Gospels have three levels of interpretation historical Christological and prophetic Because Christ is fully revealed in the New Testament the epistles have only two levels the historical and the prophetic Much is lost when Christians only see and study the Scriptures from the historical vintage point Rightly Dividing the Word reveals these hidden prophetic treasures to the discerning student The Ministry of the Word, Vol. 22, No. 04 Various Authors, 2018-04-01 This issue of The Ministry of the Word contains the first eight messages given during the fall 2017 term of the full time training in Anaheim California The general subject of this series of messages is The Crucial Revelation of Life in the Scriptures The central thought of God in this universe and in eternity is to have Christ as His expression through the church with the shining in life God s expression is based on life and light and the light is the shining in life In order for God to have an expression of Himself in Christ through the church the divine life that expresses Him must be embodied and expressed in Christ and then dispensed into worked into and expressed through the church Only the life of God can express God Based on this principle we will see the crucial revelation of life throughout the Scriptures Genesis 1 and 2 are not merely a record of creation actually nearly every item recorded in these two chapters is a revelation of Christ who is life to God s people for the producing and building up of the church According to Genesis 1 God created many forms of life beginning with the lowest form and progressing to the highest form of created life that is man whom God created in His image The purpose of the creation of man with God s image is that this man would express God However the created man had only a human life Any form of created life can only express itself it cannot express another kind of life This means that man is unable to express God if he has only his created human life In order for man to express God and fulfill His purpose man must obtain and receive the life of God as his life God has to enter into man to be life to man Genesis 2 reveals that the bride of Christ typified by the woman built from the rib taken from the man is produced and comes into being by life The real Eve the church the counterpart of Christ which will consummate in the New Jerusalem is built with the resurrection life that was released by the Lord through His death and imparted through His resurrection This counterpart of the Lord is a building of life For God to gain His corporate expression through the church He must dispense and work Himself into us His people His believers This is accomplished through our eating and drinking Him We need to pass through three stages of the enjoyment of Christ by eating Him The first stage is the eating of Christ as the Passover lamb in Egypt the second stage is the eating of Christ as the manna in the wilderness and the third stage is the eating of Christ as the rich produce of the good land By our eating in the first two stages we are energized to leave the world and are constituted with Christ as the heavenly element Only in the third stage of the enjoyment of Christ as our food can we fulfill God s purpose It was not until the children of Israel entered into the good land and enjoyed the produce of the land that they were able to defeat all the enemies build up God s dwelling place on the earth and bring in the kingdom of God Likewise for us to reach the goal of God s economy we need to progress until we enter into the highest stage of eating Christ as the all inclusive Spirit as typified by the rich produce of the good land In this stage we overcome the

spiritual enemies we are built up to be God's dwelling place and we establish God's kingdom on earth. The history of God's people is not only one of eating but also one of drinking. In the Old Testament, before coming into the good land and building the house of God, the children of Israel journeyed through the wilderness. During that journey, they came to Marah, a place of bitter waters. Moses followed God's command to cast a tree into the bitter waters; the waters then became sweet. This tree signifies the tree of life, the crucified and resurrected Christ, who today is the Spirit mingled with our spirit. In our spirit, we have the crucified and resurrected Christ as our Healer. He is the One who transforms our bitter circumstances and makes them sweet, and He also heals all our diseases. Before the building of the house of God, the Bible speaks of the springs of water: Exo 15:22-27, the water out of the cleft rock 17:6, and the water from the well Num 21:16-17. Christ as the living spiritual rock was smitten by the authority of God's law so that the water of life in resurrection could flow out of Him and into His redeemed people for them to drink. After God's people built the house of God in the good land, the Bible speaks of the river of God's pleasures: Psa 36:8b, the river whose streams gladden the city of God 46:4, a fountain going forth from the house of Jehovah Joel 3:18, and living waters going forth from Jerusalem Zech 14:8. We need to experience the flowing of the living water out of the house of God Ezek 47:1-5. In order to be in the flow, we have to be in the building; that is, we need to be in the church. In the New Testament, we can see the crucial revelation of life in the book of Matthew. In the decree of the kingdom's constitution given by the Lord in chapters 5-7, He displayed the two possible ways people may live and work before God 7:13-14, 21-27. The broad way that leads to destruction is according to the worldly systems satisfying the natural tastes to get the crowd to maintain a career of man and to achieve man's enterprise. The constricted way is according to the divine regulations. This way, which leads to life, fulfills the spiritual requests, brings in God's elect, bears the testimony of Jesus Christ, and carries out God's economy for the building up of the Body of Christ. We take this way by walking in the spirit; this will restrict us and cause us to live a normal Christian life. We will thereby become vital, healthy believers who take the way of life for God's building. There are three basic elements in Matthew. First, Christ is the King, as the kingdom bringing in the reality of the kingdom. Second, He is the King in His all-inclusiveness. Third, He is the kingly bread. When we partake of this kingly bread, we eat, digest, and assimilate the King and the kingdom with its reality, and we eat and digest the King in His all-inclusiveness. The ruling element is in the food. When we take in this food, we gradually become the reality of the kingdom of the heavens. The future of the Christian faith will not be determined by the number of people who fill the pews but by the spiritual depth of those people. Pastor Gordon MacDonald revisits the fictional New England congregation of his critically acclaimed book *Who Stole My Church* to deal with a new dilemma: What's his church's story? What is it doing that justifies its existence? The importance of these questions is anything but fiction. Through a series of e-mails and discussions

