The Fathering Spirit:

The Fathering Spirit E. James Logan, Darrell Hines, 2005-01 Ensure the Transfer of Your Spiritual Inheritance One of the most important benefits of reading this book will be the fresh understanding of the power and importance of God as father God fathers His church through those who have His Spirit which is a Fathering Spirit Prov 13 24 He who spares the rod hates his son but he who loves him is careful to discipline him NIV Godly discipline chastens corrects and loves and can only come from a father who has a Fathering Spirit The writer of Hebrews says it this way Heb 12 6 Because the Lord disciplines those he loves and he punishes everyone he accepts as a son NIV In a day when there are so many absentee fathers and perverse child rearing laws we must learn how to love our children and teach them how to live in their rightful place This holds true in the church as well Many feel they are not loved when a spiritual father disciplines them Still others long for the embrace of a fathering spirit who will dare to discipline them and help them achieve God's best for their lives My prayer is that this book will help you navigate through cloudy and sometimes difficult places and arrive at the place of safety in the father's arms May the church of the Lord Jesus Christ embrace the true love of the Father and receive His discipline Author's Bio Apostle E James Logan is the Senior Pastor of Christian Faith Fellowship Church in Zion Illinois He is committed to building the Body of Christ in the unity of the Spirit and the bond of peace James Logan possesses the unique ability to uncover God's purpose in the lives of people often shrouded by the pain of the past and the snares of the enemy A *Fathering Spirit Among Us* Bishop-Dr. Julieann Pinder, 2009-03-09 When the topic turns to walking in blessed authority you should prepare to find a prescription for your next move in purpose You don't have to get ready to live anymore You are already doing it By listening to God's Fathering Voice speaking volumes through His word you will ascend into levels of greatness What in the world are you waiting for Between your fingertips lies a wealth of revelations so embark on an intellectual and spiritual journey about A new spiritual awakening Living by productive faith filled words Learning the supreme logic and Law of life Writing the next chapter of your destiny Understanding the ABC of Deliverance for continuous mental and spiritual freedom Plus much much more **The Father's Spirit of Sonship** Thomas Weinandy, 2011-01-01 This book attempts to reconceive the Trinity Its thesis is that the Father beget the Son in or by the Holy Spirit The Spirit proceeds from the Father as the one in whom the Son is begotten While some contemporary authors have proposed a similar view no one has done so in such a complete and systematic fashion Reconceiving the Trinity in this way has a number of advantages Firstly it is more in keeping with the New Testament proclamation and thus it more closely aligns the economic and immanent Trinity Secondly it overcomes the inadequacies of traditional trinitarian formulations in both Eastern and Western Churches which incorporates erroneous philosophical presuppositions Thirdly it offers a resolution to the filioque controversy which may be acceptable to both the Latin and the Orthodox Churches This book is therefore highly ecumenical in importance Fourthly it gives a more active and essential role to the Holy Spirit within the immanent Trinity something that

has been lacking throughout the trinitarian tradition The true subjectivity or personality of the Holy Spirit is more clearly defined This book brings out the spiritual and practical importance of the Trinity for the everyday lives of Christians It defines more clearly how Christians are grafted into the very life of the Trinity how they come to relate to the persons of the Trinity in a manner analogous to the way they relate to one another **A Fathering Spirit** K. Lee,2025-04-14 No one can replace the role of a father Fathers have an irreplaceable need in society and this book tells you how and encourages fathers to keep up the good work or make changes **Remaking Men** David John Tacey,1997 In Remaking Men Tacey critically evaluates the use of Jungian psychology in studies of masculinity It brings together social and psychological approaches to masculinity for the first time *The Spirit of the Father* Randy Brown,2021-09-23 1 Corinthians 4 14 I write not these things to shame you but as my beloved sons I warn you For though ye have ten thousand instructors in Christ yet have ye not many fathers for in Christ Jesus I have begotten you though the gospel Wherefore I beseech you be ye followers of me It is great to have many instructors but you do not have many fathers Fathers make themselves available Instructors want to come and instruct you teach you and leave town Men that have the spirit of the Father on them will sit and talk with you a while Do you remember the word of God when God took the Spirit of Moses and dropped it on seventy men who never prophesied and never counselled suddenly found that they were prophesying and leading the people because God took the spirit that was in Moses and put it upon them There is a need to embrace or to grab hold of certain realms of this Spirit of the Father anointing that releases certain elements of breakthrough and insights into our lives *Awakening The Slumbering Spirit* John Loren Sandford,Paula Sandford,Lee Bowman,2012-09-20 Have you ever longed to do something great for God but lacked the ability to put feet to your longings Have you tried to overcome your lack of passion for God or the things of God but felt harnessed by spiritual lethargy Do you want to impact your world for God This book unveils the possibility that your own inner spirit may be slumbering unfocused even apathetic because of unresolved spiritual issues It shows how this can affect your conscience or hinder you from building and sustaining personal relationships intimate communication and devotional life As you read this uniquely written book you will find life transforming principles for allowing the Holy Spirit to awaken your personal spirit and help you learn to walk confidently in the nature and image of Christ **The Spirit and Power of Elijah** Michelle McClain-Walters,2023 Throughout human history there arise certain figures whose stories resonate across time and culture illuminating a path of faith and righteousness with a radiant glow Among these towering figures the biblical prophet Elijah stands as a beacon his narrative an exquisite tapestry woven with divine encounters unwavering conviction and miraculous interventions Yet Elijah is not merely a relic of the past he is a living testament to the enduring relationship between humanity and the Spirit of God Within the pages of this book we embark on a transformative journey through the life ministry and legacy of this remarkable prophet We will look deep into his character and discover the passions that set his heart ablaze the faith that propelled him into action and the profound encounters with God that defined his destiny Elijah s

