lasting impact on the architecture of postwar international finance However charges of espionage followed by his dramatic testimony before the House Un American Activities Committee and death from a heart attack a few days later obscured his importance in setting the terms for the modern global economy In this book James Boughton rehabilitates White delving into his life and work and returning him to a central role as the architect of the world s financial system **The Peacemaker** Ben Stein,2023-10-24 Blessed are the peacemakers for they shall be called the children of God Matthew 5 9 I don t think any president has been more wrongly persecuted than Nixon ever I just think he was a saint Ben Stein From Ben Stein New York Times bestselling author humorist and former speech writer for both Nixon and Ford administrations a powerful and humorous thinker on economics politics education and history and motivation a personal memoir of his friend Richard Nixon The man patriot president peacemaker and visionary The Richard Nixon Stein remembers and lovingly describes has almost nothing to do with the Richard Nixon as portrayed in most media In Stein s view Richard Nixon was a born peacemaker a saint Stein believes Nixon was tortured abused beat up by the Beautiful People but through it all above all he was a peacemaker a trait he inherited from his Quaker mother Nixon s goal as he often explained to Stein and others on his staff was to create a generation of peace And Stein argues he did it Nixon gave the United States the longest sustained period of peace since World War II In Stein s view if we no longer have to fear Russian ICBMs screaming out of hell to start nuclear war we can thank the shade of Richard Nixon Why did the media hate him so much Stein argues it was because Nixon was vulnerable and showed it when attacked He did not have the tough hide of a Reagan or an Obama Like the schoolyard bullies they are the media went after Nixon for his vulnerability An insider s account of Nixon the man president and peacemaker *The Peacemaker Nixon The Man President and My Friend* will make you reconsider the life and legacy of 37th President of the United States *What I Think* Herbert Stein,1998 This witty accessible volume offers personal observations and discourses about the state of the economy the budget and taxes history and politics *Robbing Peter to Pay Paul* Samuel Evan Milner,2021-01-01 Concentrated market power and the weakened sway of corporate stakeholders over management have emerged as leading concerns of American political economy Samuel Milner provides a historical context for contemporary efforts to resolve these anxieties by examining the contest to control the distribution of corporate income during the mid twentieth century During this Golden Age of American Capitalism apprehension about the debilitating consequences of industrial concentration fueled efforts to ensure that management would share the fruits of progress with workers consumers and society as a whole Focusing on wage and price determination in steel automobiles and electrical equipment Milner reveals how the management of concentrated industries understood its ability to distribute income to its stakeholders as well as why economists courts and public policymakers struggled to curtail the exercise of that market power at its source Welfare for Markets Anton Jäger,Daniel Zamora Vargas,2023-04-18 A sweeping intellectual history of the welfare state s policy in waiting The idea of a government paying its citizens to keep them out of poverty now known as basic
