Period. Sonny Holmes,2015-09-30 Ministry is hard Hundreds of pastors leave their post every month Finish Period Going the Distance in Ministry provides practical biblical strategies for reaching the finish line in ministry service Chapters include assessments of current church culture some of the unique character traits of those called to ministry five steps to the finish line and lessons on endurance for the journey **Barricades** Tom Carhart,2020-04-23 It was not until well into the 20th Century that West Point became fully integrated and the backstory of how this came about is the subject of this compelling work It is a story that is both shameful and praiseworthy a tale of young African Americans finding themselves up against challenges that some were simply not prepared to take on while others succeeded only after enduring the most harrowing physical trials What especially distinguishes this account of these young men s experiences at West Point is the author s placing the events in the contemporaneous history of the decades quoting the surprising number of newspaper accounts of the goings on at West Point as well as memoirs by the individuals themselves Most Americans were all too ready to ignore these events but several of these pioneers persisted against all odds and it is their stories that make this both a sobering yet inspiring book *Selecting Sales Professionals : Selecting, Training, and Retaining High-performance Sales Personnel* John C. Marshall, Ph.D & Bob McHardy,McHardy, Bob,1997 The 5 Elements of the Highly Effective Debt Collector Timothy J. Daye,2011-07-13 The 5 Elements of the Highly Effective Debt Collector is the first How to collect a debt book of its kind in that it breaks the debt collecting process down into five core fundamental areas After years of training in the collection industry I have found that these five fundamental areas are at the center of revealing the mystery behind why only a small percentage of debt collectors produce at a high level and more importantly explains why the larger percentage of low to mediocre performers never reach a top producing level Not only does this book establish fundamental concepts every debt collector must understand to maximize personal or agency's earning potential it also teaches sound principles of engagement valuable communication concepts effective sales rebuttal techniques as well as

a system of file management that if followed and executed properly will more than double a collectors efficiency and effectiveness in less than 30 days The 5 Elements principles and concepts were designs to ensure that no matter an individuals talent level years in the industry or position held within an agency the end user will understand clearly and be enriched by the experience Florence Nightingale on Society and Politics, Philosophy, Science, Education and Literature Lynn McDonald,2006-01-01 Florence Nightingale on Society and Politics Philosophy Science Education and Literature Volume 5 in the Collected Works of Florence Nightingale is the main source of Nightingale s work on the methodology of social science and her views on social reform Here we see how she took her call to service into practice by first learning how the laws of God s world operate one can then determine how to intervene for good There is material on medical statistics the census pauperism and Poor Law reform the need for income security measures and better housing on crime gender and the family Her comments on a new edition of The Dialogues of Plato are given with their impact on the revision of the next edition We see Nightingale s condemnation of Plato s community of wives with her stirring approval of love even outside marriage marriage and the family In this volume also her views on natural science education and literature are reported Nightingale was an astute behind the scenes political activist Society and Politics publishes much of it for the first time her correspondence with such leading political figures as Queen Victoria W E Gladstone and J S Mill There are notes and essays on public administration and personal observations on various members of royalty prime ministers and ministers and Indian viceroys Nightingale s support of the vote for women contrary to much in the secondary literature is here shown Correspondence and notes on British general elections from 1834 to 1900 is reported with letters to and for Liberal political candidates and fierce condemnations of Conservatives Currently Volumes 1 to 11 are available in e book version by subscription or from university and college libraries through the following vendors Canadian Electronic Library Ebrary MyiLibrary and Netlibrary **Africa's Social and Religious Quest** Randee Ijatuyi-Morphé,2014-01-30 This well crafted book probes the key dimensions of Africa s existential predicament It constitutes an intellectual response to a gnawing African situation the starting point for grasping Africa s social and religious quest Beyond split explanations of external versus internal factors e g colonization slavery vs leadership cultural values this study accounts more comprehensively for emergent issues shaping this situation The situation reflects a gamut of problems in traditional African religion and material culture which hitherto defines African communality polities and destinies vis vis the cosmos and nature Thus African religion and communities each with its own attendant values do not operate by critical engagement with larger issues of society and civilization especially those shaped by the advent of post modernity Rather they operate via adaptation The communal drive for natural and social harmony inevitably produces a preservationist view of culture leaving things as they are This study takes an integrative approach to religion society and civilization eschews dichotomies and broadly defines and re signifies life and wholeness as a true end of Africans quest today The Works of that Eminent Servant of Christ, Mr. John Bunyan:

Grace abounding to the chief of sinners. A confession of my faith, and a reason of my practice. Differences in judgment about water-baptism, no bar to communion. Peaceable principles and true. The doctrine of the law and grace unfolded. The pilgrim's progress. The Jerusalem sinner saved. The heavenly footman. Solomon's temple spiritualized. The acceptable sacrifice. Sighs from hell. Come and welcome to Jesus Christ. A discourse upon the Pharisee and the publican. Of justification by an imputed righteousness. Paul's departure and crown. Of the Trinity and a Christian. Of the law and a Christian. Israel's hope encouraged. The life and death of Mr. Badman. The barren fig-tree. An exhortation to peace and unity.
