Re-Covering in God Sue Watlov Phillips,2014-05-28 I lost my joy of loving God and loving others as myself as I expressed my thirsting and hungering for God in unhealthy ways Instead of utilizing God s light to guide me I often turned to alcohol and the isms that had become part of my life workaholism perfectionism caretakerism and athleticism My refusal to accept that I had developed the disease of alcoholism after drinking normally for twenty five years created insane scenarios as I turned to alcohol for relief when in a state of dis ease with life but that relief valve became my enemy This was further complicated by doctors not understanding alcoholism and the consequences of prescribing medications to me for pain and anxiety As I walked through the valley of the shadow of death I thought I walked alone My heart soul body and mind wrestled with God over my denial of this disease called alcoholism How could I a Christian for over fifty years be struggling with this disease How could I have hurt God others and me How could I be such a poor witness Would I face the truth with God and let Him reveal the damage done to my foundation Would I face God myself and others and make amends Or would I continue to run and hide in my alcoholism and other isms As I turned to God His light revealed to me the truth about myself and what I needed to do in order to be in His will As I choose to be recovered in God s Spirit each moment the spirits of alcoholism and other isms flee but only as long as I choose to Be still cease striving know God and live In His will not mine
