

The First Epistle of Paul the Apostle to the CORINTHIANS

Greeting

I Paul, called to be an apostle of Jesus Christ through the will of God, and Sosthenes our brother,

2 To the church of God which is at Corinth, to those who are sanctified in Christ Jesus, called to be saints, with all who in every place call on the name of Jesus Christ our Lord, both theirs and ours.

Grace to you and peace from God our Father and the Lord Jesus Christ.

3 Glorify at Corinth.

4 I thank my God always concerning you in the gospel of Christ which has given me by a special decree

that I should minister to you, bringing forth you as an offering of righteousness

that you may be blameless in the day of our Lord Jesus Christ.

5 God is faithful, by whom you were called into the fellowship of His Son, Jesus Christ our Lord.

Sectarianism Is Sin

10 Now I plead with you, brethren, by the name of our Lord Jesus Christ, that you all speak the same thing, and that there be no divisions among you, but that you be perfectly joined together in the same mind and in the same judgment.

11 For I have heard that when you are gathered together, each of you has his own party, and I am afraid that when you come together, it may be that I shall find you divided into many parties.

12 For some say, I am of Paul, and some say, I am of Apollos, and some say, I am of Cephas, and some say, I am of the church.

G. Dunn, 2006-05-17 Using Paul's letter to the Romans as the foundation for his monumental study of Paul's theology James D. G. Dunn describes Paul's teaching on God sin humankind Christology salvation the church and the nature of the Christian life

The First Epistle of Paul the Apostle to the Corinthians Reginald St. John Parry, 1916 The First Epistle of Paul, the Apostle to the Corinthians ... Jean Calvin, 1948 *The First Epistle of Paul the Apostle to the Corinthians*, The first epistle of Paul to the Corinthians Leon Morris, 1960 In this most intensely practical of all St Paul's letters the principles so necessary for the life and service of the Christian church are clearly and forcibly presented Writing that the study of Paul's first letter to the Corinthians is immensely rewarding Dr Morris continues This letter arises out of the practical difficulties besetting a far from ideal first century Greek church Here we have a typical Pauline letter The apostle praises his correspondents for their Christian virtue and rebukes them roundly for their many failings He adds to their knowledge with some great passages notably his discussion of love in chapter 13 and of the resurrection in chapter 15 Whatever he touches he deals with in the light of great Christian principles He sees things temporal always in the light of things eternal What he writes has relevance to our own in many ways very different needs **The First Epistle of Saint Paul to the Corinthians** Jean Hering, 2009-01-30 Professor Hering was Professor Emeritus of the University of Strasbourg where for many years had been a famous Protestant New Testament scholar His wide philosophical interests include ethics and phenomenology and he was well known as a contributor to the *Revue d'histoire et de philosophie religieuse* His commentary on *La seconde épître de saint Paul aux Corinthiens* appeared in 1958 and in 1959 the new edition of his *Le royaume de Dieu et sa venue* But this work is the first to be translated into English and a lifetime of New Testament study lies behind it At Professor Hering's request a new English translation of the text of the Epistle has been prepared which embodies the conclusions reached in the critical notes of the commentary The body of the commentary is intelligible to the general reader and the footnotes in which much rich scholarship is garnered are richly rewarding to the scholar and student Knowledge of Greek is not essential Greek words are transliterated into English letters and generally are at once translated **The First Epistle of Paul to the Corinthians ...** James Moffatt, 1935 **The First Epistle to the Corinthians, Revised Edition** Gordon D. Fee, 2014-12 This landmark commentary originally published in 1987 has been lauded as the best study available of Paul's theologically rich first letter to the Corinthians Writing primarily for pastors teachers and students Gordon Fee offers a readable exposition of 1 Corinthians that clearly describes the meaning of Paul's ideas and their larger theological relevance Fee's revised edition is based on the improved updated 2011 edition of the NIV and it takes into account the considerable

scholarship on 1 Corinthians over the past twenty five years Fee has also eliminated chapter and verse language totally foreign to Paul's first century letter relegating the necessary numbers for finding things to parentheses

The First Epistle to the Corinthians Gordon D. Fee, 1987-07-10 Gordon Fee's work on I Corinthians is a contribution to The New International Commentary on the New Testament Prepared by some of the world's leading scholars the series provides an exposition of the New Testament books that is thorough and fully abreast of modern scholarship yet faithful to the Scriptures as the infallible Word of God

The First Epistle of Paul the Apostle to the CORINTHIANS King James, Paul the Apostle, 2020 This keepsake hard cover edition of The Epistle of Paul the Apostle to the CORINTHIANS was taken from the King James translation of the Bible The King James Translation is a masterwork of style and the most important book in the English language it has been the driving force in shaping the English speaking world for hundreds of years Paul wrote this letter to correct what he saw as erroneous views in the Corinthian church He urged uniformity of belief in Christian doctrine Divisions within the church at Corinth seem to be a problem and Paul makes it a point to mention these conflicts in the beginning of the letter The letter is also notable for mentioning the role of women in churches After discussing his views on worshipping idols Paul ends with his views on resurrection He states that Christ died for our sins and was buried and rose on the third day according to the scriptures

The First Epistle of Paul to the Corinthians (Classic Reprint) James Moffatt, 2015-07-14 Excerpt from The First Epistle of Paul to the Corinthians The aim of this commentary is to bring out the religious meaning and message of the New Testament writings To do this it is needful to explain what they originally meant for the communities to which they were addressed in the first century and this involves literary and historical criticism otherwise our reading becomes unintelligent But the New Testament was the literature of the early Church written out of faith and for faith and no study of it is intelligent unless this aim is kept in mind It is literature written for a religious purpose These are written that ye might believe that Jesus is the Christ the Son of God This is the real object of the New Testament that Christians might believe it better in the light of contemporary life with its intellectual and moral problems So with any commentary upon it Everything ought to be subordinated to the aim of elucidating the religious content of showing how the faith was held in such and such a way by the first Christians and of making clear what that faith was and is The idea of the commentary arose from a repeated demand to have my New Testament translation explained which accounts for the fact that this translation has been adopted as a convenient basis for the commentary But the contributors have been left free to take their own way If they interpret the text differently they have been at liberty to say so Only as a translation is in itself a partial commentary it has often saved space to print the commentary and start from it About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing
