## **The Far Traveler:**

**The Far Traveler** Nancy Marie Brown, 2008 Brown's enthusiasm is infectious as she re-teaches us our history. The Boston Globe Five hundred years before Columbus a Viking woman named Gudrid sailed off the edge of the known world. She landed in the New World and lived there for three years giving birth to a baby before sailing home. Or so the Icelandic sagas say. Even after archaeologists found a Viking longhouse in Newfoundland no one believed that the details of Gudrid's story were true. Then in 2001 a team of scientists discovered what may have been this pioneering woman's last house buried under a hay field in Iceland just where the sagas suggested it could be. Joining scientists experimenting with cutting edge technology and the latest archaeological techniques and tracing Gudrid's steps on land and in the sagas Nancy Marie Brown reconstructs a life that spanned and expanded the bounds of the then known world. She also sheds new light on the society that gave rise to a woman even more extraordinary than legend has painted her and illuminates the reasons for its collapse. Brown rightly leaves scholarly work to scholars. Instead her account presents an enthusiastic appreciation of her education in how fieldwork and literature offer insights into the past. The Seattle Times Brown has a lovely ear for storytelling. Los Angeles Times Book Review NANCY MARIE BROWN is the author of *A Good Horse Has No Color* and *Mendel in the Kitchen*. She lives in Vermont with her husband the writer Charles Fergus.

The Far Traveler A. Bertram Chandler, 2015-12-17 The Far Traveler was hardly the sort of starship to use in the study of lost space colonies. Lost colonies were likely to be desperate, eccentric and otherwise unappreciative. And The Far Traveler was a rich woman's toy constructed of gold and directed by an omniscient dictatorial and feminine computer known as Big Sister. John Grimes had become that golden vessel's captain. A captain in name only because nobody could talk back to Big Sister or the haughty beauty who owned everything aboard. But Grimes was a man of many resources and lost space colonies were placed that did not observe the civilized rules. You could be sure therefore that the man known as the Commodore Hornblower of Outer Space would be likely to come through okay even if the ladies' mechanical and physical
