**An Edith Wharton Chronology** E. Harden,2005-10-20 This new volume in the Author Chronology series illuminates the writing of Edith Wharton by detailing her experiences and placing her in her social context Edith Wharton was a prolific as well as a many sided writer who created not only novels novellas short stories and poems but also a notable series of travel writings and did translations pieces for the theatre and essays on other writers and their works as well as on the creation and criticism of fiction This account of Wharton s personal and professional life provides an invaluable insight into an important American woman writer of the Twentieth Century Whaleships of New Bedford ,1929 *London and Londoners in the Eighteen-fifties and Sixties* Alfred Rosling Bennett,1925

**Sailor in the White House** Robert Cross,2014-01-15 This behind the scenes look at Franklin D Roosevelt s extraordinary skill as a blue water sailor explores how FDR s love of the sea shaped his approach to public service and even influenced the course of events in World War II Family and friends Secret Service agents and others reveal never before told stories of their days afloat with America s greatest seafaring president including how he escaped injury when fire broke out aboard his small schooner how ships were modified to accommodate his disability and details of his wartime ocean rendezvous with Winston Churchill Sailing pals discuss his abilities as a skipper along with his enjoyment of an evening cocktail at sea during the days of Prohibition Letters and other documents illustrate how the sea was never far from Roosevelt s thoughts Robert Cross examines Roosevelt s great affection for the sea in the context of an era dominated by the Great Depression and two world wars While some criticized Roosevelt for taking too many seagoing trips he lagged hundreds of thousands of miles at sea and was sometimes out of touch with the White House and the Secret Service for hours FDR was quick to explain that his lengthy voyages allowed him to personally assess the world situation instead of relying solely upon White House briefing books The author argues that the skills required to be a good sailor have much in common with those needed to be a successful politician the ability to alter courses make compromises and shift positions as the situation warrants Cross describes FDR as a master at dealing with the unexpected allowing him to excel in the Navy Department the governor s mansion and the White House as well as the open sea From luxury ocean liners and presidential yachts to submarines and kayaks this book lists all of the vessels on which FDR sailed and includes some never before published photographs

**Edith Wharton in Context** Laura Rattray,2012-10-08 This collection of essays examines the various social cultural and historical contexts surrounding Edith Wharton s popular and prolific literary career

**Australian Houses of the Forties and Fifties** Peter Cuffley,1993 Covers the architecture furniture and History of the baby boom era Colour illustrations throughout Edith Wharton: Collected Stories Vol 1. 1891-1910 (LOA #121) Edith Wharton,2015-11-10 Library of America presents the first volume in a landmark two volume collector s edition of the incomparable stories of an American master Born into an upper class New York family Edith

Wharton broke with convention and became a professional writer earning an enduring place as the grande dame of American letters This Library of America collection along with its companion volume Collected Stories 1911 1937 presents the finest of Wharton s achievement in short fiction drawn from the more than eighty stories she published over the course of her career Opening with her first published story the charming Mrs Manstey s View about a disruption in the life of an elderly apartment dweller this first of two volumes presents a writer already at the height of her powers beginning to explore the concerns of a lifetime In Souls Belated two lovers attempt to escape the consequences of their adultery a subject to which Wharton returns throughout her career In The Mission of Jane about a remarkable adopted child and The Pelican about an itinerant lecturer she discovers her gift for social and cultural satire Perhaps the finest of her ghost stories The Eyes with its Jamesian sense of evil is also included along with two novella length works The Touchstone and Sanctuary revealing the dazzling range of Wharton s fictive imagination Also included in this edition are a chronology of Wharton s life explanatory notes and an essay on the texts LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation s literary heritage by publishing and keeping permanently in print America s best and most significant writing The Library of America series includes more than 300 volumes to date authoritative editions that average 1 000 pages in length feature cloth covers sewn bindings and ribbon markers and are printed on premium acid free paper that will last for centuries It's the Pictures That Got Small Christine Becker,2008 An original study of Hollywood film stars and 1950s television Book Review Index ,2003 Vols 8 10 of the 1965 1984 master cumulation constitute a title index

