The Father's Emergency Guide to Divorce-Custody Battle Robert Seidenberg, William Dawes, 1997-01-01      Taken Into Custody Stephen Baskerville, 2007-09-01 Taken into Custody exposes the greatest and most destructive civil rights abuse in America today Family courts and Soviet style bureaucracies trample basic civil liberties entering homes uninvited and taking away people's children at will then throwing the parents into jail without any form of due process much less a trial No parent no child no family in America is safe The legal industry does not want you to hear this story Radical feminists bar associations and social work bureaucracies have colluded to suppress this information Even pro family groups and civil libertarians look the other way Yet it is a reality for tens of millions of Americans who are our neighbors      *The Family Court Industrial Complex and Post Traumatic Family Court Disorder* Khepri Rising, 2009-12-08 This book serves as a paradigmatic revolution in evolutionary theory ethics and family law By way of establishing that cryptic ovulation was the critical event in our evolutionary history The Family Court Industrial Complex and Post Traumatic Family Court Disorder conclusively establishes that the savage nature of the family court system is evolutionary based male rape and that many of the systems victims are suffering from an insidious malady known as Post Traumatic Family Court Disorder PTFCD      Anatomy of a Divorce Jean Williams, 2005-03-25 This was the most helpful book while I was going through my divorce Doug G Its a lonely walk through a divorce but when family and friends are there to encourage and lift spirits it gives great hope The children of a broken home especially need the strength of family and God When all hell on earth breaks forth how much we need the Peace that only comes from Heaven      *Denied! Failing Cordelia: Parental Love and Parental-State Theft in Los Angeles Juvenile Dependency Court* Simon Cambridge, 2019-09-17 Climbing the Broken Judicial Ladder continues the author's journey of exploring the heartbreak and loss of first adopting Cordelia with severe reactive attachment disorder RAD in Washington state and then of nearly losing her to the draconian and confused child welfare legal complex in Los Angeles In this third volume of his Denied Failing Cordelia trilogy Cambridge climbs the broken California judicial ladder from the California Court of Appeals Second Appellate District based in Los Angeles to the California Supreme Court Cambridge concludes that in appeals relating to dependency cases the ladder is broken for parents seeking to advocate for themselves and for the true best interests of their children Policies relating to child welfare are flawed Cambridge argues because of the preemptive and prejudicial response to the issues raised during the detention of children As with his two earlier books Cambridge explores issues connected with how best to parent his adopted daughter and advocate for her needs in the context of a dependency case Cordelia's reactive attachment disorder would surface throughout the judicial struggle as would the author's own struggles with Asperger syndrome Each would feed negatively into the overall trauma and drama of the author's unrelenting quest to reunite his forever family Cambridge believes that dependency proceedings are ill equipped on many levels to elicit a proper understanding of RAD or of the therapeutic parenting needed to address it Cambridge believes that adoptive parents of

children with special needs need to be understood by more sympathetic social workers and by therapists trained in attachment disorders Cambridge's persistent efforts to reunite his forever family would leave him increasingly isolated as he climbs the judicial ladder Based on his experiences Cambridge explores areas for reform in Los Angeles dependency proceedings and evokes Shakespeare's King Lear by arguing that social workers need to see better and that the Los Angeles Juvenile Dependency Court needs to encourage a broader understanding of the issues raised through more effective legal advocacy from assigned dependency lawyers Cambridge argues that parents should be allowed to address the court directly Cambridge also relates how he and his daughter have found many positive and healthy ways to heal in the years since their dependency case ended Much trauma could have been avoided if those around them had seen better and had recognized the value in their dramatic and loving adoption journey      **Legalizing Misandry** Paul Nathanson, Katherine K.

Young, 2006-03-21 Paul Nathanson and Katherine Young believe that this reveals a shift in the United States and Canada to a worldview based on ideological feminism which presents all issues from the point of view of women and in the process explicitly or implicitly attacks men as a class They argue that ideological feminism is silently reshaping law public policy education and journalism      **The Addiction Treatment Planner** Robert R. Perkinson, David J. Berghuis, Timothy J.

