The History Of Al Tabari Volume Ix The Last Years Of The Prophet:

The Prophet's Heir Hassan Abbas, 2021-02-23 The life and legacy of one of Mohammad's closest confidants and Islam's patron saint Ali ibn Abi Talib is arguably the single most important spiritual and intellectual authority in Islam after prophet Mohammad. Through his teachings and leadership as fourth caliph, Ali nourished Islam. But Muslims are divided on whether he was supposed to be Mohammad's political successor and he continues to be a polarizing figure in Islamic history. Hassan Abbas provides a nuanced compelling portrait of this towering yet divisive figure and the origins of sectarian division within Islam. Abbas reveals how after Mohammad, Ali assumed the spiritual mantle of Islam to spearhead the movement that the prophet had led. While Ali's teachings about wisdom, justice, and selflessness continue to be cherished by both Shia and Sunni Muslims, his pluralist ideas have been buried under sectarian agendas and power politics. Today, Abbas argues, Ali's legacy and message stands against that of ISIS, Al Qaeda, and Taliban.

The History of al-Ṭabarī Vol. 9, 2015-06-15 This volume deals with the last two and a half years of the Prophet's life. In addition to the three major expeditions to unanyn T if and Tab k it describes in detail the circumstances surrounding the illness from which he died and the subsequent crisis of leadership faced by the nascent Muslim community. The author depicts with admirable fairness all the various opinions and divisions that existed within the community. He also presents a vivid picture of the Prophet's physical appearance, his personal life and his marriages. Among other topics discussed in this volume are all the deputations that came to Medina, a summary of all the expeditions and raiding parties and his scribes, freedmen, horses, camels, goats, swords, coats of mail and so on. It also covers the apostasy of Musaylimah, Aswad and ulhahah and the Prophet's attempts to deal with them. The translation not only preserves the original lively flavor of al abar but also in its annotations draws extensively on both parallel Arabic sources and the intensive research of recent years. Readers who seek a deeper understanding of the Prophet's personality and of the reasons for antagonisms engendered among various factions will find this volume most informative.

Muhammad: the Demon Possessed False Prophet of Islam Jamaal Williams, 2024-04-01 Woe is me, poet or possessed Muhammad? Could it be that one of the most influential men in history was manipulated by satanic powers? It's time to unveil the many unsavory truths about the founder of Islam, Muhammad, drawn directly from Islamic sources. The prophet of Islam was arguably demon possessed or severely demonically influenced. Muhammad's prophetic career began with an encounter with a spirit entity in the cave of Hira. Islamic literature states that the alleged angel Gabriel manhandled and abused him, leaving him terrorized, suicidal, and in a state of madness. This encounter alone should raise red flags. Moreover, Islamic texts report that Muhammad was under a black magic spell, uttered the words of Satan in the infamous Satanic Verses event, and had a demonic spirit guide or familiar spirit. Again, this is all coming from Islamic texts. Additionally, Muhammad and many of his contemporaries believed he was demon possessed. Indeed, he experienced many strange physical manifestations such as twitching, foaming at the mouth, convulsing, roaring, or snorting.

like a camel that was falsely believed to be divine inspirations from the supposed angel Gabriel and or Allah These disturbing accounts form the basis of our e book which gives an uncensored and uncompromised look at Muhammad and the religion he founded Islam The content of Islamic texts is shocking appalling and downright disturbing Much of such information is not even known to educated Muslims Nothing is held back when Muhammad s deplorable morality is scrutinized Would God who is righteous and holy work behind a person who sanctioned many atrocious acts and practices child marriage wife beating assassinations torture and sex slavery Was Muhammad a perfect example for mankind as many Muslims believe when Islamic sources document actions that many today would describe as cruel discriminatory oppressive and tyrannical What is also covered is his controversial consummation of marriage to a 9 year old girl named Aisha at the age of 54 What spirit was moving behind Muhammad to practice what many today would consider to be gross crimes against humanity This e book has a wealth of evidence that Muhammad was indeed demon possessed and thus should be considered a false prophet of God We thoroughly examine the idea of him being demonically influenced using over 1 000 direct quotations all hyperlinked directly to the source from the most authoritative Islamic sources the Quran authentic hadiths tafsirs sirat literature etc The idea that the enemy manipulated Muhammad is not the conclusion of a mere layman in demonology but of someone with many years of experience in deliverance ministry i e expelling demons out of people by the power and authority of Jesus With this expertise the e book uncovers not only the evidence but also the broader implications What would be the purpose of Satan using Muhammad One reason is to blind people s minds from believing the Gospel that Jesus is the only begotten Son of God who died on the cross for the sins of the world and was resurrected Without the belief in the Gospel there is no salvation This analysis serves a critical purpose for all truth seekers It is a great resource for those involved in Christian apologetics and polemics with many references refuting the religion of Islam