story transcends mere historical documentation it is a revelation of the limitless potential that emerges when the human spirit converges with the power of God *Experiencing the Father's Love* Jack Frost,2017-10-17 Experience the Love of the Father every day Seasons of crisis pain and loss may impact the people we become but our circumstances do not define who we are Your identity is greater than your experiences The only experience that ought to define your identity determine your self worth and shape your destiny is an encounter with Fathering Like the Father Kenneth O. Gangel,Jeffrey S.

Gangel,2003-01-01 We believe Christian dads need to learn from God and need to hear from fathers who are living out the relationship With that father and son authors Kenn and Jeff Gangel launch this highly practical guide to fathering by learning from the attributes of the original God the Father Exploring God s ways of communicating forgiving disciplining and loving the authors build a strong case for their conviction that fathering works best when patterned after the best Their warm reader friendly style combines anecdotes from sports popular culture and personal experience The result is a collection of useful down to earth insights into a role that was sent from heaven Each chapter includes Kenn s story and Jeff s story fascinating and at times confessional vignettes fathers of all ages can identify with along with helpful pointers called Making It Work questions for discussion and suggestions to stimulate father child dialogue *Fathering Like the Father* will inspire any dad or study group interested in a better grip on what the authors label their premier calling **Spiritual Slavery to**

Spiritual Sonship Jack Frost,2006-11-28 What would life be like with no fear If you could feel completely at home and at rest in the intimate love of God We all face two choices in life to live life as if we have a home or to live life as if we do not have a home Many Christians live like orphans because they have never made it past their fears and into a place of rest and safety Are you one of them Lay aside your orphan mindset Come in from the storm and find rest Discover your true identity and your true home as a beloved son daughter of the Father **A Select Library of the Nicene and Post-Nicene Fathers of the Christian Church: St. Augustin: Homilies on the Gospel of John. Theodoret, Jerome, Gennadius, Rufinus: Historical writings, etc Philip Schaff, Henry Wace,1892 **That God May Be All in All** Ryan L. Rippee,2018-03-02 Christology and Pneumatology have long been major preoccupations for theologians and rightly so but the work of God the Father has been surprisingly neglected Through a biblical and exegetical study of the Father s person and work Paterology this book argues that among the persons of the Trinity the Father is the initiator of all divine activity Furthermore it is in the context of a loving eternal relationship with the Son and Spirit that the Father has planned and purposed all things creating through the Son and by the Spirit promising and accomplishing redemption through the sending of the Son and the Spirit and perfecting salvation by bringing about a new heavens and new earth through his Son and Spirit The only proper response is a Trinitarian shaped life of worship that worships our Triune God **Spiritual Fathers** Paul Newberry,2003-09 Demonstrates how a true spiritual father behaves and thinks and explores the father son

Obedience from First to Last Edmund Fong, 2020-03-18

Obedience from First to Last explores the theological significance of the obedience of Jesus Christ in Karl Barth's theology. It does this via a threefold consideration of first the nature of Jesus incarnate, second the relation of that obedience to the obedience of the second triune person of the eternal Son, and third the effects Jesus' obedience has on our own obedience. Barth not only affirms the pivotal role Jesus' obedience has within the economy of salvation but by equating that obedience with that of the eternal Son, Barth gives Jesus' obedience a pre-eminent place within the immanent being of Godself. The obedience of Jesus Christ is seen to have a co-participatory role in God's determination of his own divine being that arises from the primordial act of divine election. This notion bears on our understanding of freedom and obedience as divine freedom is expressed in divine obedience so it is with human freedom and human obedience.

Revelation 1-11 (ITC) Peter J. Leithart, 2018-02-22

The Book of Revelation is the last book in the canon of the New Testament and its only apocalyptic document though there are short apocalyptic passages in various places in the gospels and the epistles. This first of two volumes on Revelation offers systematic and thorough interpretation of the book of Revelation. Revelation brings together the worlds of heaven, earth, and hell in a final confrontation between the forces of good and evil. Its characters and images are both real and symbolic, spiritual and material, and it is frequently difficult to know the difference between them. Revelation's cryptic nature has ensured that it would always be a source of controversy. This commentary focuses on the theological content, gleaned from the best of both the classical and modern commentary traditions, and showing the doctrinal development of Scriptural truths. Scholarship on the book of Revelation has nonetheless not only endured but even captured the imagination of generations of Bible students, both professionals and laypeople alike. Through its focus on the message of the book through scholarly analysis, this International Theological Commentary reconnects to the ecclesial tradition of biblical commentary as an effort in ressourcement, though not slavish repetition.
