D'Ambrosio, 2011-09-30 *Menacing Face Worth Millions: A Life of Charles Bronson* is the first definitive biography of legendary screen actor Charles Bronson Charles Bronson was the silver screen legend who forever changed America's and the world's idea of the leading man's looks a poverty stricken young man who became one of the most popular highly paid film stars of his day No movie that Charles Bronson ever made can equal the reclusive life he led and the contradictions of his own hidden self In this definitive retelling of Bronson's life the first fully documented biography of the star Brian D'Ambrosio looks at the vigilante tough guy's life and legacy and explores the events and issues that made him emblematic of his time

Introduction to Charles Bronson (prisoner) Gilad James, PhD, Charles Bronson also known as Michael Gordon Peterson is a British criminal who is notorious for his violent behavior both inside and outside of prison Born in 1952 in Aberystwyth Wales Bronson had a difficult childhood marred by poverty bullying and abuse He began his criminal activities at a young age and spent his early years in and out of prison for various offenses such as robbery and assault Bronson's notoriety increased in the 1970s and 80s when his violent outbursts in prison grabbed headlines and gained him infamy He

spent long periods in solitary confinement due to his aggressive behavior and even took hostages at times Despite his violent tendencies Bronson became something of a cult hero admired by some for his rebelliousness and unconventional ways He also developed a reputation for being physically strong even performing as a bare knuckle boxer and writing books about his criminal exploits He has been in prison for over four decades making him one of the UK's longest serving prisoners

American Legends Charles River Editors, 2017-01-15 Includes pictures Includes Bronson's own quotes about his life and career Includes footnotes online resources and a bibliography for further reading Includes a table of contents Maybe I'm too masculine Casting directors cast in their own or an idealized image Maybe I don't look like anybody's ideal Charles Bronson I look like the kind of guy who has a bottle of beer in my hand Charles Bronson The leading men of the 1940s and 50s ably represented the visual and cultural expectations of those decades in their iconic films

Some were handsome and glib with quasi classical dialogue some could sing and a few could dance while others brought an imposing athletic presence to thrillers westerns and urban crime dramas However with the advent of the early 1960s popular culture entered a heightened age of verismo a more frank and severe view of societal reality Motion picture studios on both sides of the Atlantic aware of the changing times were quick to reflect it The harsher light of violent new genres required a different sort of male protagonist a character type who could put his humanity and uncertainty aside to act as a more ruthless hero than his predecessors Paralleling real concerns over crime and an increasing disrespect for life and property the public fell in love with the new avenging angel image and with Charles Bronson the actor born at the perfect time in which to symbolize it in the grittier new films By the time Bronson emerged from a series of miniscule uncredited roles in the mid 1950s the singing cowboy was two generations gone save vestiges in television serials such as Roy Rogers and Dale Evans The dancing romantic lead of the Gene Kelly and Fred Astaire variety would soon exhaust itself as a genre in an age increasingly bent on realism and a more severe form of escape Bronson possessed none of the gifts common to the heroes of the previous era Light heartedness did not become him and by all accounts he was neither a singer nor dancer He could not offer the heft of Gary Cooper or John Wayne although he shared a reserved quality with the former He did not possess the pristine good looks of Gregory Peck In fact one good natured description making the rounds in Bronson's heyday likened him to A Clark Gable who has been left out in the sun too long To accompany the rough hewn appearance of Bronson's new class of hero the typical script gave his remarkably enduring persona little to say in terms of dialogue that would reveal his inner thoughts With minimal text even those he attempts to help are unsure of his intentions and few clues are offered by which the viewer can come to know his mind As the grotesqueness of his characters violent acts increased so did the heinous deeds of the criminals he fought upping the ante to an eager public in search of a simple cure for its social ills In a career of almost eighty films and a total body of work totaling 160 appearances including television Bronson pushed the envelope of what graphic action the studios were willing to offer what the censors would accept and what the sensibilities of movie goers were able to endure more than anyone in his era Critics almost uniformly eviscerated most of these films as dramatic eyesores and invariably equated Bronson's level of talent to their distasteful contents and ill fortunes at the box office Only in recent years as the genre has grown even more extreme has Bronson's work been reviewed in a more kindly light Critics aside however once established in the U S after a series of triumphs in Europe Bronson never lost the adoration of either the international or domestic movie going public who he noted are the ones buying the tickets and are therefore the only people of importance American Legends The Life of Charles Bronson examines the life and career of the iconic actor Bronson's Loose! Paul Talbot, 2006-02-09 In the summer of 1974 the movie Death Wish stunned audiences with its powerful story of an enraged businessman who hits the streets with a handgun to avenge the brutal violation of his wife and daughter The film packed theaters with cheering moviegoers became one of the highest grossing and most controversial movies of the year and turned