Bruce, 2014-01-10 The bestselling treatment planning system for mental health professionals The Addiction Treatment Planner Fifth Edition provides all the elements necessary to quickly and easily develop formal treatment plans that satisfy the demands of HMOs managed care companies third party payors and state and federal agencies New edition features empirically supported evidence based treatment interventions Organized around 43 behaviorally based presenting problems including substance use eating disorders schizoid traits and others Over 1 000 prewritten treatment goals objectives and interventions plus space to record your own treatment plan options Easy to use reference format helps locate treatment plan components by behavioral problem Includes a sample treatment plan that conforms to the requirements of most third party payors and accrediting agencies including CARF The Joint Commission TJC COA and the NCQA      **On the Outside**

**Looking In** Akili Kumasi, 2005-09-05 On The Outside Looking In Hope for Separated Fathers Who Want To Be Good Fathers challenges men to be good fathers in spite of being separated from their children On the Outside Looking In gives separated fathers hope and encourages them to step to the plate with their children while also providing a few statistics to help bring more awareness to the problems of father absent families On The Outside Looking In springs from the heart of Akili Kumasi who shares much of what he learned while striving to be a good father Although separated from his two sons because of the divorce from their mother Akili remains an integral part of their lives He tells us that Being a father is one of the greatest rewards and one of the most significant challenges a man can face No father should miss this God given responsibility and blessing The principles and resources in On the Outside Looking In can enable men to handle the rigors of fatherhood and help bring some fathers in from the cold      *Denied! Failing Cordelia* Simon Cambridge, 2014-08-30 The Cankered Rose and

Esther's Revenge begins the author's dramatic journey of adopting his teenage daughter with severe attachment issues in Seattle. The heartbreak of then seeing Cordelia stolen by the efforts of his former wife and the child welfare legal complex in Los Angeles alongside that of the trauma of being denied during efforts to reunify with her are each foreshadowed here. Issues surrounding adoption, trauma, parenting children with reactive attachment disorder, and the author's own struggles with Asperger's syndrome will be his constant companions on this perilous journey of adopting, losing, and then trying to reunite with his beloved daughter. In this and subsequent volumes, the author will also be questioning the ability of the child welfare legal complex and the Los Angeles Juvenile Dependency Court to understand the nature of damaged child attachment or the therapeutic parenting needed to heal children with special needs. Ultimately, each would be as responsible for failing Cordelia as the breaking of the violent waves for the shattering movement of the rocks on the beach. **At Any Cost**

Rebecca Rosenberg, Selim Algar, 2021-04-06 *At Any Cost* unravels the twisted story of Rod Covlin, whose unrepentant greed drove him to an unspeakable act of murder and betrayal that rocked New York City. Wealthy, beautiful, and brilliant Shele Danishefsky had fulfillment at her fingertips. Having conquered Wall Street, she was eager to build a family with her much younger husband, promising Ivy League graduate Rod Covlin. But when his hidden vices surfaced, marital harmony gave way to a merciless divorce. Rod had long depended on Shele's income to fund his tastes for high stakes backgammon and infidelity, and she finally vowed to sever him from her will. In late December 2009, Shele made an appointment with her lawyer to block him from her millions. She would never make it to that meeting. Two days later, on New Year's Eve, Shele was found dead in the bathtub of her Upper West Side apartment. Police ruled it an accident, and Shele's deeply Orthodox Jewish family quickly buried her without an autopsy on religious grounds. Rod had a clear path to his ex-wife's fortune, but suspicions about her death lingered. As the two families warred over custody of Shele's children and their inheritance, Rod concocted a series of increasingly demented schemes, even plotting to kill his own parents to secure the treasure. And as investigators closed in, Rod committed a final desperate act to frame his own daughter for her mother's death. Journalists Rebecca Rosenberg and Selim Algar reconstruct the ten years that passed between the day Shele was found dead and the day her killer faced justice in this riveting account of how one man's irrepressible greed devolved into obsession, manipulation, and murder.
