The Hijacking:

The Hijacking of Jesus Dan Wakefield, 2009-04-29 Christianity in America has become almost synonymous with right wing fanaticism conservative politics and courtousy of Mel Gibson a brutally sadistic version of the religious experience Millions of devout Christians like Dan Wakefield are appalled by this distortion of their faith which only three decades ago stood for peace equality healing and compassion for society s outcasts the issues that made up the Ministry of Jesus How did it come to pass that the Jesus of the New Testament the Jesus who preached the Sermon on the Mount has in effect been hijacked by right wingers and the Republican Party How is it that mainline Christian denominations and leadership both Catholic and Protestant have remained remarkably silent on the issues of the war in Iraq the civil rights erosion of the Patriot Act the growth of poverty and the fact of over 40 million people without health insurance The Hijacking of Jesus tells the whole sorry tale from the Goldwater campaign of 1964 to George Bush s stunning re election in 2004

The Hijacking of American Flight 119 John Wigger, 2023-10-12 In 1971 D B Cooper pulled off what some call the crime of the century skyjacking a Boeing 727 and parachuting into history and legend Here s a book that offers a gripping account of that still unsolved case based on never before published interviews showing how it launched one of the most extraordinary eras in American aviation history In November 1971 an unidentified man later anointed by the media as D B Cooper pulled off one of the most audacious crimes in aviation history hijacking a Northwest Airlines flight over the Pacific Northwest and parachuting from the Boeing 727 with 200 000 in ransom D B Cooper was never to be seen again and the FBI which kept his case open for forty years finally determined it would never be solved Unsolved perhaps but much admired Over the next seven months a number of air pirates imitated Cooper s crime None were more daring than the hijacker of American Airlines Flight 119 After commandeering the flight from St Louis with a machine gun and collecting 502 500 in ransom the Flight 119 hijacker parachuted into the night over Indiana Unlike Cooper he was found These two crimes were part of a wave of hijackings that

occurred between 1961 and 1972 D B Cooper may have been the most famous but he was far from alone One hijacker ran across the tarmac in Reno Nevada with a pillowcase over his head gun in hand to seize a United Airlines flight Another collected a large ransom in Washington D C before jumping over Honduras Motivations in many cases remain murky an admixture of politics greed derring do and boredom What they had in common was how they transfixed the nation s attention bringing about a transformation in the ways that commercial airlines were run and how the laws of the skies were enforced With its focus on the parachute hijackers beginning with D B Cooper John Wigger s book gathers together the stories of this period of daring criminality and recounts them in gripping fashion showing their effect on the public the media and law enforcement Using never before published interviews and first hand accounts he brings one of the most chaotic periods in U S commercial aviation to life The End Times Hoax and the Hijacking of Our Liberty Steven Wallace, Debra

Wallace, 2010-02 *The Hijacking of Christianity* Harry Charles, Ed.S., 2024-02-23 The Hijacking of Christianity is a whirlwind of exposing secrets that have been hidden for centuries We begin with the origin of Christianity We give you the religious world of Christianity as a jigsaw puzzle with all the hidden truths as pieces of the puzzle scattered around the world in secret places The writer places you the reader as participants As you read this book you will be able to literally see the puzzle come together We uncover who created Christianity where the cross came from who gave us all the holidays we currently celebrate and who was Jesus Christ how he was invented and what his real name is We expose why his real name was hidden from the world for centuries We reveal how and why the scriptures of the original Bible and characters were changed and why This book provides proof through research the Bible DNA geography science and writings of different scholars this book shows how deceptions cover ups distortions and the whitewashing of biblical characters icons the Messiah and God himself were changed *The D.B. Cooper Hijacking* Kay Melchisedech Olson, 2010-07 Examines the mystery surrounding the hijacking of a Boeing 727 in November 1971 when a man known as D B Cooper jumped into the Pacific Northwest carrying 200 000 and a suitcase he claimed held a bomb and disappeared **The Achille Lauro Hijacking**

Michael K. Bohn, 2004 Political speeches and public rhetoric paint the phenomena of terrorism with a black and white brush presenting it as a clear cut battle between evildoers and heroes With *The Achille Lauro Hijacking* Michael K Bohn who watched the incident unfold from the White House Situation Room uses one of the most infamous terrorist incidents of the past twenty five years to illuminate the folly of such oversimplified jingoisms The 1985 hijacking of the Italian cruise ship the amazing capture of the terrorists and a previously untold story of American bigotry come together in this book as a case study in the complex forces that shape both terrorism and the responses that it triggers In October 1985 four Palestinian men hijacked an Italian cruise ship Achille Lauro holding hundreds hostage for two days The hijackers killed a partially disabled sixty nine year old Jewish American Leon Klinghoffer and threw his body into the sea Many remember Klinghoffer s death but few know of the other murder associated with the hijacking that of Alex Odeh Odeh defended on television Yasser

Arafatas apparent role in defusing the hijacking He was killed the next day by a terrorists bomb which exploded as he opened the door of his Los Angeles office the American Arab Anti Discrimination Committee Palestinians killed Klinghoffer because he was Jewish yet Jewish extremists killed Odeh because he was a Palestinian The Klinghoffer familys long crusade to bring the hijacking mastermind Abu Abbas to justice was partially satisfied with his April 2003 capture in Iraq The Odeh family still waits for charges to be brought against Alexas murderers a particularly disheartening situation as Israel Americas friend and ally refuses to extradite two suspects These two deaths pale in comparison to the atrocities of September 11 2001 Yet understanding both the Achille Lauro incident and the extraordinary sequence of events that followed will help Americans better understand the threat of terrorism Terrorism is not an enemy it is a tactic chosen by some to further political goals Terrorism is not just about crime and punishment it is about violence power politics prejudice hatred land religion greed money and a host of venal factors that influence human society All of these forces are present in the Achille Lauro hijacking and its aftermath *The Administration's Emergency Anti-hijacking Regulations* United States. Congress. Senate. Committee on Commerce. Congress. Senate. Commerce,1973 *How to Stop a Hijacking* Clay W. Biles,2023-04-07 Hijackings and bombings have plagued civil aviation since 1930 and air rage incidents are on the rise While there is aircraft and inflight training available for air marshals other first responders receive minimal training on inflight security awareness and protocols There are no other resources currently available to flight crews or armed first responders that specifically address inflight security and how to address threats of disturbances on airplanes *How to Stop a Hijacking* provides readers with fundamental principles on how to think more critically about onboard security threats The aircraft cabin poses unique environment and security challenges and first responders can apply security awareness and critical thinking skills to establish a safer environment in the cabin and airport for everyone onboard The lessons in this book are driven with the central objective of teaching the reader how to counter inflight aggression and maintain tactical control of the cabin Written by a former federal air marshal instructor this book looks at the recent rash of air rage incidents and violence on airplanes in addition to the real and ever present threat of hijack or potential explosive device *How to Stop a Hijacking* is a practical guide that offers methodological and tactically proven strategies for stopping violent acts onboard an aircraft inflight
