Oberlin, Hotbed of Abolitionism J. Brent Morris, 2014 Oberlin Hotbed of Abolitionism College Community and the Fight for Freedom and Equality in Antebellum America

Twice Escaped Melissa Ballard, 2010-06-18 Before the Civil War 1861 1865 it was legal in some states for one person to own or enslave another person Those who wanted slavery to end or be abolished were called abolitionists and some of them started the Underground Railroad This story is based on actual events that took place in Oberlin Ohio on Monday September 13 1858

Agents Wanted! to Sell the History of the Oberlin-Wellington Rescue!! A Book that Everybody Wants! and Will Buy at the First Opportunity! ... Jacob Rudd Shipherd, Henry P. B. Jewett, John P. Jewett and Company, 1859*

The Town That Started the Civil War Nat Brandt, 1990-04-01 Discusss the rescue of a kidnapped slave in 1858 by the residents of Oberlin Ohio and the repercussions

A History of Cleveland and Its Environs Elroy McKendree Avery, 1918

Justice and Legal Change on the Shores of Lake Erie Paul Finkelman, Roberta Sue Alexander, 2012-07-02 Justice and Legal Change on the Shores of Lake Erie explores the many ways that the United States District Court for the Northern District of Ohio has affected the region the nation the development of American law and American politics The essays in this book written by eminent law professors historians political scientists and practicing attorneys illustrate the range of cases and issues that have come before the court Since the court's inception in 1855 judges have influenced economic developments and social issues beginning with the court's most famous early case involving the rescue of the fugitive slave John Price by residents of Northern Ohio Chapters focusing on labor strikes free speech women's rights the environment the death penalty and immigration illustrate the impact this court and its judges have had in the development of society and the nation's law Some of the cases here deal with local issues with huge national implications such as political corruption school desegregation or pollution on the Cuyahoga River But others are about major national issues that grew out of incidents such as the prosecution of Eugene V Debs for opposing World War I the litigation resulting from the Kent State shootings and opposition to the Vietnam War and the immigration status of the alleged Nazi war criminal John Demjanjuk This timely history confirms the significant role played by district courts in the history of the United States

No Taint of Compromise Frederick J. Blue, 2006-09-01 No Taint of Compromise highlights the motives and actions of those who played instrumental if not central roles in antislavery politics those who undertook the yeoman's work of organizing parties holding conventions editing newspapers and generally animating and agitating the discussion of issues related to slavery They were a small but critical

number of voices who beginning in the late 1830s battled the institution of slavery through political activism Frederick J Blue provides an in depth account of the trials and accomplishments of eleven men and women who in the face of great odds and powerful opposition insisted that emancipation and racial equality could only be achieved through the political process Alvan Stewart a Liberty party organizer from New York John Greenleaf Whittier a Massachusetts poet journalist and Liberty activist Charles Henry Langston an Ohio African American educator Owen Lovejoy a congressman from Illinois Sherman Booth a journalist and Liberty organizer in Wisconsin Jane Grey Swisshelm a journalist in Pennsylvania and later Minnesota George W Julian a congressman from Indiana David Wilmot a congressman from Pennsylvania Benjamin and Edward Wade a senator and a congressman respectively from Ohio and Jessie Benton Fr mont of Missouri and California wife of the Republican presidential nominee Their stories brought together in this comparative biographical study enrich our understanding of the political crisis over slavery that led to the Civil War

The Facts of Reconstruction Eric Anderson, Alfred A. Moss, Jr., 1991-05-01 Thirty years after the publication of John Hope Franklin s influential interpretative essay Reconstruction After the Civil War ten distinguished scholars have contributed to a new appraisal of Reconstruction scholarship Recognizing Professor Franklin s major contributions to the study of the Reconstruction era their work of analysis and review has been dedicated to him Although most of the contributors studied with John Hope Franklin The Facts of Reconstruction is not a festschrift at least not the conventional sense The book does not offer a comprehensive assessment of Franklin s remarkably wide ranging work in southern and Afro American history but instead engages his influential interpretation of Reconstruction The essays in The Facts of Reconstruction focus upon questions raised in Reconstruction After the Civil War Was southern white intransigence the decisive influence in Presidential Reconstruction What as the role of violence in southern redemption How successful were the educational experiments of the Reconstruction era Why did southern Republicans fail to build an effective coalition capable of surviving the pressure of racism In addition several essays discuss questions not directly addressed in Franklin s book since his pathbreaking work indirectly stimulated study in a variety of new areas For example contributors to The Facts of Reconstruction examine the ante bellum origins of Reconstruction evaluate the development of racial segregation during the late nineteenth century analyze the political and legal ideas behind the Reconstruction debates and study the prospering minority among blacks Representing a variety of perspectives the authors have sought to follow John Hope Franklin s admonition that Reconstruction should not be used as a mirror of ourselves If they have succeeded this book in honor of a profound scholar and inspiring teacher will provoke new discussion about the facts of Reconstruction
