The Fingerprint Patricia Wentworth, 2011-08-23 When a suicide seems suspicious governess turned sleuth Miss Silver steps in to assist Scotland Yard Frank Abbott s vacations never last very long and his trip to Field End is no exception He has hardly enjoyed a moment of Jonathan Field s hospitality before tragedy strikes A niece ventures into old Jonathan s study at night to ask him a question and finds him stone cold with a revolver by his hand An obvious suicide it seems but Inspector Abbott is not so sure He asks his friend Maud Silver the brilliant detective for assistance She

agrees it must be murder But who is the killer Assisting their investigation is the dead man s strange habit of fingerprinting all who come to visit But there are fingerprints all over the house and solving this murder will require Miss Silver s particularly delicate touch *The Complete Idiot's Guide to Forensics, 2nd Edition* Alan Axelrod, PhD, Guy Antinozzi, J.D., 2007-09-04 Get a clue about the most vital components of criminal investigation This new edition offers the most up to date scientific investigation methods used by today s law enforcement agencies including criminal profiling lie detector technology and DNA analyses with an emphasis on forensic pathology anthropology and psychology Guy Antinozzi is a veteran police officer and detective who teaches in the field Focuses on the use of forensics in criminal investigations instead of academic and theoretical criminology **The Jewish Story Finder** Sharon Barcan Elswit, 2012-08-10 Storytelling as oral tradition and in writing has long played a central role in Jewish society Family educators and clergy employ stories to transmit Jewish culture traditions and values This comprehensive bibliography identifies 668 Jewish folktales by title and subject summarizing plot lines for easy access to the right story for any occasion Some centuries old and others freshly imagined the tales include animal fables supernatural yarns and anecdotes for festivals and holidays Themes include justice community cause and effect and mitzvahs or good deeds This second edition nearly doubles the number of stories and expands the guide s global reach with new pieces from Turkey Morocco Libya Tunisia and Chile Subject cross references and a glossary complete the volume a living tool for understanding the ever evolving world of Jewish folklore *The Origins of the American Detective Story* LeRoy Lad Panek, 2015-01-24 Edgar Allan Poe essentially invented the detective story in 1841 with *Murders in the Rue Morgue* In the years that followed however detective fiction in America saw no significant progress as a literary genre Much to the dismay of moral crusaders like Anthony Comstock dime novels and other sensationalist publications satisfied the public s hunger for a yarn Things changed as the century waned and eventually the detective was reborn as a figure of American literature In part these changes were due to a combination of social conditions including the rise and decline of the police as an institution the parallel development of private detectives the birth of the crusading newspaper reporter and the beginnings of forensic science Influential too was the new role model offered by a wildly popular British import named Sherlock Holmes Focusing on the late 19th century and early 20th this volume covers the formative years of American detective fiction Instructors considering this book for use in a course may request an examination copy [here](#) *Story World and Photodramatist* , 1924 *The Finger of the Scribe* William M. Schniedewind, 2019-10-14 One of the enduring problems in biblical studies is how the Bible came to be written Clearly scribes were involved But our knowledge of scribal training in ancient Israel is limited William Schniedewind explores the unexpected cache of inscriptions discovered at a remote Iron Age military post called Kuntillet Ajrud to assess the question of how scribes might have been taught to write Here far from such urban centers as Jerusalem or Samaria plaster walls and storage pithoi were littered with inscriptions Apart from the sensational nature of some of the contents perhaps suggesting Yahweh had a consort these inscriptions also

reflect actual writing practices among soldiers stationed near the frontier What emerges is a very different picture of how writing might have been taught as opposed to the standard view of scribal schools in the main population centers **Up Yours: Give Colon Cancer the Finger!** Randolph Henniger,2013-02-07 Give Colon Cancer the Finger is a group of those of us who have given cancer the finger We don t allow cancer to define us stop us from living full productive lives and we NEVER EVER give up the fight to defeat this disease The intent of this book is to encourage others to give cancer the finger by taking them through the journey of one family who gave cancer the finger and kicked cancers butt Also included in this edition are the author s FIVE KEYS TO DEFEATING CANCER tips and a new chapter on SURVIVING THE CURE We hope you enjoy the book and join us in GIVING CANCER THE FINGER *Specifications and Drawings of Patents Issued from the United States Patent Office* United States.
