Jewish Publication Society, Inc.,2022-10-14 A dual language Hebrew English edition These six short books of the Bible each read in connection with a Jewish holy day constitute a literature unto themselves a poetic spiritual and literary treasure This volume includes The Song of Songs Ruth Lamentations Ecclesiastes Esther and Jonah **The Five Megilloth (Soncino Books of the Bible)** A. Theodoor Christiaan Vriezen,Adam Simon van der Woude,2005 This introduction to the Old Testament Hebrew Bible offers a literary and historical critical approach containing some religio historical or theological explanations where appropriate *The Old Testament* Rolf Rendtorff,1991-01-01 The Old Testament is a collection of writings which came into being over a period of more than a thousand years in the history of the people of Israel and which reflect the life of the people in this period Therefore there is a reciprocal relationship between the writings or books of the Old Testament and the life of Israel in its history The understanding of the texts presupposes insights into the historical context and the development of the life of Israelite society while at the same time the texts themselves are the most important indeed for the most part the only source for it This Introduction attempts to take account of this reciprocal relationship The first part deals with the history of Israel However its approach differs from most accounts of this history It takes the Old Testament texts themselves as a starting point and first of all outlines the picture of historical developments and associations which the texts present An attempt is then made on this basis to reconstruct historical developments by introducing material from outside the Bible This method of working leads to close connections between the second and third parts because it has to take account of the nature and original purpose of the texts and their function within the biblical books as they are now The second part attempts to present the texts collected in the Old Testament as expressions of the life of Israel The third part discusses the books of the Old Testament in their present form *The Five Megilloth : Vol.2* A editor Cohen,1946 אברהם כהן Abraham Cohen,1952 The Five Megilloth Abraham Cohen,1977 *The Five Megilloth* Avraham Kohen Ererah,1968 **The Five Megilloth** A.
