Jamaica Under the guidance of their energetic leader Chief Richard Currie they have claimed all the rights and duties of a
sovereign state maintaining that they are fully entitled to enjoy these rights under the name The Sovereign State of
Accompong Against this background there is scope for a review of the bases in national and international law of the core
Maroon claim to statehood and for the responses that may validly be offered to that claim This publication addresses the
relevant arguments reviews the historical position of Maroons in Jamaican society and offers conclusions about the status of
the Maroon claim Most existing literature on the Maroons concentrates on Maroon status in history This book adds to the
literature by exploring the legal arguments about Maroon sovereignty in Accompong in national and international law a topic
that is yet to be fully canvassed *Background Notes* United States. Department of State. Office of Media Services, 1972
