The Historic Prophecy Of Daniel 7:

The Historic Prophecy of Daniel 7 W. A. Spicer, 2005-12-01 This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia, and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high-quality modern editions that are true to the original work. **Chronicles of the End Times** Mark Davidson, 2018-10-05 Mark Davidson, author of *Daniel Revisited*, has created a unique interpretation of end-time Bible prophecy using the ancient concentric reading method known as chiastics. Lost centuries ago, it was rediscovered by seminary scholars in the eighteenth century. This reading method reveals the form of the scripture text via the flow of its words, giving us a heightened sensitivity to the words in the text. When combined with the words' meanings, we receive a greater understanding of prophetic scripture. In *Daniel Revisited*, Davidson showed us the four signposts: four events prophesied in Daniel 7 and 8 and Revelation 6 to occur in the Middle East prior to the Rapture and Tribulation. Now in *Chronicles of the End Times*, chiastic reading has been applied to all of Daniel, Revelation, and other books, pulling back the veil further to expand our view from four events to all the main events from the Middle East to the ends of the earth. A chiastic reading of Daniel, Zechariah 1:6, Matthew 23:25, and Revelation all shown in ninety illustrations yields many solid answers to the following questions, as well as to many others: How do Daniel 2 and 7 interact, and why are the kingdoms, metals, and beasts? What's the purpose of Daniel's Aramaic chapters, and how do they affect the end times? Which parts of Daniel 11 are to be fulfilled in ancient times versus end times? What is the real identity of Mystery Babylon, and how does this help us in the end times? How do the two scrolls of Revelation give greater understanding of the trumpets and bowls? What are the Seven Events of the end times, and which one is next? This all may seem incredible for one book, but is nevertheless true. The chiastic reading of Bible prophecy revolutionizes our view of the end times and how we read Bible end-time prophecy.

Two Beasts, Three Deadly Wounds, and Fourteen Popes Russell R. Standish, Colin D. Standish, 2001 *The Incredible Expanding Mountain of Hope* Joshua Herald, Even though this book is about Daniel 2, it's not really about Daniel 2. It's really about Jesus. Come tag along on this exciting journey of re-discovery. Even if you think you've long understood all details of the prophecy, you may just discover a most important new insight and find yourself dumbfounded by precise prophetic fulfillments in Christian history that once sent chills up the author's spine. You too may discover the fuller gospel meaning embedded within ancient cryptic symbols, almost like a hidden picture. Daniel 2 specifically unveils the very Foundation Stone of all later Bible prophecies and, correctly understood, it places the Lamb of God, His unfathomable love for sinners, and the heart conquest of His Kingdom of glory and of grace squarely back at the center of all Bible prophecy. That Christ-centered hidden picture is nothing short of a self-portrait of Jesus and the prophesied growth of his New Testament kingdom of God, message into all the world of his royal incarnate rule from its tiniest beginnings in Bethlehem to its mountainous NO END in

eternity This book is really about a too often hidden message that Herald believes God always intended to shout out to our anxiety ridden world today as we now teeter on the brink of eternity It is the timeless and yet so timely message of HOPE Real hope A long growing hope as you will discover embodied in a Person that reaches all the way down to even the most apparently hopeless if she or he will only recognize it and take hold of JESUS In this magnificent book which at times seems like a spy thriller Joshua Herald methodically details insights into Scripture He does so with such clarity and precision that you will wonder how you could have missed coming to the same conclusion he did Ron Price MA author of Play Nice in Your Sandbox at Church Play Nice in Your Sandbox at Work and Play Nice in Your Sandbox at Home Hang onto your seats for this rollercoaster Joshua Herald pens a twisting turning ride to a better understanding of Daniel s beastly prophecies and the mysterious stone that strikes the colossal metallic image Chris Conrad PG professional geologist If you have found the insights in this book to be spiritually uplifting and helpful please share this title with a friend **History, Ideology and**

