The Films Of Sean Connery:

The Films of Sean Connery Lee Pfeiffer, Philip Lisa, 2001 For 40 years Sean Connery has been among the world's most admired and popular actors. This edition is both an in-depth biography of this international superstar and a complete filmography with 400 photos, rare production stills, movie posters, and lobby cards. ***The James Bond Man*** Andrew Rissik, 1983-01-01 ***The Cinematic Connery*** A. J. Black, 2022-10-13 Scotland's greatest export. The world's first super spy. Voted the sexiest man on the planet. Sir Sean Connery was a titanic figure on screen and off for over half a century. Behind the son of a factory worker growing up in near poverty on the harsh streets of pre-war Edinburgh lay a timeless array of motion pictures that spanned multiple decades and saw Connery work across the globe with directors as diverse as Alfred Hitchcock, Steven Spielberg, and Michael Bay. And amongst them his greatest role, whether he liked it or not, Bond. James Bond. Author A. J. Black delves into Connery's life for more than mere biography, exploring not just the enormously varied pictures he made, including crowd-pleasing blockbusters such as *The Untouchables* or *Indiana Jones*, and the Last Crusade, serious-minded fare in *The Hill* or *The Offence*, and his strange sojourns into eclectic fantasy with *Zardoz* or *Time Bandits*, but also the sweep of a career that crossed movie eras as well as decades. From skirmishes with the angry young men of the British New Wave via becoming the cinematic icon of the 1960s as 007, through to a challenging reinvention as a unique older actor of stature in the 1980s, this exploration of the Cinematic Connery shows just how much his work reflected the changing movie-going tastes, political realities, and cultural trends of the 20th century and beyond. ***The Films of Sean Connery*** Emma Andrews, 1982 ***The Films of Sean Connery*** Robert Sellers, 1990 ***Sean Connery*** Andrew Yule, 1992 Sean Connery rose from the slums of Scotland to become one of the screen's most enduring and respected stars. From James Bond to *The Man Who Would Be King*, *The Untouchables* to *The Hunt for Red October*, his career has been diverse and spectacular. Now he emerges as a minefield of contradiction in this candid inside portrait. ***Photographs*** ***Sean Connery*** Andrew Spicer, 2022-06-21 Sean Connery was one of cinema's most iconic stars. Born to a working-class family in Edinburgh, he held jobs as a milkman and an artist's model before making the move into acting. The role of James Bond earned him global fame but threatened to eclipse his identity as an actor. This book offers a new perspective on Connery's career. It pays special attention to his star status while arguing that he was a risk-taking actor who fashioned an impressive body of work. Beginning with Connery's early appearances on stage and television, including well-received performances in Shakespeare and Tolstoy, the book goes on to explore the Bond phenomenon and Connery's long struggle to reinvent himself. An Oscar-winning performance in *The Untouchables* marked the beginning of a second period of stardom during which Connery successfully developed the character of the father-mentor. Ten years after his retirement from acting, he was still rated as the most popular British star among American audiences. Exploring how Connery's performances combine to form an all-encompassing screen legend, the book also considers how the actor embodied national identity both on screen and through his public role as

an activist campaigning for Scottish independence **Sean Connery** Michael Feeney Callan,1983 The unauthorized biography of the charismatic actor offers an incisive and compelling portrait of a complex man his private life and his career

Sean Connery Andrew Yule,1994-02-01 From humble beginnings as a milkman and coffin polisher to one of the world s biggest box office names Sean Connery is one of Hollywood s all time greatest success stories The star of nearly 80 films Connery is perhaps still best known for his seven performances as James Bond Indeed for many movie fans Connery s 007 is unsurpassed to this day But how did this working class Scot come to embody the quintessentially English agent This definitive biography reveals Connery s early successes and failures both personal and professional and looks at the little known life behind the cameras Frank and thorough this is a complete look at the film world s classic charismatic hard man

The Films of Jean Seberg Michael Coates-Smith, Garry McGee, 2014-01-10 Here is the first comprehensive examination of the international film career of Iowa born actress Jean Seberg 1938-1979 Bursting onto the scene as star of Otto Preminger's controversial Saint Joan 1957 the 19 year old Seberg encountered great difficulty recovering from the devastating criticism of her performance The turnaround came in 1959 with her brilliant work in Jean Luc Godard's new wave classic A bout de souffle Breathless Though her Hollywood prospects were harmed by subsequent political involvements Seberg continued to work with some of Europe's finest directors Her later films offer a fascinating view of the movie industry in the 1960s and 1970s and of a courageous actress always ready for a new challenge A biographical sketch provides a framework for detailed scrutiny of her 37 films Background information and a critical evaluation is provided for each title British Legends Charles River Charles River Editors, 2018-03-02 Includes pictures Includes Connery's own quotes about his life and career Includes a Bibliography for further reading A lot of ink has been spilled covering the lives of history's most influential figures but how much of the forest is lost for the trees In Charles River Editors British Legends series readers can get caught up to speed on the lives of Britain's most important men and women in the time it takes to finish a commute while learning interesting facts long forgotten or never known Perhaps no actor has been able to retain their popularity into old age as well as Sean Connery Despite retiring in 2006 Connery remains a venerable figure who continued to receive accolades for his handsome virility and status within the Hollywood elite After all in 1989 just shy of his 60th birthday Connery was feted by People magazine as the Sexiest Man Alive and in the years that followed Connery was awarded with even more lifetime achievement awards including being named Sexiest Man of the Century by People magazine in 1999 As an actor Connery won an Academy Award for his performance in The Untouchables 1989 and he has also been awarded Golden Globes and BAFTA awards as well Based on these designations one can reasonably place Connery among the ranks of the most acclaimed Hollywood actors of all time a figure whose critical reputation only grew as he matured Considering his personal acclaim as an actor it is perhaps surprising that despite his status most of the films in which Connery has appeared are not particularly acclaimed Indeed scanning his filmography viewers find very few films that have been showered with any significant awards and even the role that brought Connery to fame the James Bond franchise initially received a largely lukewarm critical reception On occasion Connery has worked with directors of great critical standing most notably Alfred Hitchcock in Marnie 1963 and yet even these films were not greeted with great praise While Connery's skills as an actor remain unquestioned his films themselves have not been canonized as outstanding nor do they populate the curricula of film courses Given the gulf between Connery's own reputation and those of his films it is natural to conclude that Connery's fame has arisen despite appearing in films that were generally unworthy of his talents as an actor One of the

prevailing questions surrounding Connery therefore is how he was able to attain such fame and acclaim despite appearing in films that have continually been deemed less than outstanding To answer that question it is necessary to consider not only his film appearances but also the personal background that shaped his career decisions and contributed to the development of his star persona In fact the legend of Sean Connery is inseparable from his upbringing as well as the precarious period of his young adulthood Connery came from an impoverished background and his willingness later in his career to accept roles that were seemingly beneath him can be attributed to a blue collar ethos that respects the value and importance of hard work In light of his difficult upbringing Connery s rise to stardom is an unlikely one as Connery managed to progress from the poorest regions of Edinburgh Scotland to the heights of Hollywood fame becoming famous for his signature mix of suave debonair comportment and virile masculinity At the same time Connery s eccentric behavior in later years which might be criticized if other people acted that way are often considered part of the unique Connery charm British Legends The Life and Legend of Sean Connery looks at the life of the iconic Bond actor on and off the silver screen Along with pictures of important people places and events you will learn about Sean Connery like you never have before in no time at all