The Book of the Jihad of 'Ali ibn Tahir al-Sulami (d. 1106) Niall Christie, 2017-07-05 In 1105 six years after the first crusaders from Europe conquered Jerusalem a Damascene Muslim jurispudent named Ali ibn Tahir al Sulami d 1106 publicly dictated an extended call to the military jihad holy war against the European invaders Entitled Kitab al Jihad The Book of the Jihad al Sulami s work both summoned his Muslim brethren to the jihad and instructed them in the manner in which it ought to be conducted covering topics as diverse as who should fight and be fought treatment of prisoners and plunder and the need for participants to fight their own inner sinfulness before turning their efforts against the enemy Al Sulami s text is vital for a complete understanding of the Muslim reaction to the crusades providing the reader with the first contemporary record of Muslim preaching against the crusaders However until recently only a small part of the text has been studied by modern scholars as it has remained for the most part an unedited manuscript In this book Niall Christie provides a complete edition and the first full English translation of the extant sections parts 2 8 9 and 12 of the manuscript of al Sulami s work making it fully available to modern readers for the first time These are accompanied by an introductory study exploring the techniques that the author uses to motivate his audience the precedents that influenced his work and possible directions for future study of the text In addition an appendix provides translations of jihad sermons by Ibn Nubata al Fariqi d 985 a preacher from Asia Minor whose rhetorical style was

Authority and Identity in Medieval Islamic Historiography Mimi Hanaoka,2016-09-09 Intriguing dreams improbable myths fanciful genealogies and suspect etymologies These were all key elements of the historical texts composed by scholars and bureaucrats on the peripheries of Islamic empires between the tenth and fifteenth centuries But how are historians to interpret such narratives And what can these more literary histories tell us about the people who wrote them and the times in which they lived In this book Mimi Hanaoka offers an innovative interdisciplinary method of approaching these sorts of local histories from the Persianate world By paying attention to the purpose and intention behind a text s creation her book highlights the preoccupation with authority to rule and legitimacy within disparate regional provincial ethnic sectarian ideological and professional communities By reading these texts in such a way Hanaoka transforms the literary patterns of these fantastic histories into rich sources of information about identity rhetoric authority legitimacy and centre periphery relations **From Muhammad to Bin Laden** David Bukay,2017-07-28

He also aims to bring to the world's consciousness the aims and objectives of fundamentalist Islam. The volume concludes by challenging the free world to wake up before the bells of another world war start to ring. From Muhammad to Bin Laden will interest scholars, policymakers and lay readers. Its importance is transparent particularly in light of the current developments in the Middle East.

Towards an Islamic Lunisolar Calendar Hisham Abad, 2021-04-10

The Calendar was invented in ancient times to allow nations to pace their economic and social activities with climatic seasons. Throughout the history of civilizations much depended on organizing and administering an accurate calendar. Hunter-gatherers needed the calendar to predict the migrations of herds of wild animals. As humanity advanced, farming communities required calendars to predict the coming of rain or the time of the flooding of rivers. Traders and seafaring communities needed to map the best time of the year to tackle the dangers of seas when sailing far from home. In contemporary times of globalization, calendars have become even more critical in optimizing the complex supply chains of local and global production cycles.

Oral traditions ascertain that the Arabs of the Arabian Peninsula used a rudimentary lunisolar calendar called in the literature the Arabian Calendar. Like with all nations, the lunisolar Arabian Calendar helped the Arabs organize their meager resources in the best ways possible. For example, research showed that the Hajj season and its pan-Arabian markets were scheduled to coincide with the date harvesting season, peaking from July to September. The abundance of the date harvest available in this period, along with assigning the concept of inviolability to the Arabian months spanning this season, allowed them to travel across Arabia to Mecca to trade in the pan-Arabian markets and to participate in the religious rituals of their pilgrimage, the Hajj.