Christian Tradition Christian Thru Djurslev,2019-12-12 What has Alexander the Great to do with Jesus Christ Or the legendary king s conquest of the Persian Empire 335 23 BCE to do with the prophecies of the Old Testament In many ways the early Christian writings on Alexander and his legacy provide a lens through which it is possible to view the shaping of the literature and thought of the early church in the Greek East and the Latin West This book articulates that fascinating discourse for the first time by focusing on the early Christian use of Alexander Delving into an impressively deep pool of patristic literature written between 130 313 CE Christian Thru Djurslev offers original interpretations of various important authors from the learned lawyer Tertullian to the Christian Cicero Lactantius and from the apologist Tatian to the first church historian Eusebius He demonstrates that the early Christian adaptations of the Alexandrian myths created a new tradition that has continued to develop and expand ever since This innovative work of reception studies is important reading for all scholars of Alexander the Great and early church history **Time and Times and Half a Time** Ida

The Time Is Near Ian Foley,2016-05-31 The Time Is Near the second and final volume of a paired set builds upon the foundations laid in the first volume to offer a comprehensive and systematic interpretation and explanation of the final book of the Bible Revelation The author Ian Foley summarizes the findings of the first volume before turning to an exploration of this often misunderstood biblical book This volume explains how two books of apocalyptic literature Daniel and Revelation have similar structures display similar styles of writing and offer seamlessly connecting content The benefit of this comparison comes in recognizing that the ambiguities and confusions of meaning that typically accompany readings of Revelation fade away The reader then receives a clear view of a complete prophetic picture of Gods plan for his world stretching from 605 BC to the end of this age and beyond In its thirty two parts The Time Is Near presents concise statements of position that begin with Daniel dwell on Jesus and Paul and then focus primarily on Revelation By offering this overall summary of a clear word of prophecy and by supporting it with immersion in the Bible and reflection on historical events The Time Is Near invites readers reflection and testing In a time in which the worldwide church faces great challenges The Time Is Near speaks clearly of refreshingly new insights that will help Christians to face those challenges and to resolve their uncertainties about the meaning of Revelation for this world and the next

The Continuum History of Apocalypticism Bernard McGinn,John J. Collins,Stephen Stein,2003-10-01 Apocalypticism has been the source of hope and courage for the oppressed but has also given rise on many occasions to fanaticism and intolerance The essays in this volume seek neither to apologize for the extravagance of apocalyptic thinkers nor to excuse the perverse actions of some of their followers Rather they strive to understand a powerful perhaps even indispensable element in the history of Western religions that has been the source of both good and evil and still is yet today The Editors The Continuum History of Apocalypticism is a 1 volume select edition of

the 3 vol Encyclopedia of Apocalypticism first published in 1998 The main historical surveys that provided the spine of the Encyclopedia have been retained while essays of a thematic nature and a few whose subject matter is not central to the historical development have been omitted The work begins with 8 articles on The Origins of Apocalypticism in the Ancient World extending from ancient Near Eastern myth through the Old Testament to the Dead Sea Scrolls Jesus Paul and the Book of Revelation Next are 7 articles on Apocalyptic Traditions from Late Antiquity to ca 1800 C E including early Christian theology radical movements in the Middle Ages and both Jewish and Islamic apocalypticism in the classic period The final section Apocalypticism in the Modern Age includes 10 articles on apocalypticism in the Americas in Western and Eastern Europe and finally in modern Judaism and modern Islam Revelations from Revelation Patrick M. People touched by such beliefs no longer rely on a hidden personal and intimate god contemplated upon from the safe distance of the beating human heart They live with the promise of divine intervention at a grand scale on the current coordinates of space and time This can be an exceptional motivator and a game changer in terms of civil obedience both at an individual and collective level In the name of an immediate and palpable deity people can commit shocking cruelties However such belief can also account for some of the most exceptional social developments in human history

The Epistle of Jesus to the Church James D. Quiggle, 2008-01-01 The Epistle of Jesus to the Church is a commentary on the book of Revelation that assumes Jesus was the author and John the reporter of the words and events described Here one will not find an explanation of an anti Roman message written by John in hidden codes and apocalyptic motifs to fool Roman authorities John the apostle and prophet was the faithful scribe who did not create the message but faithfully and accurately described all that he saw and heard This commentary follows the principle that the Scriptures explain themselves because the Revelation is a word from Jesus to his church a word that is grounded in the Scriptures The Epistle of Jesus to the Church has been written with teachers students and pastors in mind The interpretation of the book of Revelation is thorough difficult

passages are addressed and plausible answers are provided to the questions posed by in depth study of the biblical book This is a commentary for personal study or classroom instruction one that may be confidently used to preach and teach the Revelation of Jesus to the church