star Charles Bronson into the hottest screen icon in the world Over the next twenty years four increasingly violent sequels delivered thrills to a growing legion of fans and solidified the legend of Charles Bronson Now for the first time Death Wish fanatics Bronson cultists and action movie lovers will discover fascinating information about the series In exclusive comments director Michael Winner actor Kevyn Major Howard novelist Brian Garfield and many others reveal what it was like to work on the Death Wish movies with one of the most charismatic and elusive stars of all time Covering every aspect of all five movies including unused casting suggestions deleted scenes and alternate cuts and loaded with rare advertising artwork Bronson s Loose The Making of the Death Wish Films tells the compelling untold story behind the most explosive action series in film history

Rape-Revenge Films Alexandra Heller-Nicholas,2014-11-21 Often considered the lowest depth to which the cinema can plummet the rape revenge film has been dismissed as exploitative and sensational catering to a demented demographic Only on such rare occasions as Ingmar Bergman s The Virgin Spring John Boorman s Deliverance and Quentin Tarantino s Death Proof has the rape revenge movie transcended what is commonly assumed to be its intrinsically exploitative nature and moved into the mainstream This critical overview reassesses that viewpoint by exploring a variety of themes as well as the elements that this type of film has in common The author discusses an array of films directed by noteworthy directors from several countries demonstrating that diverse and often contradictory treatments of sexual violence can exist simultaneously

The Vatican Versus Horror Movies Matt Rogerson,2025-02-14 Since public audiences were first introduced to the medium of film in 1895 the Catholic Church has sought to impose its will on the distribution and exhibition of movies These activities include the fortnightly publication of the Segnalazioni Cinematografiche which passed Catholic moral judgment on every film released In this pamphlet and in other settings no set of filmmakers has invited the ire of the Vatican as much as those working in the genres of horror and

exploitation At times filmmakers have responded in kind attacking the Catholic church directly and indirectly presenting clergy as outright antagonists and shining a light on the Vatican s crimes past and present including its collusion with fascism Translating the judgments of the Segnalazioni Cinematografiche into English for the first time and juxtaposing them with film content and social and historical context this book presents in full the cultural conflict between the Vatican and horror movies **Film Review** ,2000 **The Zapruder Film** David R. Wrone,2003 David Wrone one of the nation s foremost authorities on the JFK assassination reexamines Zapruder s film with a fresh eye and a deep knowledge of the forensic evidence The Reconstructionists Biff Price,2018-02-15 Following its outrageous plan to put the U S government back in the hands of the people The Movement is back in action as American hero and guy next door turned president Michael Stonebreaker sets his sights on rebuilding the country starting with an explosive solution to the crisis on the border between the U S and Mexico *International Dictionary of Films and Filmmakers: Actors and actresses* Tom Pendergast,Sara Pendergast,2000 Contains over two thousand entries arranged alphabetically within four volumes that provide information about significant films actors and actresses directors and writers and production artists in North American British and West European cinematic history Includes photographs and indexes **International Dictionary of Films and Filmmakers: Actors and actresses** James Vinson,1990 Provides thorough coverage of films and filmmakers including legendary films actors and actresses directors writers and other production artists Entries include a detailed essay written by an expert biographies filmographies comprehensive credits major awards and updated bibliographies as well as photographs General and professional audiences *Films and Filming* ,1985