It is asserted in this book that Prophet Muhammad followed the lunisolar Arabian Calendar all his life. At the end of the tenth year after he migrated from Mecca to Medina and during his Farewell Pilgrimage, the Qur'an sternly abolished the process of intercalation, i.e. the *Nas*, the very process which allowed the Arabs to organize their various economic and religious activities. When Caliph Umar ibn al-Khattab initiated the Hijri Calendar seven years after Prophet Muhammad's death, i.e. in 17 AH, he founded it as purely lunar, which meant its months were allowed to float within the solar year. Caliph Umar is famous for his zeal in protecting the fundamental Islamic principle of monotheism. This, I show, was the reason for introducing the Hijri Calendar as purely lunar, because the *Nas*, i.e. Quraysh's method of intercalation, was hopelessly entangled with the polytheistic religion of Quraysh, the Prophet's tribe and the guardian of the holy places in Mecca and its environs. The harmful effects of following the purely lunar Hijri Calendar were realized from early on. But the prohibition of *Nas* inhibited the early Islamic caliphs from reforming the Hijri Calendar.

This book explores the history of the Arabian Calendar and its intimate connection with the Hijri Calendar. The main findings of this book are as follows:

1. The main Hajj shrines in Mecca are aligned in the direction of sunrises and sunsets of the Summer Solstice day.
2. Quraysh intercalated its Arabian Calendar by forcing the Summer Solstice (SS) Day to occur within the 11th month of the Arabian Calendar, Shawwal. The *Nas* month was added when the onset of the SS was about to transfer to into the 11th month, Dhul-Qada.
3. The onset of the SS day was determined through the sunset alignment.

along the line joining the posts of al Wos and al Aqaba Jamar t and also by observing the sun rising from behind the peak of mount Thab r from the location of the sacrificial altar of pre Islamic Mina 4 The Prophet arrived in his migration from Mecca to Med na on the Days of sh r which corresponded to the dates of 8th of Rab I the 10th of the Hebrew month Tishri and to the 23rd of September 632 5 The epoch of the Hijri Calendar must be adjusted back by two days from the epoch used so far 6 The Farewell Pilgrimage occurred in autumn on September 4 632 CE not in spring on March 11 632 CE

The History of al-Ṭabarī Vol. 10, 2015-06-15. Volume X of al-Ṭabarī's massive chronicle is devoted to two main subjects. The first is the selection of Ab Bakr as the first caliph or successor to the Prophet Muhammad following the Prophet's death in 632 C.E. This section of the *History* reveals some of the inner divisions that existed within the early Muslim community and sheds light on the interests and motivations of various parties in the debates that led up to Ab Bakr's acclamation as caliph. The second main subject of Volume X is the *riddah* or apostasy, actually a series of rebellions against Muslim domination by various tribes in Arabia that wished to break their ties with Medina following the Prophet's death. The *History* offers one of the more extensive collections of accounts about this early sequence of events to be found in the Arabic historical literature. It provides richly detailed information on the rebellions themselves and on the efforts made by Ab Bakr and his Muslim supporters to quell them. It also tells us much about relationships among the tribes of Arabia, local topography, military practice, and the key personnel.

organization and structure of the early Islamic state The successful suppression of the riddah marked the transformation of the Muslim state from a small faith community of importance only in West Arabia to a much more powerful political entity embracing all of the Arabian peninsula and poised to unleash a wave of conquests that would shortly engulf the entire Near East and North Africa The riddah era is thus crucial to understanding the eventual appearance of Islam as a major actor on the stage of world history **Fatima's Touch** Tamam Kahn,2016-09-26 Fatima s Touch is a bridge between our time and seventh century Islam Here is the founding daughter and mother of millions in the Muslim world whose story has barely been told in the West What was the real position of women in Islam at the time of the Prophet Words on her life with its examples of affection kindness and effectiveness in challenges may serve as a hedge against fundamentalism
