royce G. Gruenler, 2015-05-12

The approaches of contemporary New Testament scholarship to Jesus and the Gospels have been in Royce Gordon Gruenler s view inadequate Instead he offers some imaginative and well articulated reflections on several new and promising approaches These have meant a great deal to me over the past few years he writes since in fact I had a change of personal commitment from a former liberalism which had run dry to the rediscovery of the vitality of my earlier evangelical heritage This change was precipitated by the investigation of the data that this provocative volume details Gruenler employs a phenomenology of persons borrowed from Wittgenstein to highlight the fundamental claims of Jesus Though limiting himself to the core of sayings accepted by radical critics as authentic the author concludes that Jesus concept of himself is so incredible on any human level that it becomes academic to insist on separating his implicit from his explicit christological claims The use of

redaction criticism to distinguish the two therefore is misguided Marshaled in support are Lewis who urges attentiveness and obedience to the story Ramsey who points to the logically odd supernaturalism of the Gospels Polanyi the tacit dimension of trust Marcel Jesus creative fidelity Tolkien the spell of the story and Van Til the importance of presuppositions in Gospel research

A Thematic Access-Oriented Bibliography of Jesus's Resurrection Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e.g. Christian Jewish Muslim etc. agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

Preaching John F. MacArthur, Master's Seminary Faculty, 2005-08-21 Many sermons preached today lack the divine knowledge and spiritual understanding available only through dynamic expository preaching In *Preaching How to Preach Biblically* John MacArthur well known passion for the Bible combines with the expertise of faculty members at The Master's Seminary to inspire and equip preachers in effective biblical preaching *Preaching How to Preach Biblically* flows from biblical foundations for expository preaching through a detailed process of developing expositions and creating sermons to the actual delivery of expository messages connecting what pastors learn in seminary with the sermons preached in a local church This volume shows how to progress purposefully from one phase to the next in preparing to minister to God's people through preaching This book answers these questions and more What is expository biblical preaching What are the theological and historical foundations for insisting on expository preaching What are the steps involved in preparation for and participation in biblical preaching What models exist for expository preaching today The Master's Seminary faculty with over thirty years experience in preaching and seminary training of preachers contributes a treasury of expertise alongside insights from expositor John MacArthur While united on their commitment to exposition the variety of individual expressions and methodological preferences discussed offers beneficial assistance for any preacher seeking a higher level of expository excellence
