**Book #15)** Robert H. Gundry, 2011-11-01 *Delve Deeper into God's Word* In this verse by verse commentary Robert Gundry offers a fresh literal translation and a reliable exposition of Scripture for today's readers. The author of *Hebrews* seeks to establish Christ's preeminence and his replacement of the Mosaic law. This author wishes to turn his audience back to faith in Christ and toward a life of purity. Pastors, Sunday school teachers, small group leaders, and laypeople will welcome Gundry's nontechnical explanations and clarifications. And Bible students at all levels will appreciate his sparkling interpretations. This selection is from Gundry's *Commentary on the New Testament*. Just RISE UP! Sarah Francis Martin, InScribed, 2014-10-14 Sarah remembers the exact moment when the relationship between her faith and her entire life came into clear focus. Sitting in her favorite red chair with a comfy blanket and a cup of hot tea, she snuggled in with her Bible and a new book. The book was huge, several hundred pages long, and yet it didn't intimidate her. Written by the beloved Chuck Colson, *How Now Shall We Live* focused the lens of Sarah's life and spelled out a segregation that she had unknowingly been living with: a segregation between her faith and the rest of her life. She has since come to understand that The Lord designed each and every one of us uniquely and put a dream in our heart that is attached to His agenda for this world. Many of us have felt the stirring in our heart to make a difference with our life, yet we don't always know how. The key she found was to surrender to God's leading, seek him first, and allow him to do the big things He has planned with our life. In the end, God's agenda and our dreams and passions will intersect around one very important phrase: a battle cry if you will, *Make Jesus Famous*. Based on Psalm 145, this invigorating study motivates women to do life differently by making Jesus famous in all aspects of life. *Just RISE UP* is a call to get off the couch of complacency, live a life of praise with a humble posture and Kingdom perspective, and step into a life of true purpose. Features include: Verse by verse study of Psalm 145; Snippets of conversations with Sarah's readers; Journaling prompts to help the reader dig deeper; Conversation guide for small groups. *Providence* John Piper, 2021-02-09 New from Best Selling Author John Piper. From Genesis to Revelation, the providence of God directs the entire course of redemptive history. Providence is God's purposeful sovereignty. Its extent reaches down to the flight of electrons up to the movements of galaxies and into the heart of man. Its nature is wise and just and good. And its goal is the Christ exalting glorification of God through the gladness of a redeemed people in a new world. Drawing on a lifetime of theological reflection, biblical study, and practical ministry, pastor and author John Piper leads us on a stunning tour of the sightings of God's providence from Genesis to Revelation to discover the all-encompassing reality of God's purposeful sovereignty over all of creation and all of history. Piper invites us to experience the profound effects of knowing the God of all pervasive providence: the intensifying of true worship, the solidifying of wavering conviction, the strengthening of embattled faith, the toughening of joyful courage, and the advance of God's mission in this world. **More Tools for Liberating the Bruised** Dr. Joe Allbright, Rita Allbright, 2011-04-20 The Lord impressed authors Rita and Joe Allbright to write a second counseling book about spiritual warfare in which they share some invaluable truths from God's Word and expound on biblical

counseling procedures and share many prayers for specific subjects The book also shares lessons to inspire Christians to mature in the Lord and walk in His will for their precious lives after they have received freedom from the enemy through our Lord Jesus It addresses negative learned behavioral issues and offers solutions We are confident that our Lord s biblical teachings in both books will be a blessing to ministers missionaries counselors counselees and anyone wanting to learn this subject matter The new partner to *Liberating the Bruised* is *More Tools for Liberating the Bruised*     **Death and Survival in the Book of Job** Dan Mathewson,2006-06-05 I interpret the Book of Job as literature of survival reading the death imagery in Job as the complex articulation of traumatic experience     Capsule for the Day Francis M. Afu,2020-04-14 Capsule for the Day is a daily devotional that offers healing words in our world a world created by God that is good but broken and wounded Each capsule tells a story that gives voice to our own stories It celebrates our joys and victories It reveals the beauty lurking in our brokenness and the message in our mess The capsule calls us to faith and to respond to God s gift of himself It inspires hope It challenges us to cooperate with God in rough times and even in the midst of evil to be expectant and to wait for the birth of that which at a given moment is shrouded in mystery It summons us to keep a steady relationship with God through prayer It reminds us that we are loved by the Father and called to love him and our neighbours Capsule for the Day seeks to strengthen us as we journey through life It is a guide that enables us to navigate our way in the world to seek God to gather around him and to find our purpose It asks the question what do you live for And day by day it leads us to Christ in whom we find answers to our ultimate questions     *The Generations of Heaven and Earth* Jon Garvey,2020-01-21 New science has surprised many by showing contrary to received wisdom that a real Adam and Eve could have lived amongst other humans in historical times and yet be the ancestors of every living person as traditional Christianity has always taught This theory was first published in book form in 2019 but Jon Garvey familiar with it from its early days believes it helps confirm the Christian account of reality by giving it a solid foundation in science and history In this book he argues that the long existence of other people before and alongside Adam was in all likelihood known to the Bible s original authors This conclusion helps build a compelling biblical big story of a new kind of created order initially frustrated by Adam s failure but finally accomplished in Christ This new creation theme complements that of the old creation covered in his first book *God s Good Earth* The two together contribute to a unified and fully orthodox understanding of the overall message of the Bible     **From the Dust of the Earth** Matthew J. Ramage,2022-05-06 In this book the author s fourth dedicated to applying Joseph Ratzinger Benedict XVI s wisdom to pressing theological difficulties Matthew Ramage attempts to square advances in the field of evolutionary biology with the Bible as interpreted through the teaching of the Catholic Church Distinguishing between evolutionary theory properly speaking and materialist philosophy Ramage s work both addresses the challenge of evolutionary science to Catholic teaching on human origins and argues that discoveries in evolutionary biology yield precious insight into the mystery of God s saving plan in Christ applying Ratzinger s principles to such issues as the

meaning of man's special creation the relationship between sin and death and the implications of evolution for eschatology
