**Dead Bibles Created Dead Religions** Darrell Herron,2021-08-30 This book exposes the biggest cover up story that has ever existed which should never have needed to be written but sadly because of what has happened it truly must be written At no time in our history has such a book been written which exposes religions and Bibles through historical facts and how religious corruption began In discovering the alterations of Bibles that have risen many religions to the power of dominance through propaganda Through the entity of both we will receive the knowledge of discovery of history s facts of how it happened and how it all began Discovering written manuscripts of the true disciples of Christ that have been buried under the sands for over two thousand years and have recently been found The discovery of these manuscripts have exposed what and who and the reasons Bibles have been written showing how we have been exposed with propaganda the way that religions have called us to follow All has been hidden and are now being exposed from the religious conspiracies to the truth In which the world now has the opportunity to learn the truth about Bibles and religions In discovering how truth gives life and deception takes it away Unlocking the mysteries of the gate to receive the keys of understanding With raging questions of what to believe and what not to believe with revelations of which will emerge victorious After reading this book you will never see the world the same way again