**Domestic Aesthetic** Jean Bernard Hebey,2002 This book presents a selection of 370 household objects through the photographs of Christophe Fillioux that will encourage one to look at them in a new way From ice crushers to vacuum cleaners from toasters to irons the entire universe of the houseware produced for the modern home is on display **The Oxford Companion to American Literature** James D. Hart,Phillip Leininger,1995-10-12 For more than half a century James D Hart s The Oxford Companion to American Literature has been an unparalleled guide to America s literary culture providing one of the finest resources to this country s rich history of great writers Now this acclaimed work has been completely revised and updated to reflect current developments in the world of American letters For the sixth edition editors James D Hart and Phillip Leininger have updated the Companion in light of what has happened in American literature since 1982 To this end they have revised the entries on such established authors as Saul Bellow Norman Mailer and Joyce Carol Oates and they have added more than 180 new entries on novelists T Coraghessan Boyle Tim O Brien Louise Erdrich Don De Lillo poets Rita Dove Weldon Kees playwrights Wendy Wasserstein August Wilson popular writers Stephen King Louis L Amour historians James M McPherson David Herbert Donald William Manchester naturalists Aldo Leopold Edward Abbey and literary critics Camille Paglia Richard Ellmann In addition the Companion boasts more women s African American and ethnic voices with new entries on such luminaries as Charlotte Perkins Gilman M F K Fisher William Least Heat Moon Ursula

Le Guin and Oscar Hijuelos among many others. These additions represent only some of the revisions for the new edition. Of course the basic qualities of the Companion that readers have grown to know and love over the years are as superb as ever. With over 5 000 total entries, The Oxford Companion to American Literature reflects a dynamic balance between past and contemporary literature surveying virtually every aspect of our national literature from the Pulitzer Prize to pulp fiction and from Walt Whitman to William F Buckley Jr. There are over 2 000 biographical profiles of important American authors with information regarding their styles, subjects and major works and influential foreign writers as well as other figures who have been important in the nation's social and cultural history. There are more than 1 100 full summaries of important American novels, stories, essays, poems with verse form noted, plays, biographies and autobiographies, tracts, narratives and histories. The new edition provides historical background and astute commentary on literary schools and movements, literary awards, magazines, newspapers and a wide variety of other matters directly related to writing in America. Finally, the book is thoroughly cross referenced and features an extensive and fully updated index of literary and social history. Ranging from Captain John Smith to John Updike and from Anne Bradstreet to Anne Rice, the sixth edition of The Oxford Companion to American Literature is up to date, accurate and comprehensive, a delight for both the casual browser and the serious student.

*The Christian-Evangelist Index, 1863-1958*, 1962      **Fiction Catalog**, 1928      Radio Voices Michele Hilmes, 1997

Looks at the history of radio broadcasting as an aspect of American culture and discusses social tensions, radio formats and the roles of African Americans and women.      *Naming the Other: Images of the Maori in New Zealand Film and Television* Martin Blythe, 1994      **Korean War Filmography** Robert J. Lentz, 2016-05-01. The Korean experience changed the way Americans viewed war. The lack of a clear cut victory inspired filmmakers to try to make sense of fighting another country's civil war and risking American lives for an unpopular cause. This filmography details more than 90 English language films. Each entry includes complete cast and credit listings, a plot synopsis, evaluation, review snippets and notice of video availability. This book places each film in its historical context, assesses the essential truthfulness of each film and evaluates its entertainment value and discusses how and why Korean War films differ from other Hollywood war genres. Four appendices list the films by chronology, production company and studio level of historical accuracy and subject and theme. Additional appendices list films with incidental references to the Korean War, documentaries on the Korean War and South Korean films about the war. Photographs, a bibliography and an index are included.      **Film Study** Frank Manchel, 1990-10. The four volumes of Film Study include a fresh approach to each of the basic categories in the original edition. Volume one examines the film as film, volume two focuses on the thematic approach to film, volume three draws on the history of film and volume four contains extensive appendices listing film distributors, sources and historical information as well as an index of authors, titles and film personalities.      **The British National Bibliography** Arthur James Wells, 1992.
