Mazzola, 2016-04-30 In this examination of Sir Philip Sidney author of the famous romance *The Countess of Pembroke s Arcadia* and his family Elizabeth Mazzola argues that families are a form of poetic projects The Sidney family and members of the so called Sidney circle aimed to celebrate Sir Philip s life through literary tradition they repeatedly turned to writing their own poetry as a vehicle to analyze or extend familial connections Mazzola illustrates that Sidney s family by celebrating the work of their brilliant loved one actually demonstrated the unique attributes and transformation of the family in the early modern period **Bifurcated Politics** Byron E. Shafer, 1988 Even today when it is often viewed as an institution in decline the national party convention retains a certain raw emotional populist fascination *Bifurcated Politics* is a portrait of the postwar convention as a changing institution a changing institution that still confirms the single most important decision in American politics With the 1988 elections clearly in mind Byron Shafer examines the status of the national party convention which is created and dispersed within a handful of days but nevertheless becomes a self contained world for participants reporters and observers alike He analyzes such dramatic developments as the disappearance of the contest over the presidential nomination and its replacement by struggles over the publicizing of various campaigns the decline of party officials and the rise of the organized interests and the large and growing disjunction between what is happening at the convention hall and what the public sees between the convention on site and the convention on screen He argues that despite its declining status the postwar convention has attracted and

mirrored most of the major developments in postwar politics the nationalization of that politics and the spread of procedural reform a changing connection between the general public and political institutions even the coming of a new and different sort of American politics Bifurcated Politics tells the story of most of the postwar conventions along with the nominating campaigns that preceded them But it also develops a picture of the changing American politics around those stories It will become the definitive study of the national party convention The Darker Side of Samuel, Saul and David G. D.

Vreeland,2008-07 Now the sequel Here we watch David become king over Israel But the table is set for a rather unappetizing meal where brutality intrigue and questionable morality and ethics are served We see the turning point and the decline of David s power and possibly his virtue Like so many in biblical narrative he does not end well Leaders take warning integrity matters How we respond to God s rules of engagement and how we treat others especially the disenfranchised will determine the difference between greatness and mediocrity and how our lives will be evaluated As with the previous volume this book can be utilized as a commentary and an aid to the student of Second Samuel or each section can be read and reflected upon in isolation I will continue my efforts to be personable but professional playful but pointed impassioned at times but always thought provoking Dr Vreeland received his Ph D from Trinity International University in Theological Studies Old Testament in 1994 He served for four academic years at the Nairobi International School of Theology He then joined the faculty of Northwest Baptist Seminary Tacoma Washington and has concluded eight years there July 08 as Associate Professor of Semitic Languages and Biblical Literature He teaches Hebrew Aramaic and English Bible and related topics So far as the Church is concerned his love is serious biblical study as related to integrity and leadership hence this work on Second Samuel and its prequel on First Samuel Dr Vreeland has been married for 27 years to the love of his life Donna who is still the finest English Bible scholar on the planet and to whom this volume is gratefully dedicated They have three grown children
