name in her adopted country overnight Having been typecast in light romantic comedies before Gone With the Wind that performance ensured de Havilland subsequently had a long productive and versatile career making everything from Westerns and dramas Of those movies she is perhaps most closely associated with the enigmatic Errol Flynn another foreign born actor who was more notorious for his roles off the screen than on it Before his untimely death they appeared in several films together and became one of Hollywood's most popular on screen couples Although Fontaine and de Havilland would make history by becoming the only sisters to both win an Academy Award for Best Actress that anecdote was just one of the various stories about the siblings that has shed light on their notoriously contentious and complicated relationship As Fontaine once put it I married first won the Oscar before Olivia did and if I die first she ll undoubtedly be livid because I beat her to it De Havilland herself once said Joan is very bright and sharp and can be cutting Of course one of the reasons people have remained interested in the sisters is that both of them had such long acting careers and Fontaine became best remembered both for a career that spanned 60 years and several high profile marriages With typical humor Fontaine joked about the fact she had so many husbands commenting in jest If you keep marrying as I do you learn everybody s hobby But that attention has only served to obscure her very serious professional career which saw her won the Oscar for Best Actress for her role in Alfred Hitchcock's Suspicion 1941 She also earned a nomination for her performance in The Constant Nymph 1943 and in a television career that spanned several decades she earned an Emmy nomination for her work on Ryan s Hope in 1980 nearly 40 years after winning the Academy Award for Suspicion Fontaine even appeared on Broadway in a couple of productions that ran for several years This book profiles the life and career of two of Hollywood's most prolific actresses Along with pictures of important people places and events you will learn about the sisters like never before The Films of the Seventies Marc Sigoloff, 2000-09-01 This is a comprehensive filmography of American British and Canadian feature films released during the decade of the 1970s Nearly 1 000 films are listed alphabetically each with cast including the characters they played and credits release date a five star rating system production company length the Motion Picture Association of America rating of G PG R or X various award winners are indicated with symbols and a brief summary of major plot details and characters and an evaluation of its virtues or flaws The box office rentals of each film achieving 4 million or more are also indicated Heritage Galleries and Auctioneers Vintage Movie Poster Auction #607 Ivy Press,2004-10 Heritage Vintage Movie Posters Signature Auction #601 Ivy Press, 2004-02 March 17 2004 Dallas Texas Signature Auction catalog for Heritage Vintage Movie Posters Heritage Galleries Auctioneers Contains 468 lot descriptions and each lot is pictured Every Frenchman Has One Olivia de Havilland, 2016-06-28 Back in print for the first time in decades and featuring a new interview with the author in celebration of her centennial birthday the delectable escapades of Hollywood legend Olivia