with friends and parishioners Pastor Gordon's search for their story leads him to realize that the future of the Christian faith and thus the church is at risk As MacDonald says We seem to know how to get unchurched people to visit our buildings We even seem to know how to draw them across the line into a declaration of personal faith in Jesus But what we do not seem to know is how to cultivate spiritually deep people Tomorrow's church could be headed for trouble Deep people People who possess spiritual awareness and maturity people with solid grounded life altering faith MacDonald shows that the church needs people with a passion for God's presence and a desperate hunger to seek him above all things Join Pastor MacDonald and his congregation on their quest to cultivate spiritual depth and grow into a community of believers whose hearts and minds are truly focused on God *Library of Health* ,1900 **Retrieving Apologetics** Glenn B. Siniscalchi,2016-01-07

Given the pope's recent statements of their desires to implement the New Evangelization it is imperative that Catholic theologians and other intellectually engaged laypersons retrieve the vital discipline of apologetics For the New Evangelization places particular emphasis on repropounding the Gospel to those who have experienced a crisis of faith due to secularization One salient method of Catholic apologetics used to be characterized by three demonstrations each of which assumes the conclusions established in the previous step's Some might think that this classical method of apologetics has been abandoned in the postconciliar Church but Siniscalchi's book updates it Unlike the classical apologetics of the preconciliar era Siniscalchi engages contemporary scholarship in a variety of academic disciplines such as philosophy history biblical studies sociology and theology to develop the steps that are necessary for showing the reasonableness of faith

Smith,2020-12-23 A dying father's testimony to his children about faith covenants and eternal life *Navigate the Strait* is an insightful look at one man's journey through an active life of teaching in The Church of Jesus Christ of Latter-day Saints which is ending in the slow downward spiral of ALS also known as Lou Gehrig's Disease Yet his happy sustaining faith and his love for his all caring Tiffany and their three children Lincoln Edison and Abigail drive his passion to finish this book He wants his family and friends to KNOW him better after the disease will likely take his life This book is a must for anyone who wants to teach understand or gain the strength to live the gospel of Jesus Christ You will find in it stories ideas and teaching examples that express the doctrine of Christ in simple ideas that make life better I'm just a normal guy with a testimony of Jesus Christ Then I got ALS Bummer ALS is taking away everything that I am good at speaking typing fixing things hugging my wife and children I am writing this book with one finger on a mouse or with my eyes controlling my iPhone On the bright side I finally have something in common with Stephen Hawking Now that my disease has reduced my life to complete dependence on others what am I worth Well I am still a good teacher I love my Savior I love the restored gospel of Jesus Christ I look at the gospel in a nonlinear fashion thinking critically about how gospel teachings connect to one another and to our personal struggles If all truth is circumscribed into one whole we need to think deeply and sometimes creatively about how the gospel connects to us and to

others Since ALS will take my life I will likely not be around to teach these ideas to my kids in the moment they need a lesson I pray that this little book of Dad s testimony will help my children and grandchildren as they grow and need answers to their questions If you happen to read it and if it helps you on your journey that s great too When we meet let me know what you liked Most of my writings are about The Church of Jesus Christ of Latter day Saints While I present many ideas within the framework of church doctrine and culture I hope that anyone can learn something useful from what I have learned I am no scriptorian I have never taught religion at BYU I don t know the location of the Ark the lost tribes of Israel the Book of Mormon cities or Nikola Tesla s death ray These ideas are my own based on my prayerful study of doctrine and scriptures But don t just take my word go to the source and see for yourself If anything in this book conflicts with living prophet then I am wrong Stick with the prophet I do know that Jesus Christ is the Savior and Redeemer of all mankind I know that he loves you and me even when life gets hard If you have never looked into The Church of Jesus Christ of Latter day Saints I encourage you to visit ComeUntoChrist.org to learn the basics You can ask questions and even invite missionaries to visit your house and share a message with your family You will discover that the kingdom of God has been restored to the earth in The Church of Jesus Christ of Latter day Saints You will hear about a living prophet of Christ on the earth who speaks with authority like Moses Elijah or Peter And you will learn more about Jesus Christ in the Book of Mormon as a companion to the Bible That is what we mean when we say it s true This book is my attempt to dive deeper into those simple truths It is organized by topic so feel free to jump around and to jump out to the scriptures I hope this book makes you happy [A Man After God's Own Heart Devotional \(Milano Softone\)](#) Jim George,2023-09-05 Growing as a man after God s own heart happens one step at a time Bestselling author Jim George shares quick focused devotions that will enable you to make every step count You ll discover great advice for making forward progress in your spiritual growth staying strong when life gets tough managing your responsibilities with wisdom leading and loving your wife and children living with maximum impact in all you do Along the way you ll experience the satisfaction that comes from living as the kind of man God designed you to be
